PRESIDENT'S MESSAGE

Dr. David Wain Coon, a participant of many campus activities such as the Desi Fashion Show and the Poetry Festival, hosts the popular Presidents Speaker Series, welcoming renowned political, social and arts luminaries from around the country.

DR. DAVID WAIN COON
PRESIDENT
EVERGREEN VALLEY COLLEGE

Every year, I meet a new group of students entering Evergreen Valley College and say goodbye to the previous group. What impresses me most are the unique gifts, talents, and life experiences each student brings to us.

What are the talents and experiences you will bring to our campus? What legacy will you leave behind? And what will you take away? These are the questions that intrigue me and keep me working hard year after year to support our programs and services.

In the eastern foothills of San José, we offer a peaceful campus where you can discover, explore, and master a subject you're interested in. Our Library was listed as one of the ten coolest buildings on any college campus worldwide. Our campus is home to a gorgeous observatory, a lively lecture series and numerous cultural events organized by our diverse student body. We are also fortunate to be opening the doors of a new Center for the Arts, thanks to the generous support of private donors, local voters, and the State, by fall of 2009. We hope to see you here soon, either in the audience or as a participant.

CHANCELLOR'S MESSAGE

CHANCELLOR'S MESSAGE

As Chancellor of the San José/Evergreen Community College District, Rosa Pérez is proud of the celebration of diversity and the culture of accessibility at Evergreen Valley College.

ROSA G. PÉREZ
CHANCELLOR,
SAN JOSÉ EVERGREEN COMMUNITY COLLEGE DISTRICT

I am honored to present Evergreen Valley College's 2009-2010 college catalog, and hope you enjoy using it as a blueprint for your future. This catalog is much more than a list of academic and workforce education classes that our campus has to offer—it contains a wealth of information about programs we have established on campus to help ensure your postsecondary education success.

Our park-like campus is nestled in the Evergreen area of San José—but don't let our campus' quiet location lead you to believe that our campus life isn't as vital and diverse as is the communities we serve. Evergreen Valley College is a leader in embracing cultural awareness and diversity, starting at the top with President David Wain Coon, and continuing through our students, faculty and support staff. When you visit Evergreen Valley College, you are looking at a mirror of the fantastic diversity that is the Silicon Valley. There's something always happening on our campus—and that something is nearly always a celebration of our diversity and of our community.

The quality of our programs at Evergreen Valley College are second-to-none. Our teaching staff is devoted to preparing our students for life in the 21st century—including honing critical thinking skills that will serve them no matter what vocation they choose. The workforce education programs at Evergreen Valley College benefit from strong partnerships between the college and private industry and business. You can be certain of the relevance of our workforce programs—they are created with the needs of Silicon Valley employers and workers in mind. And as varied as our programs are, there's something for everyone, including digital media design, accounting, paralegal and automotive repair.

Most importantly, the San José/Evergreen Community College District is proud of the relationships we have established with the K-12 programs in the San José and Milpitas area. It is important for every resident to know that the community college system is accessible to anyone who wishes to participate in its transfer, workforce or personal enrichment classes. Whether you are coming to our campus for English as a Second Language, preparation for a university degree, gaining new job skills or sharpening old ones, your time at Evergreen Valley College will be well spent.

On behalf of everyone at the San José/Evergreen Community College District, I wish to thank you for considering Evergreen Valley College and letting us become an important part of your life. You are part of the tapestry that is our campus, and we are honored to serve you and your family by being your community college.

PROFILE

At Evergreen Valley College, a community college located on a 175-acre site in the eastern foothills of San José, we take great pride in our approach to education. We place our students' realities first. For instance, will they need help with their language skills? Are they carrying other responsibilities like children or full-time jobs? Are they the first in their family to graduate from college? To all learners--those directly out of high school, in mid-career or mid-family transitions, and those who are enjoying their golden years--we offer a supportive environment that values their intrinsic experiences.

HISTORY

Evergreen Valley College opened its doors in 1975 to 3000 students and currently hosts over 12000 students from more than 70 countries. The rich variety of cultures, which both enhances and enriches campus life, comprises one of the most diverse student bodies within the California Community College System.

Planning for the college began on July 1, 1964, when the San José/Evergreen Community College District officially became an independent college district. The site was purchased in 1967 and named Evergreen Valley College in 1970. When the first two buildings were complete in 1975, we welcomed our first graduating class.

In recent years, bond measures have allowed us to build much needed facilities: classrooms and labs for biological sciences and nursing education programs, a robust Library, a center to accommodate vibrant student life, and the Montgomery Hill Observatory. Our new Center for the Arts will open Fall 2009.

MISSION

With student learning as our primary focus, Evergreen Valley College's mission is to empower students to expand their human potential and to succeed in a global, multicultural society. We prepare students of all ages and backgrounds for balanced and productive lives, so they can ultimately improve the workforce and quality of life in our communities.

We meet our mission through a wide spectrum of educational experiences, flexible methodologies, and support services for our students:

STRATEGIC INITIATIVES

1. **Student-Centered:** We provide access to quality and efficient programs and services to ensure student success. Areas of focus are:
 - Access
 - Curriculum and Program Development
 - Student Service Offerings
2. **Community Engagement:** We create a trusting environment where everyone is valued and empowered. Areas of

focus are:

- Visibility
 - Strategic Partnerships
 - College in the Community
3. Organizational Transformation: We will transform the college image and enhance partnerships with community, business and educational institutions. Areas of focus are:
- Community Building
 - Employee Development
 - Transparent Infrastructure

SCHEDULE

While we offer classes year-round, students can enroll throughout the year for traditional Fall, Spring and Summer sessions or for short-term and evening classes. We provide options for those who are working towards an associate degree or vocational certificate and for those who wish to transfer to a four-year institution. We also offer options to continuing students who need an additional class or just want to pursue an interest.

ACCREDITATION

Evergreen Valley College operates by authority of the Board of Governors of the California Community Colleges and the Board of Trustees for the San José/Evergreen Community College District. We are fully accredited as a two-year degree-granting institution by the Western Association of Schools and Colleges.

Credit from EVC is transferable to other collegiate institutions, including community colleges, the University of California, California State University, and many private universities.

SOUTH BAY REGIONAL PUBLIC SAFETY TRAINING CONSORTIUM

Our district is a participant and sponsor of the South Bay Regional Public Safety Training Consortium, which is a joint powers agency created by local community colleges to present certified courses associated with public safety. These include Law Enforcement, Reserves, Corrections, Probation, Fire Technology, Emergency Medical Services, Hazardous Materials, and Dispatch. The intent is to enhance the campus-based degree and certificate programs, giving students the option to go directly into Academy-type skill development training presented through the Central Consortium. Phone: (408) 270-6458.

ELIGIBILITY FOR ADMISSION

Regular Admission

Any person who meets one of the following requirements and who is capable of benefiting from the instruction offered shall be admitted:

- Be 18 years of age or older
- Be a high school graduate
- Pass the California Proficiency Examination
- Hold a GED, OR
- Be officially released from his or her high school district if under 18

Special Part-time/Full-time Admission (Concurrent Enrollment of high school students)

Any student seeking special admission must have consent from a parent (or legal guardian) and the principal (or other designated person) of the high school and meet one of the following criteria:

- The student is of an age or class equal to 9-12 grade.
- The student is home-schooled or no longer affiliated with a recognized high school with age or class equal to 9-12 grade.
- The student is of an age or class below grade 9 with parental petition approved by the president or designee.

For more information, visit the Admissions and Record office or call (408) 270-6441.

APPLICATION FOR ADMISSION

All new, returning, high school, and transfer students must complete a formal application for admission prior to registering. Applications are available at the Office of Admissions and Records, in the schedule of classes and online at <http://cccapply.org>. Applications must be complete and submitted to the Office of Admissions and Records.

The following programs have additional admissions criteria and forms, which students must complete before being admitted to these programs:

- Corrections
- Law Enforcement
- Nursing
- Honda Certificate Program
- International Students

See the respective programs for forms and other information. Admission to these programs is not guaranteed; however students pending notification of acceptance may enroll in regular EVC courses.

Notice To All Applicants:

State legislation has suspended the use of the Social Security Number as a student identifier. A unique college ID number is automatically assigned to EVC student records at the time an admissions application is submitted. Students will be required to use this ID number for all services with the college. This number is also printed on the Student ID which is used for access to the library and other student services.

HOW TO BECOME AN EVC STUDENT

1. **Apply for Admission**
2. **Apply for Financial Aid**
3. **Take Placement Tests**
4. **Attend an Orientation**
5. **Register for Classes**
6. **Pay Your Fees**
7. **Buy Your Books**
8. **Attend Your Classes**

High School Student Application/Registration:

1. Complete a Concurrent Enrollment Packet that includes an application and an "Attendance for Special Part-Time High School Students" (R-40) form. The R-40 should:
 - Be signed by your high school principal or another designated official.
 - Be signed by your parent/legal guardian.
 - Indicate specific courses for which you have been approved to register.
2. Schedule and complete Assessment if you are registering for English, Math, or other courses for which you have not met prerequisites.
3. Register for class(es) in person at Admissions and Records.
 Note: High school students must submit an admissions application and a new R-40 form each term they enroll.

High school students should be aware of several factors when registering for EVC courses:

1. They are considered adults with regard to their records; all records are confidential unless released by the student and are protected by regulations of the Federal Educational Rights and Privacy Act (FERPA).
2. They must identify EVC as a college attended on all future college applications, and include a transcript of EVC work where required.
3. They are held to the same standards as regular students in terms of class conduct and course requirements.
4. They will need to request transcripts for their high schools if EVC units will be used to fulfill high school graduation requirements.

5. They may not enroll in more than 11 units (Students are strongly recommended not to take more than 3-6 units.) High school students approved to take more than 11 units may be charged all appropriate fees.
6. They may not enroll in PE or basic skills courses; courses are only eligible for enrichment, vocational purposes or as substitutes for courses not available through their high schools.
7. They may not register for courses not on a R-40 form. Additional R-40 forms may be required.
8. Courses completed at their high schools do not guarantee adequate preparation for college level courses; assessment and/or SAT/AP scores may be used to determine placement levels.

Admission of Homeschooled or other non-high school students under 18:

- A parent of a student under 18 who is not attending high school, is homeschooled, or has a student who has not completed the 8th grade, may petition the Admissions Director for special admission of his/her child as a part-time student.
- In addition to following the same procedures as concurrent enrollment students, students should complete the additional R-42 form and will be asked to submit academic transcripts which will also be used in determining appropriate course placement.

RESIDENCY REQUIREMENTS

Out-of-state Students

Out-of-state applicants who are admitted to the college will be required to pay Non-resident tuition, in addition to registration fees.. US citizens, and students with certain visa statuses, may submit a residency change form and new application once they have lived in California at least one year and one day prior to the first day of the term, and have the intent of maintaining their California residency. **The District Board of Trustees sets tuition annually. As of this publication, the current non-resident tuition is set at \$191.00 per unit. Consult the current Schedule of Classes for registration related fees.**

Residency Requirements

All students not meeting the requirements below will be classified as "non-residents" and are subject to non-resident tuition and enrollment fees. Students shall receive resident student classification if they qualify under one of the following conditions:

- If the student (age 18) and the student's parent or legal guardian have resided in California for at least one year and one day prior to the beginning of the semester, and can prove California residency by providing documents such as California tax returns or a California driver's license to confirm that date.
- If the student (19 or over) has resided in California for at least one year and one day prior to the beginning of the semester, and can prove California residency by providing documents such as California tax returns or a California driver's license to confirm that date.

- If the student is under 18 years of age and his/her parent or legal guardian has resided in California for at least one year and one day prior to the beginning of the semester, and can prove California residency by providing documents such as California tax returns or a California driver's license to confirm that date.
- In addition, if the student is not a United States citizen, or permanent resident, or on a visa that allows the student to establish California residency, then the student must be able to certify that they have applied for some form of permanent immigration status at least one year and one day prior to the beginning of the semester.
- Beginning January 1, 2002, AB 540 allows certain non-resident and undocumented students who have completed three years of high school in California and received a California high school diploma or equivalent, be exempted from paying nonresident tuition.
- California residency can also be exempted or established in other ways. Please consult the staff in the Office of Admissions and Records for specific residency requirements. The Office of Admissions and Records is located near the bus turn-around area on the south end of campus. For information, please call (408) 270-6441.

California Residency Status Change

Students who have been out-of-state residents must submit a new residency statement in order to change their status. Out-of-state residency will not be changed automatically or without documentation. State law requires consideration of financial independence for students seeking reclassification.

INTERNATIONAL STUDENTS

Evergreen Valley College encourages international student applicants, and admits international students from many different countries. International student applicants, current international students wishing to transfer to EVC from other U.S. colleges, or others interested in international student information, should see the International Student Admissions Representative located in the Office of Admissions and Records.

International Student Application packets are available year-round in the Office of Admissions and Records. The spring semester application is due no later than October 15. Fall semester applications are due no later than April 15. Applications must include:

1. International (F-1) Student Application Form.
2. Application for Admission to Evergreen Valley College.
3. \$100 Application Processing Fee (non-refundable) Checks must be drawn on a U.S. bank and be made out to Evergreen Valley College.
4. TOEFL (Test of English as a Foreign Language). Minimum score based on test type: 500 paper based exam; 173 computer based exam; 61 internet based exam.

Note: If applicant has completed degree applicable courses in English with a grade of "C" or better (at an accredited U.S. college/university), the TOEFL may be waived.

5. Original bank verification (signed by certifying official) with a minimum balance of \$16,734 (U.S. currency) from parent/sponsor dated within 6 months of application date.
6. Letter of Financial support, or Affidavit of Support Form (notarized) from parents or sponsor.
7. Official transcripts from all prior colleges/universities.
8. Passport sized photograph.
9. TB Skin Test results. If results are positive, a chest x-ray report will be required. Exams must be dated within 6 months of application date.

International students who plan to transfer to Evergreen Valley College should contact the Office of Admissions and Records regarding additional documentation that may be required.

Incomplete applications and applications not submitted by the deadlines may not be considered.

Each international student must pay the non-resident tuition at the beginning of each term (\$191 per unit for 2008-2009), plus registration and other fees which are subject to change without notice. Payment can only be made by cash, credit card, or money order or check. Students who fail to pay tuition will not be allowed to register and may be dropped from their courses, resulting in immediate notification to the USCIS.

Each international student is strongly urged to carry a health insurance policy. Regardless of whether or not health insurance is purchased, each international student is asked to have a tuberculin (TB) skin test prior to admittance to Evergreen Valley College.

An international student must complete 12 units each semester, with an average grade of "C" or better. All 12 units must be taken at Evergreen Valley College, unless you have prior approval from the International Student Counselor.

International students must inform the International Student Office, located in the Office of Admissions and Records, whenever he/she: moves, changes name, drops below 12 units, wishes to travel outside the continental U.S., or otherwise fails to uphold the regulations dictated by law. Failure to do so may jeopardize the student's visa status in the United States.

International students must be familiar with and adhere to Immigration regulations, and EVC student contact and enrollment requirements.

TRANSCRIPTS FROM OTHER COLLEGES

Academic work for another college may be used to verify prerequisites, or to meet graduation requirements. Unofficial transcripts may be used when meeting with a counselor to verify or clear prerequisites; however, official transcripts are required when using this academic work for graduation.

Students may meet with a counselor and submit transcripts from other accredited colleges for prerequisite verification and/or to establish reading and writing levels prior to registration. Transfer students should submit official transcripts to the Office of Admissions and Records where applicable. Unofficial copies of transcripts or grade reports may be used for counseling purposes.

Official transcripts from all colleges attended are required of students who have applied for graduation and are candidates for the A.A. or A.S. degree. Failure to provide the transcripts will result in degree denial.

Prior high school and college transcripts must be sent directly to the Office of Admissions and Records. Transcripts may be hand-delivered, but the seal must be unbroken. Official transcripts become the property of the college, and will not be returned to or copied for the student.

All students applying for Veterans Benefits and to the Nursing Program are required to file official transcripts from all previous colleges with the Office of Admissions and Records when applying to EVC.

Academic work completed in an institution outside the United States must be officially evaluated before they can be applied to an EVC degree. Foreign transcripts must be sent to a professional evaluation agency. Please contact the Admissions and Records office at (408) 270-6441 for further information.

TRANSFER CREDIT

Students may request that units earned at other regionally accredited collegiate institutions be reflected on their EVC transcript. To receive such credit, the student must have official transcripts of the prior work sent directly to the Office of Admissions and Records. Transcripts may also be hand-delivered if the seal remains unbroken. Upon evaluation, acceptable transfer units of credit will be included in the student's permanent record. Evergreen Valley College follows the guidelines in the Transfer Credit Practices published by the American Association of Collegiate Registrars and Admissions Officers (ACCRAO) to determine which institutions have been granted regional accreditation.

Courses completed at other colleges, which have been granted regional accreditation by ACCRAO, may be evaluated as meeting requirements for graduation and/or general education with petition to the Office of Admissions and Records. Counselors are available to assist the student in this process.

Transcripts from former institutions that are on file in the Office of Admissions and Records are destroyed three years after the student's last semester of enrollment at Evergreen Valley College.

CREDIT FOR MILITARY SERVICE

Students who have completed a minimum of 185 days of active duty in the United States Armed Forces may receive two units of credit for Physical Education, two units for Health Education, and two units for Military Service after submitting a copy of their Discharge (DD214). Additional units, for certain military technical schools, may be granted upon evaluation of the student's American Council on Education Registry Transcript.

Veterans receiving VA benefits must file the DD-214 with the Office of Veterans Affairs and complete an application for benefits prior to certification. Credit granted for military schools is based upon recommendation of the American Council on Education.

For more information please contact the Veterans Coordinator in the Office of Admissions and Records, or by calling (408)270-6430, or visit the website at <http://www.evc.edu/admissions/va.htm>.

CREDIT BY EXAMINATION

Departmental Credit by Exam

Students may earn college Credit by Examination under specified conditions, however not all courses can be challenged using Credit by Examination. Students may not earn more than 12 units of Credit by Examination, and must have earned a total of 12 EVC units prior to applying for Credit by Exam. Students must be registered at Evergreen Valley College at the time they apply and take the examination. The appropriate instructional dean must approve an application for credit by examination. The \$20 per unit enrollment fee will be charged for credit by exam. Credit By Exam is available only to registered students in good standing and only for courses listed in the EVC Catalog.

Non-collegiate Courses

Upon presentation of certificates from non-collegiate agencies, credit may be granted. Credit will be granted according to the recommendation approved or listed in the Instructional Guide for Non-Credit Courses published by the American Council of Education.

Credit shall be posted only when a student has completed at least 12 units of study at Evergreen Valley College.

OPEN ENROLLMENT & REGISTRATION PRIORITIES

All courses (except those exempted by statute or regulation) shall be fully open to enrollment and participation by any person who has been admitted to the college(s) and who meets prerequisites established in accordance with state regulations.

Students will be assigned registration priority in accordance with Title V and a board-approved system based on units earned at Evergreen Valley College. The first two weeks of any registration cycle are dedicated to continuing students. New, returning, and transfer students will be given registration dates following the first two weeks of continuing student registration or when they apply. High school and students in middle school may register after they have completed all admissions requirements and no earlier than 3 weeks prior to the beginning of the academic term within the guidelines for their populations. **Please see the Eligibility for Admission section for Admissions criteria.**

ADVANCED PLACEMENT PROGRAM

College Entrance Examination Board Advanced Placement Program (CEEB) and College Level Examination Program (CLEP)

College credit will be granted to students who provide the college with official test results showing at least minimum passing scores for either CEEB. Evergreen Valley College will grant college credit toward an AA/AS degree to students who earn scores of 3, 4, or 5 on advanced placement examinations given by the College Entrance Examination Board (CEEB).

To receive credit, students must send an official copy of the AP results to the Evergreen Valley College Admissions and Records Office for evaluation. To use AP results for completion of GE areas for transfer using either the CSU GE or IGETC pattern, students must request a GE Certification from Evergreen Valley College upon transfer. To determine how AP credits will be used at the four-year school for major preparation, please consult the catalog of the transfer school or see an Evergreen Valley College counselor. Duplicate credit will not be granted to students who have AP scores and take the equivalent college course at Evergreen Valley College.

REGISTRATION

CLASSIFICATION OF STUDENTS

- New Student - A student who has never enrolled at any college. High school students are always considered "new students."
- Continuing Student - A student who was enrolled at Evergreen Valley College the preceding semester.
- Former (Returning) Student - A student who has previously attended Evergreen Valley College but not during the preceding semester.
- New Transfer Student - A student who has attended a college other than Evergreen Valley College.
- International Student - A student from any country other than the United States who has applied to Evergreen Valley College and has been accepted into the International Student Program. All NEW international students are required to contact the International Student Representative in the Admissions & Records office prior to registration (408) 270-6423.
- Nonresident Student - A student who has not met California residency requirements and must pay nonresident tuition unless he/she meets AB 540 requirements.

STUDENT STATUS (FULL-TIME/PART-TIME)

Fall and Spring Semesters:

- Full-time student: registered for 12 or more units
- Half-time student: registered for 6-11 units
- Part-time student: registered for less than 5.5 units

Summer Session:

- Full-time student: registered for 4 or more units
- Half-time student: registered for 2-3 units
- Part-time student: registered for less than 4 units

MINIMUM UNIT REQUIREMENTS

To maintain eligibility in the following programs, a student must carry minimum units as noted below. (There are no minimum unit requirements for EVC college enrollment; the list below relates to benefits or special eligibility):

1. International Students: 12 units per semester.
2. Social Security, California State Disability, and PL 674: Check with respective benefits offices for requirements.
3. Veteran's Dependents and PL 634: See Veterans Coordinator in Admissions and Records, call (408) 270-6430 for specific requirements.
4. Students in special programs such as EOP&S, FasTrack, Financial Aid, etc.

MAXIMUM UNIT LOAD

Regular students are restricted each semester to a maximum load of 18 units during a regular semester or 7 units during a summer or January intersession session.

Students who wish to take more than the maximum load in any term must petition and obtain approval from a counselor.

Students need to bring the completed and signed excess units petition to Admissions & Records in order to register for additional courses.

Concurrently enrolled high school students are restricted to 11 units maximum, but are strongly recommended to enroll in no more than one or two courses at any given time.

REPEATING COURSES

Students may repeat any course in which they receive a grade of D or F twice. Under certain extenuating circumstances a student may repeat a course for a third time with approval of the Vice President of Student Affairs. Courses in which students received a final grade of "C" or better may not be repeated unless it is specifically designated. See list below.

Other course repetition options:

- If a course is a legally mandated training requirement as a condition of continued paid or volunteer employment, a student may take this course any number of times
- If a student is enrolled in a credit special class offered by the Disabilities Support Program.
- If a significant lapse of time (3 years) has passed.

ADDING CLASSES

BEFORE CLASSES BEGIN

Students may change their class schedule via MyWeb, STAReg, or in person at Admissions and Records, prior to the start of the semester if:

- The regular semester has not started.
- The class has seats available.
- And the class has no waiting list.

AFTER CLASSES BEGIN

Students may petition a class during the first two weeks of the semester. To petition a class you must:

- Go to the class as soon as possible.
- Ask the instructor if you can add the class.
- Obtain four digit add code from instructor.
- Process add code by calling STAReg at 408.223.0300.
- Verify your class was added by calling the STAReg system at 408.223.0300
- If you experience problems with your add code, bring it to Admission and Records Office immediately for processing.

* No late adds for semester classes will be accepted after the second week of the semester. If extenuating circumstances exists, students are encouraged to obtain a LATE ADD PETITION from the respective division office. STAReg (408.223.0300) is available Monday, 6:00am – 11:30pm, and 12:00 midnight to 11:30pm all other days. You have until 11:59 PM “midnight” on September 13, 2009 to add the class by phone using the Add Code; after that, the authorization code is no longer valid.

Students cannot be added to a course if:

- They do not meet the prerequisite
- They have already completed the course, unless it is repeatable—see listing of courses under Repeating Classes
- They have a time conflict. For more information see Class Conflicts under Attendance

- They do not have a current application on file
- They have a hold for academic standing or fees owed
- They do not have high school approval (R-40)
- They are already enrolled in 18 units
- September 13, 2009 - 11:59 PM “midnight” has elapsed

What if I have trouble registering?

If you’re having trouble registering for one of the reasons above, contact the Office of Admissions and Records at 408.270.6441. If you are having problem accessing MyWeb, or are having problems with your password, contact

DROPPING CLASSES

Students are responsible for dropping their classes; classes are not dropped automatically for non-attendance. A student may drop a class by calling the StaReg (408) 223-0300, using MyWeb.sjcccd.org, or in-person at the Office of Admissions and Records. The following rules apply to dropping a class:

1. No “W” (withdrawal) symbol or record of the course will occur on the student’s permanent record if the student drops by September 25, 2009.
2. A “W” (Withdrawal) symbol will be assigned if the student drops the course after September 25, 2009 , but before November 20, 2009 of the regular semester.
3. Students must receive an evaluative grade (A-F; P/NP) if they do not drop by the deadlines above.
4. Students may be granted a “W” (Withdrawal) symbol after November 20, 2009 of the term only for extenuating circumstances. “Extenuating circumstances” are defined as verifiable cases of accidents, illness, or other circumstances beyond the students’ control.
5. Students are responsible for all associated fees for classes they do not officially drop.

NOTE: Instructors may drop students for attendance related reasons. See information on attendance in Chapter 6.

GRADES

Grades are issued by instructors at the end of each semester for each class. All grades are final and will not be changed unless any of the following can be demonstrated: mistake, fraud, bad faith, or incompetence. Grades cannot be changed on a basis of student completing course work after the assignment of the final grade. If a student believes that an error has been made in recording a grade, the student must request a grade change in Admission and Records within one year of the semester the grade was recorded.

GRADE CHALLENGE

Students who believe a grade was assigned incorrectly should first attempt to resolve the matter with the instructor. If unsuccessful, they should contact the Division Dean; and, finally submit a petition to the Vice President of Academic Affairs. Petitions are available at the Admissions and Records Office.

MATRICULATION

Matriculation Rights And Responsibilities

Evergreen Valley College is a partner in every student’s educational pursuit. When students succeed, we succeed. One of our main objectives in this partnership is to adhere to all the rules and regulations regarding course work, as well as to all the special services that can help students succeed in their classes. To meet these objectives, we provide an array of campus services. EVC encourages all students to take advantage of our services.

Matriculation Aims for Student Success

The primary goal of matriculation is to ensure student success. To accomplish this goal, counselors and students work together to generate a Student Educational Plan and to define the various processes and activities that will lead to academic success. Academic and student services across campus provide additional materials and resources to help students reach their academic goals. The matriculation partnership includes responsibilities for both the college and the student.

College Responsibilities:

- Provide an enrollment service that will enable the college to collect required information on students.
- Provide student assessments and employ multiple measures to determine student’s academic readiness in English, Reading, Math, and ESL (English as a second language).
- Provide student orientation to familiarize students with college programs, services, facilities, academic expectations, and college policies and procedures.
- Provide counseling services to assist students in course selection, development of an individual student educational plan, and use of campus support programs and services.
- Provide additional advisement and counseling to assist students who have not declared an educational goal, are enrolled in basic skills courses, are on academic probation/dismissal, or require academic follow-up.
- Establish a process to monitor a student’s progress and provide necessary assistance toward meeting educational goals.
- Assist students with (or direct them to) written district procedures for challenging matriculation regulatory provisions.

Student Responsibilities:

- Submit official transcripts from high schools and colleges previously attended.
- Read the college catalog, schedule of classes, and other materials which detail college policies and procedures.
- Indicate an educational goal upon admission.
- Declare a specific major or educational goal after completing 15 units.

- Participate in Assessment, Orientation, Counseling/Advisement services and other follow-up support services deemed necessary by the college in order for students to achieve their stated educational goals.
- Attend all classes and complete all course assignments.
- Complete courses and maintain progress toward stated educational goals.

Matriculation Exemption Policy

The San José/Evergreen Valley Community College District encourages all students to fully participate in each college’s matriculation program. A student may be exempt from the Assessment, Orientation, and/or Counseling/Advisement component of matriculation if one or more of the following exemption criteria are met.

New students may be exempted from the Assessment component of matriculation if they:

- Enroll in open curriculum classes only.
- Enroll in non-AA applicable courses other than pre-collegiate basic skills.
- Enroll in apprenticeship courses only.
- Possess an Associate, Baccalaureate, or other college degrees.

Previous reading, writing, and math coursework successfully completed (with a C grade or better) may be used for placement purposes in lieu of the corresponding assessment test(s).

New students may be exempted from the Orientation, and/or the Counseling components of matriculation if they:

- Are enrolling in apprenticeship or short-term courses.
- Have previously earned a college degree.

All students are included in the follow-up component.

Assessment

EVC offers an assessment process to help students determine the best starting point in English and Mathematics based on their past academic experience and abilities. The campus is committed to using multiple measures in all aspects of evaluation. Additional assessments are available to students for whom English is not their native language, so appropriate courses in reading, writing, listening and speaking, may be taken.

Student assessments are available on a regular basis throughout the academic year. Other assessments such as career assessments are available in the Career Center. Students returning to college following a long absence from education and unsure of their level for testing may see a counselor for a Math Assessment “practice packet” to help determine the level of testing. Sample questions are also available online at <http://www.evc.edu/admissions/assessment>.

Questions regarding assessment should be directed to the Assessment Center at (408) 274-7900 ext. 6636 or the Counseling Office at (408) 270-6475.

Orientation

Orientation provides general information regarding EVC’s services and programs as well as each student’s rights and responsibilities. Students learn the importance of transfer and degree requirements, vocational programs, and student services.

Other topics include:

- Assessment placement advice.
- Academic expectations.
- EVC’s facilities and resources.
- Student complaint procedures.
- Achieving academic success.
- District policies such as: Sexual Harassment, ADA, Discrimination, Non-Smoking, etc.

Early Alert

About seven weeks into each semester, students participating in special programs who may be having academic difficulty are notified that they should meet with their instructor and/or seek additional assistance. Faculty prepares the notifications based on classroom performance. The intention for the “Early Alert” is to help students realize that intervention is needed to achieve academic success. Early Alert refers students to available support services on campus.

STUDENT FEES

Enrollment Fees

All regular students are required to pay enrollment fees at the time of in-person registration. Registration fees made online or by phone are due by published deadlines or students might be dropped. Courses added after the first day of classes must be paid in full or dropped before the Census (typically the second Friday of the semester).

California residents are currently charged \$20 per unit. The California Legislature may revise enrollment fees at any time, and retroactively charge students already enrolled.

High school students attending classes part-time in the SJECCD will NOT be charged enrollment fees, but other fees may be required, such as parking, books, and materials. High school students attending full-time may be charged all fees per California state requirements.

Fee Waivers

Students may be eligible for fee waivers. These include:

- Enrollment Fee Waivers (Board of Governor’s Fee Waiver—BOGFW).
- TANF (formerly AFDC).
- SSI (Supplemental Social Security).
- General Assistance.
- Others who meet low-income guidelines.

Students with demonstrated need or income/dependent eligibility should also see Financial Aid.

Applications for the fee waiver are available in the Office of Financial Aid, in the Schedule of Classes, or online at <http://www.evc.edu/fao/forms.htm>

Parking Permits and Fees

Semester Parking Permits are \$40 automobile / \$14 motorcycle and are available for purchase online at <http://MyWeb.sjeccd.org>. If you are a Financial Aid student receiving a Board of Governors Fee Waiver (BOGFW), your parking discount will be automatically applied online. Every online purchase of a permit will include a temporary permit that can be printed and used immediately. Daily permits are \$2 cash and are available from vending machines located in Student Parking Lots 2, 3, 6, 8 and 9. Paid parking is enforced Monday through Saturday; parking without a permit or parking along Yerba Buena or San Felipe Roads may result in a parking ticket fine. Permits and daily parking tickets are good at both EVC and SJCC campuses. A parking permit does not guarantee a parking space, but merely gives the student the convenience of not buying daily permits.

Students who receive a Board of Governors Fee Waiver (BOGFW) will only be required to pay \$20 per term.

Student Health Services Fees

The District provides a Health Clinic to assist students (see Student Health Services for list of services provided and location).

The Health Services fee is \$16* per semester, payable at the time of registration, unless a student is eligible for the BOGFW. The fee is non-refundable unless the student withdraws from all classes prior to the end of the 10th class day of the term, or the District cancels all of the student’s classes.

Exceptions to the Health fee:

- Concurrently enrolled high school students with an approved R-40 form on file.
 - Indentured apprentices fulfilling related instruction requirements (with proper documentation required).
 - Students who are dependent exclusively upon prayer for healing, in accordance with teachings of a bona fide religious sect, denomination, or organization (proper documentation required).
 - Students enrolled only for classes meeting off-campus.
 - Students receiving assistance through the state enrollment fee program (BOGFW).
 - Students taking Friday evening, Saturday, or Sunday classes only.
 - Students taking only short-term classes which meet on campus seven times or less.
- * Please note: Fees are subject to change by the Legislature.

Associated Students (AS) Fee

Funds collected from this \$5 fee (optional/refundable) are used to support various educational, academic, cultural, athletic, social, recreational, and community activities including

FEEES

scholarships for students. Stickers are issued at the time of registration through Admissions and Records.

Student Representation Fee

The Student Representation Fee is a \$1 nonrefundable fee collected at registration. This fee was approved by popular student vote. The fee ensures EVC students representation of every form of government. Concurrently enrolled high school students with an approved R-40 on file are exempt from paying this fee.

Student Center Fee

A Student Center Fee is assessed at Evergreen Valley College only. This fee was approved by popular student vote in the spring of 1994. Funds collected for this purpose are used exclusively for the construction, maintenance, or operation of a student center. EVC students are required to pay a Student Center Fee of \$1-\$5 per semester. The fee is nonrefundable unless the student withdraws from all classes prior to the end of the 10th day of the term, or the District cancels all of the student's classes.

Material Fees

Many classes require a material fee. The rates vary by class. Please check individual course offerings for the amount required. Nursing courses are assigned substantial material fees. These fees must be paid prior to the beginning of the term in which the material will be provided.

Non-Resident/International Student Tuition

In addition to fees paid by regular students, non-resident students and International Students are required to pay \$191.00 per unit in tuition. Students in this classification are required to pay by cash, check, credit card or money order at the time of registration.

Miscellaneous Fees

- **Verification Of Enrollment**
Upon written request to the Office of Admissions and Records, a student will receive an official verification of enrollment for courses taken at Evergreen Valley College only. Each official Verification of Enrollment at the college will be assessed a \$4 fee.
Third-party agencies must request verifications through the National Student Clearinghouse at www.studentsclearinghouse.org.
- **General Education Certification**
Upon written request, the Office of Admissions and Records will conduct a General Education Certification for a fee of \$5. Thereafter copies of this document will be free.
- **Transcripts**
Upon written request to the Office of Admissions and Records, students are provided with the first two copies of their official transcripts free of charge; thereafter, a fee of \$4 per copy applies. Emergency transcripts are available at \$10 per copy.
The college does not re-issue or certify copies of

transcripts from other institutions for distribution. Transcripts must be ordered directly from the institution where the work was completed.

- **Student ID Card Replacement Fee**
Student Identification Cards are issued free at the time of registration in the Admissions and Records Office. The ID cards are used to access the College Library, Health Center, and other services. The ASB sticker is also placed on the ID card for access to special AS Services and discounts. Replacement photo ID cards cost \$7 (non-refundable).
If the student has registered online or using StaReg, and all fees have been paid, the Student ID may be picked up at Admissions and Records.
- **Student's Schedule**
Students are mailed a free copy of their semester program prior to the beginning of each semester; thereafter, a fee of \$2 per copy applies. Students may also access their schedules online at MyWeb.sjeccd.org free of charge.

Payment Methods And Deadlines

- **Payment When Registering**
A person may pay in person, online, or by phone. When registering in person fees will be due upon registration. Payments may be made by cash, check, traveler's check, money order, or Visa/Master Card. Credit card payments may be made on StaReg - (408) 223-0300 or online at MyWeb.sjeccd.org (A \$10 processing fee is charged for each returned check.)
- **Payment Deadlines**
Students are responsible for paying all fees by the published deadlines, and may be dropped for non-payment prior to the first day of the term. Note: If students are dropped for non-payment, they will be notified by letter from the college. Simply not showing up or not continuing to attend may result in an "F," and Financial Aid Students may need to pay back some of the financial aid moneys received.
- **Payment When Adding Classes**
When adding courses after the term begins, students will be held responsible for fees, even if they do not attend the classes for which they enroll. (Please also refer to guidelines for dropping classes to avoid fee penalties.)
- **Fines And Holds**
Library/Media: Students with overdue library materials will be charged a fine for the late return of materials. Until overdue materials are returned or their replacement cost paid, a hold will be placed on the student's record and no access to registration or records will be available.

Failure To Clear Financial Obligations

A student is responsible for paying all financial obligations at the College. The College and the District will deny further

services to a student who does not pay their fees by published deadlines.

Students with a “fees hold” cannot register for subsequent semesters, request a copy of transcripts or transfer I-20 records.

OFFICIAL WITHDRAWAL FROM COLLEGE

Withdrawal - New Proposed Changes to Title V Section 55024

Section 55024 authorizes districts to establish policies on withdrawal and describes requirements on limiting the number of times a student could withdraw, receive a “W,” and re-enroll in a course to no more than four “Ws” as a result of withdrawal from the same credit course. Districts are allowed to adopt more restrictive policies or to adopt policies permitting additional withdrawals based on a petition from the student demonstrating that the need for withdrawal is due to extenuating circumstances. Although the San Jose Evergreen Community College District has not officially adopted the regulation as a formal board policy, it is likely to become effective in late July of 2009. This notation is being made as an information item only.

Withdrawal from All Classes

Students who wish to withdraw from all classes should complete an Official Withdrawal Form, complete an exit interview with a Counselor, and drop the classes in person. If the student is unable to physically be on campus, this can be done via email with the assistance of a counselor. For further information contact the Counseling Office, SSC-256, (408) 270-6475. Students who leave but do not officially drop will be given a grade of “F”.

A student leaving the college is responsible for paying all college related debts. Students with balances due will not be able to enroll, receive transcripts, or receive other services until all debts have been paid.

Students on Financial Aid who wish to withdraw from all classes must submit a Complete Withdrawal Form and complete an exit interview with the Financial Aid Director. See Return of Title IV Aid Policy section on page 24.

Military Withdrawal

Military withdrawal occurs when a student who is a member of the U.S. Military, receives orders necessitating a withdrawal from classes. Upon verification of such orders, the withdrawal symbol of “MW” shall be assigned. Military withdrawals shall not be counted in “satisfactory academic progress probation and dismissal calculations.” Further, the following courtesies are available to the student:

- Instead of a MW symbol, a student may directly petition the faculty member for an incomplete (I) grade. If granted, the student will receive an IMW. This grade will default to MW as opposed to the standard letter grades if the student fails to complete the class.
- In the case of a student who is an active or inactive member of the military services and who receives orders compelling a withdrawal from courses, the District will,

upon petition of the affected student, refund the entire enrollment fee for courses in which academic credit is not awarded.

Unofficial Withdrawal - FW

Students who withdraw without permission & without having achieved a final passing grade are subject to being assigned the withdrawal symbol of “FW” on their academic record. If applicable, the Financial Aid Office will apply the Return to Title IV funds formula.

REFUNDS: ENROLLMENT FEES, NON-RESIDENT AND FOREIGN STUDENT TUITION, HEALTH FEES

The college does not issue refunds automatically.

- Students must file written refund requests with the Office of Admissions and Records generally by the Friday of the second week of the semester. (See the Schedule of Classes for specific dates, including short-term courses and Summer/Intersession deadlines).
- The District does not carry credit balances over semesters; students who do not apply for refunds forfeit any credit balances they may have.
- Students who have paid for their courses, and then apply for and receive a fee waiver, have until the last Friday of the first month of the semester to request a refund.
- Refunds for canceled classes will be honored only if requested during the term in which the classes were canceled.

No refunds of any type will be granted until all other financial obligations to the District have been satisfied. Refund requests normally take four to six weeks after the deadline to process, and are mailed directly to the student.

There is a \$10 processing fee for all registration-associated refund requests (California Administrative Code 58508). Refunds will be made in full for the qualifying amount, minus the processing fee. Processing fees “related to refund requests are limited to enrollment fees only.” Students may choose to donate refunds to the District Foundation for student scholarships or College support. Such donations are tax deductible.

For information on textbook refunds, please refer to the CAMPUS STORE section of the College Schedule of Classes for refund policies on textbooks.

FINANCIAL AID PROGRAMS

General Information

Financial Aid at Evergreen Valley College is available from both Federal and State sources and in the following forms:

- Grants (financial aid funds that do not have to be paid back).
- Loans (borrowed funds that have to be paid back with interest).
- Job Opportunities (funds earned through work to help pay for college costs).

FEEES

Each funding source and program has its own set of eligibility criteria and regulations. The following programs are available to qualified students.

Federal Student Financial Assistance Programs

- **Federal Pell Grant:**
Pell Grants provide financial assistance to eligible part-time and full-time students and are based on a student’s enrollment and Expected Family Contribution (EFC).
- **Federal Supplemental Education Opportunity Grant (FSEOG):**
The Federal Supplemental Educational Opportunity Grant is a limited grant fund for Pell-eligible students with the lowest EFC who meet the priority filing deadlines and are enrolled at least half-time.
- **Academic Competitiveness Grant (ACG):**
The ACG is a grant program for Pell-eligible students who have completed a rigorous high school program and maintain a 3.0 G.P.A. while in college. Students cannot have attended college before.
- **Federal Stafford Loans:**
The Federal Stafford Loan program is a student loan program designed to assist students with educational expenses while attending at least half-time in an eligible program of study. Federal Stafford loans are insured by the federal government and guaranteed by EDFUND.
- **Federal Work-Study:**
Federal Work-Study is a program that provides jobs for students who demonstrate financial need and are enrolled at least half-time in an eligible program. Eligible students are placed into work-study jobs usually, on campus.
- **Student Support Services Grant (FasTrack):**
See FasTrack section of this catalog.

State Of California Financial Assistance Programs

- **Cal Grant:**
Cal Grants are state funded, need-based, cash grants given to California college students to help pay for college.
 - **Cal Grant B:**
Cal Grant B is for students who are from disadvantaged or low-income families who otherwise would not be able to pursue higher education. This grant may be used at a community college or a university for up to four years.
 - **Cal Grant C:**
Cal Grant C helps vocationally oriented students who do not plan to transfer to a university. Training must lead to a recognized occupational goal: diploma, associate degree or certificate. Cal Grant financial criteria must be met.
- **Extended Opportunity Programs and Services (EOP&S).**
- **Grants, Work-Study, and CARE.**
See the EOP&S section of this catalog.
- **Chafee Grant -** provides educational funding for current

and former foster youth.

- **Board of Governors Fee Waiver –** (See below for more information).

Eligibility Requirements For Federal And State Financial Aid

Students seeking Financial Aid should:

- Have a high school diploma or equivalent, GED, pass the Ability to Benefit (ATB) test or have completed 6 degree applicable units.
- Be enrolled in an eligible program.
- Be a U.S. citizen or eligible non-citizen.
- Demonstrate financial need.
- Register with Selective Service (males only).
- Have a valid Social Security Number.
- Not owe a repayment of a federal grant.
- Not be in default on a federal educational loan.
- Maintain satisfactory academic progress. To meet this requirement students should:
 - Maintain a minimum 2.0 GPA.
 - Not exceed 150% of the program length (for example, completing more than 90 units for a degree that requires 60 units for completion).
 - Complete a minimum number of units each term based on enrollment status. Full-time students (12+ units) must complete 10 units, 3/4-time students (9-11.5 units) must complete 7.5 units, and half-time students must complete 5 units.
- Submit all requested forms to Financial Aid Office.

2009-2010 Nine Month Student Expense Budget*		
	Living at Home w/ No Dependents	Not Living at Home
Fees**	\$596	\$596
Books/Supplies	\$1638	\$1638
Personal/Miscellaneous	\$3096	\$2826
Transportation	\$1044	\$1170
Maintenance	\$4644	\$11160
TOTAL	\$11018	\$17390

* Pro-rated for programs shorter or longer than the 9-month academic calendar.

** Fees include Enrollment fee @ \$20/unit, Health fee, and Student Representation fee.

Other factors that could affect an expense budget:

- Non-resident fee.
- Dependent care (must be documented).
- Actual out-of-pocket disability-related expenses (allowable on a case-by-case basis).
- Maintenance and personal/miscellaneous expenses are excluded from the cost of attendance in the case of a Federal Pell Grant for a less than half-time student.

Board of Governors Fee Waiver (BOGFW)

The BOGFW was designed to assist students in paying for their enrollment fees. This program is financial assistance that does not need to be repaid. You may be eligible for a fee waiver even if you are not eligible for other financial aid. The application is simple to complete. Regardless of the number of units, the enrollment fee may be waived. Applicants need to apply only once to have fees waived for the academic year, beginning in summer session. Recipients also have their college health fees waived and receive a waiver on parking fees in excess of \$20.

Eligibility

If you are a California resident, there are three ways to qualify for financial aid:

- **Method A (Requires verification documents):**
For families who are receiving TANF/Cal WORKs, SSI/SSP, or General Assistance, please complete the BOGFW application.
- **Method B – Qualification subject to meeting the income criteria (see chart below):**
Dependent students need to report only parents’ income. Income includes adjusted gross income (as reported on a federal tax return), wages not reported on a tax return, all untaxed income, cash received, or any money paid on your behalf. Please complete the BOGFW application.

2009-2010 Income Standards for BOGFW Part B Eligibility	
Family Size	2008 Income
1	\$15,600
2	\$21,000
3	\$26,400
4	\$31,800
5	\$37,200
6	\$42,600
7	\$48,000
8	\$53,400
Each additional family member	\$5,400

- **Method C – Complete the FAFSA:**
The Financial Aid Office will determine your unmet need after a valid EFC has been established. A BOGFW will be issued to anyone with at least \$1 of unmet need. Please complete the FAFSA form to apply.

Special Classifications (You must file the BOGFW application)

You have certification from the California Department of Veterans Affairs or the California National Guard Adjutant General that you are eligible for a dependent’s fee waiver.

You are eligible as a recipient of the Congressional Medal of Honor or as a child of a recipient, or as a dependent of a victim of the September 11, 2001 terrorist attack.

You are eligible as a dependent of a deceased law enforcement/fire suppression personnel killed in the line of duty.

The Financial Aid Office at Evergreen Valley College welcomes all students who are interested in applying for financial aid. For applications and detailed information please visit the Financial Aid Office (SSC 123), or our website at www.evc.edu/fao. You may also contact the office by phone at (408) 270-6460, or by email: evcfa@evc.edu.

RETURN TO TITLE IV AID POLICY

Students who receive Federal Student Aid and who withdraw from all classes before the 61% point of the semester may be responsible for returning grant and/or loan funds received through Federal Student Aid Programs. These students are subject to the “Return to Title IV Aid Policy” as prescribed by the U.S. Congress. This policy mandates a calculation to determine whether the student earned the funds received and whether the institution earned the enrollment fees assessed to the student, based on the withdrawal date. Both the student and the institution are responsible for returning a portion of the federal funds disbursed. The student must repay all unearned Federal Funds. Students who receive all FW, and/or NP grades will be considered an unofficial withdrawal at the 50% point of the semester. Some students who withdraw from all classes may be eligible for a post withdrawal disbursement depending on the amount of funds received. For more information, contact the Office of Financial Aid at (408) 270-6460.

CHAPTER 3: GRADUATION/TRANSFER/GENERAL EDUCATION

IN THIS CHAPTER:

- Associate Degree

- IGETC - General Education Pattern for EVC

Evergreen Valley College is authorized by the Board of Governors of the California Community Colleges to grant the Associate in Arts (A.A.) and Associate in Science (A.S.) degrees. Upon recommendation by the faculty of Evergreen Valley College, the Board of Trustees of the San José/ Evergreen Community College District will grant the Associate in Arts (A.A.) or Associate in Science (A.S.) degrees to those students who complete all requirements for graduation.

ASSOCIATE DEGREE

The Associate in Arts (AA) and Associate in Science (AS) Degrees are offered to meet the needs of three groups of students:

1. Students who seek general knowledge.
2. Students wanting to prepare for employment after the equivalent of two years of college training.
3. Students who plan to transfer to a four-year institution and earn a baccalaureate degree (BA or BS).

Within each AA and AS degree, there is a required general education component (see pages 27 and 28). General Education courses are grouped into several broad areas and are designed to cultivate intellect and imagination and to broaden awareness of the relationship and interdependence of ideas and disciplines, while requiring additional courses to provide the necessary foundation for specialized fields of study related to a chosen degree.

A student may qualify for and be awarded an unlimited number of degrees but will be awarded only one degree per semester. When applying for the Associate in Arts or Associate in Science degree, students may meet the graduation requirements in any Evergreen Valley College catalog under which they are enrolled at Evergreen Valley College, provided that the catalog is not more than seven years old. Written appeal of the seven-year rule may be made at the Office of Admissions and Records. Students who do not wish to pursue a degree objective may select any courses that are of interest to them and for which they are qualified.

CERTIFICATES

Certificates will be awarded to qualified students in designated occupational programs. The College will specify the standards to be met and the courses required for each certificate. Students may submit requests for certificates during the first six weeks of the last semester in the prescribed sequence of courses. Requests should be presented to the Office of Admissions and Records.

Evergreen Valley College offers three types of certificates.

- Certificate of Achievement (12 units or more).
- Certificate of Specialization (0.5–11.5 units).
- Certificates of Course Completion may be issued to students upon completion of a course with a grade of “C” or above.

Grades earned in nondegree applicable courses do not count in their GPA used in relationship to an A.A. or A.S. degree.

GRADUATION REQUIREMENTS FOR A.A. AND A.S. DEGREES

To be awarded the Associate Degree from San José City College or Evergreen Valley College, all students, regardless of intent to transfer or not, shall complete a minimum of 60 units of instruction with an average grade of at least “C” (2.0 grade point average) in all units attempted in a curriculum which the college accepts toward a degree, and complete the following minimum requirements:

1. A major consisting of a minimum of 18 semester units in a specialized or related field of study. The major may be in a special field OR a general studies area.
2. A general education pattern that shall include:

		Associate in Science Degree	Associate in Arts Degree
CONTENT AREA		(Units)	(Units)
A. English Communication			
Written Communication	List ¹	3	3
Oral Communication	List	3	3
Critical Thinking	List	0	0 to 3

“List” means that the college will publish a list of courses approved by the colleges’ curriculum committees for a particular area or degree.

List¹ Area A. Written Communication List – English 1 A

List² Area D. Social Science List – History 17 A and History 17 B OR History 1 and Political Science 1

A minimum of 3 units is required in the Sciences area for the A.S. degree and 6 units for the A.A. degree. One course with laboratory activity must be included in this area. Students

completing majors requiring 10 or more science units will have satisfied this requirement.

3. Cultural Pluralism/Ethnic Studies
Three units may be taken in either the Arts and Humanities area OR the Social and Behavioral Sciences area for the A.A. or the A.S. degree.

Note: Students graduating in Spring 1998 or thereafter have the Area C option to take an Arts and a Humanities course without being required to take Humanities 001 specifically. EVC and SJCC students graduating in Spring 1999 or thereafter are able to take a cultural pluralism/ethnic studies class in either Area C or Area D for both the A.A. and the A.S. degree.
4. The Area E requirement may be met by any 3-unit course approved for use within Area E.
5. Within Requirements I and II, courses may satisfy only one graduation requirement except for Cultural Pluralism and courses required in the major, which also fulfill general education requirements.
6. Competency in reading, written expression, and mathematics to be demonstrated by satisfactory completion of the following:
 - a. Reading
ENGL 001 A, English Composition
 - b. Written expression
ENGL 001 A, English Composition
 - c. Mathematics
A.S. Degree –
MATH 013 **OR**
equivalent Math Course **OR**
Intermediate Algebra competency exam
A.A. Degree –
College-level Math course, with Math 013 as prerequisite
If a student uses an approved or equivalent course to fulfill the competency requirement in reading, written expression, or Mathematics, a grade of “C” or better must be earned in that course.
7. Elective, major, and general education—Applicable courses to total at least 60 units.
8. Residency requirement:
 - a. Prior to the fulfillment of graduation requirements, **no less than 12 units must have been earned within the District and no less than 6 of these units must have been earned at the college awarding the degree.** An exception to this policy will be granted when the colleges jointly offer a program for which only one college has been approved.
 - b. A minimum of two advanced courses (no less than 6 units) must have been completed in the major at the college awarding the degree. A major department may grant an exception to this requirement when able to verify competency equivalent to this requirement.
9. Physical Activity
A minimum of 1 unit of physical activity must be taken unless the student is exempted by a doctor’s excuse or prior military credit.

GENERAL EDUCATION REQUIREMENTS – ASSOCIATE IN SCIENCE

GENERAL EDUCATION RECIPROCITY

The San José/Evergreen Community College District has entered into a mutual agreement with nine other Community Colleges to accept the General Education of these colleges “as completed.” In addition to Evergreen Valley College, participating institutions include Chabot, De Anza, Foothill, Gavilan, Las Positas, Mission, Ohlone, San José City, and West Valley colleges.

Students who obtain a “Certification of Completion of Associate Degree General Education” at any one of the participating colleges will have both their General Education course work and graduation proficiencies accepted “as completed” at any of the participating campuses. No additional course work will be required if the certification is officially presented. Students will still be required to complete all major courses and prerequisites needed for a degree.

The process for obtaining a Certification of Completion of EVC’s General Education is the following:

1. Student works with a counselor and requests General Education Certifications from the Office of Admissions and Records.
2. Official reciprocity certification will be completed by the counselor, verified by the evaluations specialist, and mailed to the community college of transfer. Student will be given a copy of the certification.
3. If transcripts are to be used from other colleges, official copies must be on file with the Office of Admissions and Records.
4. Evergreen Valley College will honor the certification presented from the participating college only if it is transmitted in the same manner as an official transcript. Student copies will not be honored.

Please note that only community colleges listed above participate in the agreement at this time, and these agreements are subject to change. Check with a counselor by calling 408-270-6475 or visiting the counseling office at SC-230A for a counseling appointment.

CERTIFICATION OF GENERAL EDUCATION FOR STATE UNIVERSITIES AND COLLEGES

Since the Fall of 1981, all entering students or students who have not been enrolled in a college at least one semester in each academic year must satisfy the current pattern of General Education requirements to graduate from any of the campuses of the California State University System (San José State, Hayward State, San Francisco State, Chico State, Humboldt State, Sacramento State, Cal Poly, etc.).

Students attending the San José/Evergreen Community College District may satisfy the lower division General Education requirements by meeting the requirements shown in each area and requesting a certification of completion when transferring to a CSU campus.

CSU GENERAL EDUCATION PROGRAM

The General Education Program encourages noteworthy progress toward becoming a truly educated person through a breadth of study in major fields of knowledge; to have gained

an understanding of principles, methodologies, thought processes, and value systems employed in understanding ourselves and our world; to communicate orally and in writing; to listen and read carefully; to understand and perform quantitative functions; to think clearly and logically; to know how to locate and critically examine information; to become more knowledgeable concerning cultural endeavors and legacies of civilization; and to become more aesthetically appreciative and aware. Many college graduates have indicated, in follow-up surveys, that the General Education part of their college degree was, over the long term, the most meaningful and valuable part of their college education.

The General Education Program requires a minimum of 48 units, 39 of which may be taken in lower division (at Freshman and Sophomore levels); the remaining units must be taken at a campus that grants the Bachelor’s Degree.

Responsibility for fulfilling all lower division requirements varies considerably from college to college; it is essential that, early in their planning, students consult the current catalog of the institution to which they intend to transfer. Catalogs of the major universities and colleges are available for reference use in the Library, the Transfer/ Career Center, and the counselors’ offices.

CERTIFICATION LIST FOR THE CSU SYSTEM GENERAL EDUCATION REQUIREMENTS

General Education Breadth Requirements are designed so that, taken with the major and electives, they will assure that graduates have made noteworthy progress toward becoming truly educated persons. Particularly, the purpose of these requirements is to ensure that graduates have:

- Knowledge of Human Cultures and the Physical and Natural World
- Intellectual and Practical Skills
- Personal and Social Responsibility
- Integrative Learning

The preceding paragraphs are an excerpt from Executive Order No. 1033, Office of the Chancellor, the California State University and Colleges, Certification of General Education Breadth Requirements by regionally accredited institutions.

This Executive Order supersedes Executive Order No. 595 and is issued pursuant to Title 5, California Code of Regulations, Sections 40402.1, 40403, 40405, 40405.1, 40405.2, 40405.4, and 40508, and Sections 1 and 2 of Chapter III of the Standing Orders of the Board of Trustees of the California State University.

The requirements, policies, and procedures adopted pursuant to this Executive Order shall apply to students enrolling in fall 2008 and subsequent terms who have not previously been enrolled continuously at a campus of the CSU or the California Community Colleges and who have not satisfied lower division general education requirements according to the provisions of Sections 40405.2 or 40405.3 of Title 5.

When a course is approved for more than one area, it may be counted toward only one of the areas. A course may count only once. Evergreen Valley College may certify a maximum of 39 units toward the total general education units required at a CSU campus. A minimum total of 48 units will be required by

CSU, 9 units of which must be taken in the upper division.

Up to 6 semester units taken to meet the United States History, Constitution, and American Ideals Requirement (Title 5 of the California Code of Regulations, Section 40404) may be credited toward satisfying General Education Breadth Requirements at the option of the campus.

TRANSFER/ADMISSION TO THE CALIFORNIA STATE UNIVERSITY SYSTEM

Students who plan to meet the upper division transfer requirements to the California State University (CSU) must complete at least 60 transferable units with a cumulative 2.0 or higher grade point average (GPA) in all transferable courses and satisfy minimum admission requirements.

Lower Division Transfer

Students who were eligible for admission to a CSU as a freshman when they graduated from high school, may apply for transfer admission before completing 60 transferable units. Such students must maintain a 2.0 or higher grade point average for all transferable course work completed at the community college attended and satisfy minimum admission requirements for first-time freshmen. High school eligibility is based on test scores, SAT or ACT, grade point average, and completion of specific subjects. Consulting with a counselor can help students decide on the best transfer plan.

Upper Division Transfer

Students who have completed a minimum of 60 transferable units with a 2.0 or higher grade point average in all transferable course work are eligible to transfer. The 60 transferable units must include at least 30 units of General Education and one course each from A1, A2, A3, and B4 of the General Education Pattern. Discuss your transfer goals with your counselor and ask about the Transfer Admission Agreement (TAA) and the required criteria. Careful planning with a counselor will enhance your transferability to the University as a junior and see that you meet the TAA criteria for your major. While we encourage students to arrange for a TAA if possible, an agreement is not required for transfer admission.

Major Requirements

Students are strongly encouraged to complete as many lower division major preparatory requirements as possible prior to transfer. Grade point average requirements are higher for more competitive campuses or majors. A maximum of 70 transferable semester units in a community college may be applied to the baccalaureate degree. Courses above 70 units not meeting general education or major requirements may be accepted as electives.

Individual colleges may require supplemental preparation that must be met prior to transfer. Students planning to transfer from Evergreen Valley College to a California State University should plan to take both general education and major courses of the college to which they plan to transfer. It is advisable to meet with your counselor once a semester.

Students should consult the current catalog of the institution to which they intend to transfer for specific details. Catalogs of major universities and colleges are available for reference use in the Library and the Transfer/Career Center. Information

about transfer to various institutions is also available online from www.csumentor.edu and www.assist.org.

The San José State University transfer major sheets are currently available through counselors, in the Office of Counseling and Matriculation. For more information, call (408) 270-6474 or (408) 270-6475 or the Transfer Center at (408) 274-7900 X6620. The major sheets specify only the lower division transfer requirements, which may not fulfill graduation major requirements of Evergreen Valley College in that particular major.

Transfer Admission Agreements (TAA)

A TAA is a written agreement that outlines the courses you must complete before transferring, the grade point average you must earn, and lists specific requirements for selective majors. Complete a Transfer Admission Agreement (TAA) and you will be given first consideration for admission to selected colleges and universities. Work with a counselor to develop a TAA and to ensure you complete required general education and major courses and meet the minimum GPA.

A TAA is written after you complete at least 30 semester units of transferable course work. Agreements are written approximately one year before you transfer, except for private colleges. TAA's are accepted in the fall term at most four year institutions. While we encourage students to arrange for a TAA if possible, an agreement is not required for transfer admission. Consult your counselor or the Transfer Center for deadlines for TAA's. Check with the Transfer Center at (408) 274-7900 X6620 or the EVC website for the latest list of TAA institutions.

The following institutions offer Transfer Admission Agreements for EVC Students: San José State University, San Francisco State University, CSU Monterey Bay, Cal State East Bay, Sonoma State University, Menlo College, National Hispanic University, University of San Francisco, Santa Clara University, and Universities of California Davis, Irvine, Santa Barbara, Riverside, and Santa Cruz along with our latest, Hawaii Pacific University. Application filing periods: CSU's: Fall Oct 1 – Nov 30, Winter June 1 – 30, Spring Aug 1 – 31, Summer Feb 1 – 28. UC's: Fall Nov 1 – 30, Winter July 1 – 31, Spring Oct 1 – 31 All campuses accept students for fall admission, many do not accept for spring, winter or summer. Consult a counselor or the campus website for details about a specific campus. Apply at www.csumentor.edu for CSU's and www.universityofcalifornia.edu for UC's. You must complete an application along with the TAA to the institutions of your choice.

Students should plan to meet with a counselor as early as possible in order to develop an effective educational plan. All EVC Counselors can write TAA's and communicate the transfer eligibility requirement to specific CSU's and UC's.

TRANSFER/ADMISSION TO THE UNIVERSITY OF CALIFORNIA – ALL CAMPUSES

Students who plan to transfer to the University of California should plan their program at Evergreen Valley College to include the required freshman and sophomore (lower division) courses of their major or college within the University. Specific details regarding breadth and major requirements of the University are outlined in the general catalog and in other publications from the University.

University of California (UC) College Catalogs and other UC publications are available for reference use in the Library, the Transfer Career Center, and in the Office of Counseling and Matriculation. Students are encouraged to consult a counselor for help in using these materials to ensure that their choice of courses at the community college will fulfill both major and breadth requirements for the campus to which they plan to transfer. The requirements for admission in advanced standing vary according to the high school record. Students who have completed less than 12 quarter or semester units of transferable college credit since high school graduation must also satisfy high school subjects and the examination requirement for freshman applicants. Each applicant must present from the last accredited college or university attended a statement of good standing and an academic record with a grade point average of 2.4 or above on courses transferable to UC.

Students who have attended any college, other than a summer session following immediately after graduation, are considered by the University of California to be advanced standing applicants, and must meet one of the following conditions:

1. If you were eligible for admission to the University as a freshman, you may be admitted in advanced standing if you have established an overall grade point average of 2.0 or better in transferable college work.
2. If you were not eligible for admission as a freshman only because you had not studied one or more of the required high school subjects, you may be admitted after you have:
 - a. Established an overall grade-point average of 2.0 or better in another college or university.
 - b. Completed, with a grade of C or better, appropriate college courses in the high school subjects that you lacked.
 - c. Completed 12 or more quarter or semester units of transferable college credit since high school graduation or successfully passed the CEEB tests required of freshman applicants.
3. If you were not eligible for admission as a freshman because of low scholarship or a combination of low scholarship and a lack of required subjects, you may be admitted after you have:
 - a. Established an overall grade point average of 2.4 or better in another college or university in courses transferable to the University.
 - b. Completed, with a grade of C or better, appropriate college courses in high school subjects that you lacked. Up to 2 units (a unit is equal to a year's course) of credit may be waived for University admission.

- c. Completed 60 semester units of college credit in courses accepted by the University for transfer.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

The Intersegmental Committee of the Academic Senates have approved a series of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus. The series of courses, known as IGETC, provide an option to the California State University General Education Requirements and replace the University of California Transfer Core Curriculum.

The IGETC permits a student to transfer from a community college to a campus in either the CSU or UC system without the need, after transfer, to take additional lower division general education courses to satisfy campus General Education requirements.

Completion of the IGETC is not a requirement for transfer to a CSU or UC campus, nor is it the only way to fulfill the lower division general education requirements of the CSU or UC systems prior to transfer. Students may find it advantageous to take courses fulfilling CSU's general education requirements or those of a particular UC campus.

In order to be accepted by CSU and UC, all course work applicable to the IGETC must be completed and certified. Courses may be certified in only one area. In addition to the course requirements for each subject area, full certification for the CSU must include completion of the Oral Communication requirement. For the UC, Oral Communication is not required but the certification must include satisfaction of the foreign language proficiency requirement. In order for the IGETC to be honored by the UC or CSU, each course certified must have a minimum grade of "C".

Ordinarily, students who choose the IGETC option must complete it entirely prior to transfer or be subject to the lower division general education requirements of the campus or college to which they transfer.

However, beginning with the 1999-2000 academic year, the Board of Governors adapted the IGETC After Transfer Policy. This policy provides students with a demonstrated need the opportunity to complete one or two IGETC courses after transferring to UC or CSU, providing that they are not courses required for admission (Areas 1 and 2, English Communication and Math). To be eligible for completion of IGETC After Transfer, the reason must involve a good cause such as illness, unavailable or cancelled course, military service, or unexpected hardship such as family or employment problems in the final term before transfer. Students requesting to complete IGETC After Transfer must fill out the petition for Eligibility to Complete IGETC After Transfer, which is available in the Counseling Office. The completed petition is to be returned to the Counseling Office. The College's designated counselor will review the petition for good cause and notify the student of the decision. A student with an approved petition has one calendar year to complete the missing courses. If a petition is denied, the student may appeal the decision to the Dean of Counseling and Matriculation.

IGETC – GENERAL EDUCATION PATTERN FOR EVC

The Intersegmental General Education Transfer Curriculum (IGETC), originally implemented in Fall 1991, is a series of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus. All coursework applicable to IGETC must be completed and certified in order to be accepted by the CSU or UC. Each course certified must have a minimum of “C” grade.

COMPUTER AND INFORMATION TECHNOLOGY

The Computer and Information Technology Program offers an Associate in Science Degree. This curriculum is supported by a solid foundation of core courses that focus on problem solving and communication skills for Information Technology professionals involved in computer network environments.

The degree program was developed in partnership with the National Science Foundation, Sun Microsystems, Oracle Corporation, Workforce Silicon Valley and an advisory board of members drawn from business and industry, academia and

government.

The A.S. degree will be awarded to students who complete 18 units of the core course requirements in the major, 12 additional units of CIT courses, 6 units of approved electives, and 24 units of General Education. It is strongly recommended that students complete at least 12 units in an area of specialization. Additional units (if required to complete 60 units) may be chosen from any associate degree applicable courses. The degree will be awarded to those who complete all the units listed under a Certificate of Specialization with a “C” or better.

ENGINEERING

Evergreen Valley College offers a two-year lower division Engineering Program which allows students to transfer to any four-year California College or University offering degree in Engineering. The lower division Engineering Core Courses recommended by the Engineering Liaison Committee of the State of California have been coordinated between community colleges and the four-year colleges and universities throughout California.

The Associate in Arts and the Associate in Science Degrees are available for Engineering students. The Engineering Degree Programs consist of the Engineering Core courses plus General Education courses which satisfy graduation requirements. Students wishing to transfer to a four-year institution in a branch of engineering, but do not wish to obtain an Associate Degree must complete the Engineering Core courses and obtain a Verification of Completion Form from the office of Admissions & Records before transferring. It is recommended that students complete as much of their General Education requirements as possible. To facilitate the application process to four-year institutions, students should request a Verification of Completion Form from the Office of Admissions and Records for verification of completion of the lower division Engineering Core courses.

ENGLISH

Students considering careers in advertising, communication, film writing, electronic and printing journalism, library science, public relations, publishing and editing, or teaching find the English major and ideal academic preparation for entry into these professions. In addition, the English major readies students for graduate programs, including communication, history, law, and medicine. A grade of "C" or better in each major course and elective course is required for this degree.

GENERAL STUDIES WITH EMPHASIS IN ASTRONOMY

The AA Degree in General Studies with Emphasis in Astronomy provides a lower division science foundation for those interested in the field of astronomy. Astronomy amateurs, planetarium operator, science teachers, and future astronomy baccalaureate majors are potential students in this program. It incorporates courses in physics, requiring familiarity with the laws of physics to describe and predict astronomical events. The program outlines a course of study that emphasizes breadth in the physical sciences. This program also provides a good focus for students interested in obtaining a credential in elementary science education. Students must complete each required area of emphasis course with a grade of "C" or better.

GENERAL STUDIES WITH EMPHASIS IN SOCIOLOGY

The Associate of Arts Degree in General Studies with Emphasis in Sociology is designed to provide students with an opportunity to study a broad range of topics within Sociology and related courses. Issues of Diversity, Equality, and Social Justice are core to this area of emphasis. While the courses that comprise this degree are all transferable, students who intend to transfer should consult a counselor for information as to the requirements for their intended baccalaureate major.

Note: Many CSUs have unique admissions and preparation-for-the-major requirements beyond minimum requirements. Students should consult the specific university catalog and website, www.assist.org, and an Evergreen Counselor for further information and assistance.

Students wishing to earn an Associate of Arts Degree in General Studies with Emphasis in Sociology must complete each required area of emphasis course with a grade of "C" or better.

LAW ENFORCEMENT/POLICE ACADEMY

The Evergreen Valley College Police Academy Law Enforcement program is designed for individuals who wish to pursue a career in Law Enforcement. This program is certified by the Peace Officer Standards of Training to meet the statutory basic training requirement. The program requires both academic and physical skills as well as a significant commitment in time and dedication. Evergreen Valley College is a member of the South Bay Regional Public Safety Training Consortium. The consortium is funded by all colleges regionally to provide vocational specific training which may require special facilities, special training conditions or is presented outside of the regular schedule of college classes. The application and registering process is completed at the South Bay Regional Public Safety Training Consortium Center located near the Evergreen Valley College campus. Students have a choice of the 880 hour intensive format or the 920 hour modular format. Students will learn and perform the necessary academic and skill functions of a Peace Officer at the accepted proficiency level.

LIBERAL STUDIES WITH EMPHASIS IN ELEMENTARY TEACHER PREPARATION

This AA Degree is designed primarily for students interested in teaching in elementary or middle school and transferring to SJSU. Alternatively, the AA Degree can be used for students wishing to transfer with a broad background in liberal education. Preparation for this degree includes 39 units of general education requirements.

Students who choose Liberal Studies will meet *minimum* CSU transfer admission requirements, fulfill all lower division CSU GE, prepare for the baccalaureate major, and meet Evergreen Valley College's Associate in Arts Degree requirements. Students planning to transfer should meet with an Evergreen counselor to develop an educational plan.

Note: Many CSUs have unique admissions and preparation-for-the-major requirements beyond minimum requirements. Students should consult the specific university catalog and website, www.assist.org.

Students wishing to earn an Associate in Arts Degree in Liberal Studies with Emphasis in Elementary Teaching Preparation must complete each required area of emphasis course with a grade of "C" or better.

NURSING

The San José/Evergreen Community College District Governing Board approves the Nursing Program. The California State Board of Registered Nursing (1625 North Market Boulevard, Suite N217, Sacramento, California, 95834; telephone: 916-322-3350; web site: www.rm.ca.gov), approves the Nursing Program and the National League for Nursing Accrediting Commission (61 Broadway, New York, New York 10006; telephone: 1-800-669-1656 extension 153; web site: www.nlnac.org) accredits the Nursing Program. Graduates of the program are eligible to apply to take the National Council's Licensing Examination for Registered Nurses (NCLEX-RN). Nursing students have the same responsibilities and privileges as other college students. The Nursing Program encourages male and female students from culturally diverse backgrounds to become eligible and apply for admission. Students are admitted annually with 50.0% enrolled fall semester and 50.0% enrolled spring semester.

Once admitted, the program is a full-time course of study that can be completed in two academic years. In the clinical education component, principles derived from academic study are applied to clinical nursing practice. Students are placed in local acute care hospital settings and community health care agency settings.

Nursing Program Information Workshops, conducted throughout the school year, provide additional information about the Nursing Program and selection procedure. For more information regarding the nursing program, contact the Nursing Program Office at (408) 270-6448 (Sequoia S207) or access the Evergreen Valley College web site: www.evc.edu (Quick Link to Nursing).

The San José/Evergreen Community College District reserves the right to add, amend or repeal any of the rules, regulations, policies and procedures consistent with applicable laws.

Program Purpose

The Evergreen Valley College Nursing Program provides an optimal learning environment that will enable the culturally diverse learner to begin the process of life-long learning as a registered nurse. By earning an associate of science degree in nursing, program graduates are eligible to apply to take the NCLEX-RN, and are prepared for entry-level practice into the profession of nursing.

Program Philosophy

Nursing faculty concur with the mission, vision and values of Evergreen Valley College and share in the responsibility of the total educational program. Within this framework, nursing faculty have defined a unique program philosophy.

Faculty value each person as distinct individuals with rich cultural experiences and a unique potential for growth.

Faculty believe that the environment is a dynamic state where multi-faceted life experiences occur.

Faculty believe that health is an individual's perception of his/her well being and their ability to engage in life experiences. They believe that health is an evolving state that occurs on a health-illness continuum.

Faculty define nursing according to Nursing's Social Policy Statement as: "The protection, promotion, and optimization of health and abilities, prevention of illness and injury, alleviation of suffering through the diagnosis and treatment of human response, and advocacy in the care of individuals, families, communities and populations" (American Nurses Association, 2003). In addition, faculty believe that nursing is a dynamic, collaborative process based on principles from the biological, physical and behavioral sciences which focuses on the diagnosis and treatment of actual or potential health problems.

Faculty believe that nursing supports human responses to health and illness by providing caring interventions that facilitate the client's ability to achieve optimal quality of life or to die in comfort with dignity. Nurses engage in lifelong learning that utilizes critical thinking to support and advocate for culturally sensitive care within a community.

Faculty define learning as an interactive, meaningful process that integrates visual, auditory and kinesthetic learning styles. The goal of learning is to become a faster, independent, creative, critical thinker. This is best achieved when the reflective learner develops reasoning abilities through self-assessment and self-awareness. Faculty believe in the capacity of the individual to learn, grow and change in a culturally diverse environment.

Support for student success in learning starts at the college level with a strong foundation in liberal arts and sciences. Faculty enhance student success by building on general education principles and empowering students in an environment where faculty function as teachers, mentors and supervisors.

Conceptual Framework

The unifying curriculum theme is an adaptation of the "Client Needs Model," a comprehensive framework for identifying nursing actions and competencies necessary for client care in a variety of settings and throughout the life span. This model relies on meta-paradigm beliefs about the person, environment, health and nursing as outlined in the program's philosophy.

The client, defined as an individual, family, group or community, is the primary focus of care. Client needs for care are organized around five (5) key concepts: a) Safe and Effective Care Environment; b) Health Promotion and Maintenance; c) Physiological Integrity; d) Psychosocial Integrity and, e) Professional Role of the Nurse. These five (5) concepts form the foundation for the program's student learning outcomes that culminate in the achievement of program outcomes. Critical thinking, nursing process, cultural sensitivity and caring are the processes that integrate the key concepts throughout the curriculum.

Program Outcomes

At the completion of the Nursing Program, the graduate competently performs in the following areas.

- a. Safe and Effective Care Environment
The graduate will:
 - i. Implement nursing care based on the nursing process to meet client needs throughout the life span in a variety of settings.
 - ii. Facilitate achievement of optimal client outcomes, through advocacy and delegation, by directing client care throughout the life span in a variety of settings.
- b. Health Promotion and Maintenance
The graduate will:
 - i. Act as a client advocate to promote access and enhance quality of care throughout the life span in a variety of settings.
 - ii. Utilize teaching/learning principles to promote optimal health throughout the life span in a variety of settings.
- c. Psychosocial Integrity
The graduate will:
 - i. Utilize therapeutic communication when providing client care throughout the life span in a variety of settings.
 - ii. Incorporate cultural sensitivity when providing client care throughout the life span in a variety of settings.
 - iii. Implement caring behaviors that support mental, emotional and social well-being of the client throughout the life span in a variety of settings.
- d. Physiological Integrity
The graduate will:
 - i. Prioritize nursing care utilizing critical thinking skills based upon knowledge of biological sciences,

pathophysiology, nutrition, pharmacology and growth and development to achieve maximum physiological integrity and reduce the risk potential for the client.

e. Professional Role of the Nurse

The graduate will:

- i. Utilize leadership and management principles, as a member of the health care team, in providing and delegating the delivery of client care.
- ii. Demonstrate accountability for providing and evaluating nursing care that adheres to professional standards and incorporates legal and ethical responsibilities of the nurse.
- iii. Demonstrate autonomy in recognizing one's own need for life-long learning, personal transformation and professional growth.

Summary Statement

Graduates of the Evergreen Valley College Associate of Science Degree Nursing Program function in the common domain of nursing practice after licensure. Completing program outcomes will enable graduates, following registered nurse licensure, to give direct patient care in collaboration with other health care professionals, and to perform independent, dependent and interdependent nursing interventions. Graduates are prepared and empowered to practice successfully within the rapidly changing health care systems of a multicultural society. Faculty recognize the role of the nurse is changing due to influences internal and external to the nursing profession. Therefore, graduates will continue learning through the process of experience and ongoing continuing education.

Application Procedure

Students must submit the following information between **October 1st and October 31st**:

1. If you are not currently a student at either San José City College or Evergreen Valley College, you must submit a completed application for Evergreen Valley College to the Office of Admissions and Records. College applications are obtained from the Office of Admissions and Records or the college's web site: www.evc.edu.
2. Submit official transcripts from ALL colleges previously attended, and proof of high school graduation to the Office of Admissions and Records. Do not submit this information to the Nursing Program Office.
3. Results of College Reading Competency Testing or the equivalent must be on file (per Counselor's recommendation).
4. Submit a completed nursing application to the Nursing Program Office (Sequoia S207) by the application deadline (applications are available from October 1 – October 31). This application is the only document submitted to the Nursing Program Office. All other required information is submitted to the Office of Admissions and Records. Nursing Program applications may be obtained from the Nursing Program Office (Sequoia S207) or by accessing the Evergreen Valley College web site: www.evc.edu.

Eligibility Criteria for the Nursing Program (All prerequisite coursework must be completed prior to applying)

NOTE: The Nursing Program is implementing the ATI Test for Essential Academic Skills (TEAS) to determine overall scholastic readiness prior to enrollment in the Nursing Program. Eligible students are required to meet the designated individual cut score (72%). For more information regarding the TEAS visit <http://www.atitesting.com/global/students/student-roadmap.aspx>

- a. High School Graduation or Equivalent
- b. Human Anatomy with Lab* (Minimum 4.0 Units)
Note: Applicants with Combined Anatomy and Physiology must also have Human Physiology with Lab * Minimum 4 semester units within 5 years.
Beginning Fall 2010, combined A&P will no longer meet the requirement for Anatomy

- i. Cumulative GPA of 2.5 or Higher

If there are more qualified applicants than spaces available, selection will be as follows:

- Students who have met the eligibility requirements are put into the State Chancellor's Office validated "Model Prerequisites for Enrollment in ADN Programs" formula.
- This formula includes cumulative GPA (all colleges attended), prerequisite science GPA, science repeats (a Withdrawal, D or F will count as repetitions), and English 1A GPA. The formula generates a composite score (cut score), which will be utilized in the selection process.
 - Students who meet the EVC designated cut score, 68%, are randomly selected to take the TEAS test. The TEAS score requirement is 72% (adjusted composite score).
 - Pass TEAS→ admitted to program
 - Not Pass TEAS→ Remediation/Enrichment
 - One year to complete plan successfully (including passing score on the TEAS)
 - Admit students in the next possible enrollment cycle

For information on the TEAS, please visit <http://www.atitesting.com/global/students/teas-faq.aspx>

Entrance Requirements

Students must submit a record of:

1. Basic Cardiac Life Support (BCLS) for health care providers through the American Heart Association (CPR:cardiopulmonary-resuscitation).
2. Physical Examination with clearance of essential capabilities (including the ability to lift and carry 50lbs, push/pull 100 lbs, bend/stoop/squat/crawl)
3. Immunization Record including TB clearance (2-step TB followed by annual TB test)
4. Criminal Background Check (see policy for student)

background checks and urine drug screening)

5. Urine Drug Screening (see policy for student background checks and urine drug screening)
6. All records must be submitted by the stated due date.

Tuition Fees

Resident students pay California Community College enrollment fees each semester (approximately \$1,000 dollars both years). Non-resident students pay enrollment fees as established by the District.

Approximate Costs Related To The Program

1. Uniforms, laboratory coat, shoes, books, syllabi and miscellaneous supplies: approximately \$1,200.00 total both years.
2. CPR training approximately \$35.00.
3. Physical exam and immunizations, variable costs.
4. Student supply kits \$65.
5. Annual Mask Fitting \$25.
6. Background check/Drug screening \$68.

Students are responsible for their own meals, housing and transportation to campus and assigned clinical agencies. For students who qualify for financial aid, financial aid and loan applications are available at the Financial Aid Office.

Material Fees

Arm Patches: \$2.00 Each
 Material Fees: Approximately \$80.00 - \$110.00 per semester

Program Enrollment And Progression

Enrollment in nursing courses is limited to students who have been admitted to the Nursing Program. Once enrolled, students must complete each course in the nursing program with a grade of "C" or higher to progress through the program.

Definition Of A College Unit

The Nursing Program abides by the college definition of a "unit." This definition is: "A unit is defined as the course credit equal to approximately one attendance hour per week of lecture-recitation, seminar, or other approved course activity throughout a semester. A unit of credit may also be granted for approximately three (3) hours per week of laboratory (clinical). The following terms are synonymous: unit, semester unit, semester hour, credit, and credit hour."

Advanced Placement

Students with previous nursing education may apply for advanced placement. This includes both students who are transferring from other state approved pre-licensure Nursing Programs and California Licensed Vocational Nurses (LVNs). LVNs are eligible for advanced placement into the Nursing Program either as generic students or 30-Unit Option students. All advanced placement students are admitted on a space available basis, and are selected in the following order: students returning from military service; students returning to the nursing program (after one program separation); LVN advanced placement students; students transferring from another nursing program in good academic standing; foreign trained nurses needing CA BRN remediation; and students transferring from another nursing program with a failing grade.

Advanced Placement: Transfer students

Students transferring from other nursing programs who request advanced placement must meet all eligibility criteria for the Nursing Program, including achieving a qualifying score on the Test for Essential Academic Skills (TEAS). Advanced placement students must meet all nursing major requirements and general education requirements in order to receive the Associate of Science Degree in Nursing.

In order to be eligible, transfer students must:

1. Complete the "Request for Advanced Placement in Nursing:" (available at http://www.evc.edu/nursing/transfer_student.htm)
2. Provide transcripts verifying nursing coursework
3. Provide a college catalog with course description as well as course syllabi
4. Meet with the nursing counselor to determine placement

Advanced Placement: LVN To RN Bridge Program

LVNs who request advanced placement as generic students must meet all eligibility criteria for the Nursing Program. In addition they must complete the following:

1. Complete the "Request for Advanced Placement in Nursing" form during the application window of October 1- October 31 (available at http://www.evc.edu/nursing/transfer_student.htm)
2. Attend scheduled meeting with the Dean of Nursing (offered in November)
3. Completion of the Fundamentals of Nursing Final with a "C" or better (offered in December)
4. Achieve qualifying cut score on the ATI Test for Essential Academic Skills (offered in January)
5. Completion of the Role Transition Course (N005) with a "C" or better (offered in spring or summer session) Upon completing the criteria, LVNs will be randomly selected for open spaces in the third semester. LVNs admitted as generic students must meet all nursing major requirements and general education requirements in order to receive the Associate of Science Degree in Nursing.

LVN to RN Bridge Coursework

Advanced Placement: 30-unit Option For LVNs

A 30-Unit Option is available for California LVNs that fulfills the California State Board of Registered Nursing requirements. (See Section 1429 of Title 16 – California Code of Regulations Nurse Practice Act.) Courses in the 30-Unit Option are completed in addition to the courses required for Vocational Nurse Licensure. Section 1429 provides that no more than thirty (30) semester units in nursing and related science subjects can be required. LVNs choosing the 30-Unit Option are not required to meet course recency requirements or to complete college placement testing. Following completion of the designated ten (10) units of Human Physiology and General Microbiology, with a "C" or better, LVNs apply to complete the remaining twenty (20) units in the Nursing Program. LVNs choosing the 30-Unit Option must complete a form stating this intention prior to commencing coursework. 30-Unit LVNs are admitted on a space available basis only. LVNs choosing the 30-unit option must complete the following:

1. Complete the "Request for Advanced Placement in Nursing" form during the application window of October 1- October 31 (available at http://www.evc.edu/nursing/transfer_student.htm)
2. Attend scheduled meeting with the Dean of Nursing (offered in November)
3. Completion of the Fundamentals of Nursing Final with a "C" or better (offered in December)
4. Achieve qualifying cut score on the ATI Test for Essential Academic Skills (offered in January)
5. Completion of the Role Transition Course (N005) with a "C" or better (offered in spring or summer session)

Following completion of the 30-Unit Option, LVNs are eligible to apply to take the NCLEX-RN. Completing the 30-Unit Option does not constitute graduation from the Nursing Program. In addition, completing the 30-Unit Option may limit the ability to gain licensure endorsement in other states or impact employment mobility in some health care institutions.

California Code Of Regulations, Section 1444, Regarding Criminal Conviction
 In accordance with California Code of Regulations, Section 1444, a person convicted of any offense other than a minor traffic violation may not qualify to be licensed as a Registered Nurse. If there are questions regarding this matter, further information is available at the board's web site:
www.rn.ca.gov.

Policy on Admission (updated February 1, 2009)

- A. Purpose:** The policy is intended to outline the admission process into the nursing program.
- B. Process:** Evergreen Valley College Nursing Program has an application process that allows students to submit an application once all prerequisite courses have been completed. Students are admitted annually with 50% enrolled in the fall semester and 50% enrolled in the spring semester.

If there are more qualified applicants than spaces available, students who have met the eligibility requirements must:

- 1) meet a cut score of 68% on the State Chancellor's formula (Model Prerequisites for Enrollment in ADN Program)
- 2) Students who meet the EVC designated cut score, 68%, are randomly selected to take the Test for Essential Academic Skills (TEAS). The TEAS score requirement is 72% (adjusted composite score).
 - a) Pass TEAS → admitted to program
 - b) Not Pass TEAS → Remediation/Enrichment
 - i) One year to complete plan successfully (including passing score on the TEAS)
 - (1) Admit students in the next possible enrollment cycle
 - (2) If the remediation plan is not completed or the student does not pass the TEAS retake, the student must reapply to the nursing program at a later date

Upon acceptance into the Evergreen Valley College (EVC)

Nursing Program, nursing students will be required to submit the following to the EVC Nursing Program office by the designated deadline date:

1. Required immunization records and/or titers
2. Evidence of a 2-Step TB skin test result with yearly follow-ups.
3. A copy of a chest x-ray report, taken within the last 5 years, if previous positive TB skin test and letter from their physician stating the student is currently free of signs or symptoms of TB.
4. A physical examination that meet the program requirements.
5. Current CPR certification (Healthcare Provider from the American Heart Association)

Failure to comply with submitting current health records by the deadline date will result in the loss of a position in the nursing program.

“Alternate” students will be selected each academic year. If one of the accepted students does not submit current health records by the deadline date, does not show up or drops within the first 2 weeks of class, an alternate student will fill the open position. Alternates will move into open positions in the order they were selected as alternates. To maintain alternate status, students will be required to have all health forms current by the initial deadline date and will be required to attend the first 2 weeks of class each semester. If alternate students are not placed into a permanent position in the academic year they were selected as an alternate, they will be guaranteed a position in the following academic year.

Student must submit the following information between **October 1st and October 31st**:

1. If you are not currently a student at either San Jose City College or Evergreen Valley College, you must submit a completed application for Evergreen Valley College to the Office of Admissions and Records. College applications are obtained from the Office of Admissions and Records or at the college website.
2. Submit official transcripts from **ALL** colleges previously attended and proof of high school graduation to the Office of Admissions and Records. Do not submit this information to the Nursing Program Office.
3. Results of College Reading Competency Testing or the equivalent must be on file (per counselor's recommendation).
4. Submit a completed nursing application to the Nursing Program Office by the application deadline (applications are available from October 1 – October 31). This application is the only document submitted to the Nursing Program Office. All other required information is submitted to the Office of Admissions and Records. Nursing

program applications may be obtained from the Nursing Program office or by accessing the Evergreen Valley Nursing College website: www.evc.edu/nursing

C. Eligibility Criteria

1. High school graduation or equivalent
2. Human anatomy with lab with a “C” or better (minimum 4 semester units) or those with combined Anatomy & Physiology must also have Human Physiology with Lab (minimum 4 semester units within 5 years) with a grade of “C” or higher
3. Physiology with lab with a “C” or better (minimum 4 semester units, within 5 years)
4. Microbiology with lab “with a “C” or better (minimum 4 semester units)
5. English 001A with a “C” or higher
6. Reading: Demonstrate college-level reading skills on district assessment test or complete English 102 or equivalent “with a “C” or higher
7. Cumulative GPA 2.5 or higher

Policy For Impaired Nursing Students (Emotional Illness And Substance Abuse)

A. Purpose

Recognize inappropriate behaviors and performance, which may be attributed to substance abuse and/or emotional illness.

B. Applicability

Students seeking enrollment or currently enrolled in Evergreen Valley College Nursing Program.

C. Impaired Nursing Student Statement

Client safety is an overriding principle in the delivery of health care. For the health care professional to provide safe care, the health care professional must be able to make sound judgments. Thought processes and decision making can be adversely affected by excessive stress, and poor mental health and substance abuse. Impaired by the aforementioned factors, the health care professional can easily make unsafe decisions and thereby jeopardize client safety.

As health care professionals, we recognize that excessive stress, poor emotional and physical health and substance abuse are conditions that can be treated by early recognition and rehabilitation. Rehabilitated students are encouraged to re-enter the education process for successful completion of a health care program.

The student whose thought processes and decision-making ability is impaired by excessive stress, and/or poor emotional health and/or the abuse of substances will be considered to be unsafe to provide health care services and will be removed from the clinical setting. The student’ performance will be subject to faculty review and possible dismissal from the program. In addition, the student will be counseled about the importance of seeking voluntary aid for such conditions that could, if left unattended, lead to disciplinary action and may prevent them from being licensed to practice nursing in the State of California.

D. Program Philosophy

The philosophy of the Evergreen Valley College Nursing Program concurs with the California State Board of Registered Nursing in relation to nursing students who are impaired by substance abuse or emotional illness. The Nursing Program’s philosophy is:

1. We recognize that substance abuse and emotional illness are treatable diseases.
2. We believe that personal and health problems arising from these diseases can affect academic and clinical performance, making the student a danger to self and clients.
3. We believe that human beings can learn and change behaviors and that nursing students with diseases can be encouraged to seek help in order to recover.
4. We believe that the nursing student has the primary responsibility to seek treatment.
5. We are committed to confidential handling of recognition and treatment of these diseases.

E. Signs and Symptoms of Impaired Nursing Students

Signs and symptoms of nurses abusing alcohol, drugs, or experiencing emotional impairment include, but are not limited to, the following:

Lack of enthusiasm-increasing absenteeism, arriving late and wanting to leave early, frequently requesting time off, taking extended meal and coffee breaks and refusing difficult or additional assignments; odor of alcohol or marijuana on breath; slurred or incoherent speech; chronic drowsiness and /or sleepiness; Tremors of hands; disorientation; unusually aggressive behavior; unexplained work errors; lack of coordination; unreasonable resentment, suspiciousness, overreaction to criticism; controlling behavior and inflexibility; isolation and withdrawal; irritability and mood swings; blaming, defensiveness and frequent conflicts; difficulties with interpersonal relationships; forgetfulness; frequent trips to the bathroom; repeated use of breath mints or mouth wash; deteriorating appearance; blackouts; unexplained nausea and vomiting or diarrhea; tremors, anxiety and “spaciness”; hangovers; unexplained diaphoresis; Unexplained sniffing, sneezing, watery eyes; unusual, unexplained weight loss or gain; frequent complaints of illness or injury; excessive bruising on arms, ankles, and hands.

F. Rehabilitation

It is the responsibility of the student to provide the Dean of Nursing and Allied Health with sufficient evidence of rehabilitation before reinstatement will be considered.

1. Evidence of completion of an accepted/ recognized inpatient or outpatient diversion program.
2. Letters from recognized recovery programs attesting to current sobriety and the length of time of sobriety if there has been a history of drug and/or alcohol abuse.
3. A current mental status examination by clinical licensed psychologist or psychiatrist. The evaluation should address the likelihood of similar acts in the future, and should speak to the suitability of the student nurse for the profession.

G. Reinstated Students

Students who are considered for readmission to the Nursing Program must supply sufficient evidence from the recognized program or individual supporting continued compliance with the treatment plan. This evidence must be given to the Dean of Nursing and Allied Health before the student will be allowed to re-enter the program. Program re-entry will be on a space available basis only.

Americans With Disabilities Act Compliance Statement

The nursing program does not discriminate against qualified individuals with disabilities and complies with the 1990 Americans with Disabilities Act (ADA).

Disability is defined in the Act as:

1. Physical or mental impairment that substantially limits one or more of the major life activities of such individuals.
2. A record of such impairment.
3. Being regarded as having such an impairment.

For the purpose of Nursing Program compliance, a qualified individual with a disability is one who, with or without reasonable accommodation or modification, meets the essential requirements of Evergreen Valley College Nursing Program. These requirements are described in the following: Essential Capabilities and Functional Requirements.

A. Essential Capabilities

Evergreen Valley College Nursing Program students must have abilities and skills of five (5) varieties:

Cognitive-Conceptual, Behavioral and Social Attributes, Communication, Sensory, and Motor. A student should be able to perform in a reasonably independent manner without the use of a surrogate. To function effectively and safely the student must be able to do the following:

Cognitive-conceptual: Critical thinking and clinical judgment are essential abilities of the professional nurse. These abilities include measurement, calculation, reasoning, analysis and synthesis.

Behavioral And Social Attributes: Students must possess the emotional stability required for full utilization of their intellectual abilities. The prompt completion of all responsibilities inherent to the diagnosis and care of patients and the development of mature, sensitive and effective relationships with patients are essential. Students must be able to tolerate physically taxing workloads and to multitask effectively and efficiently under stress. They must be able to adapt to changing environments; to display flexibility and learn to function effectively, despite the uncertainties inherent in the clinical situations; to interact and establish rapport with individuals, families, and groups from a variety of social, emotional, cultural, and intellectual backgrounds. Compassion, integrity, honesty, concern for others, interpersonal skills, interest and motivation are all personal qualities that should be demonstrated throughout the education process.

Communication: Students must be able to speak, to hear and to observe patients in order to elicit information, describe changes in mood, activity and posture, and perceive nonverbal communications. Students must be able to communicate effectively and sensitively with patients, colleagues, and other personnel. Communication includes not only speech but also reading and writing.

Students must be able to communicate in English effectively and efficiently in oral and written form with all members of the health care team, patients, and families. (See specific Functional Requirements.)

Sensory: Students must be able to observe a patient accurately. Observation necessitates the functional use of the senses of vision, smell, touch, hearing and somatic sensation. (See specific Functional Requirements.)

Motor: Students should have sufficient motor function to elicit information from patients by palpation, auscultation, percussion and other assessment techniques. Students should be able to execute gross and fine motor movements required to provide general care and emergency treatment of patients. Many actions require coordination of both gross and fine muscular movements, equilibrium and functional use of the senses of touch and vision. (See specific Functional Requirements which are based on community standards of health care agencies.)

These capabilities must be demonstrated in the clinical, laboratory, and theory (classroom) interactions and evaluations.

B. Functional Requirements

The Functional Requirements described below are representative, but not limited, to those that must be met by an individual to successfully perform the essential functions of a professional nurse.

Communication Ability:

1. Communicate effectively and efficiently in English with patients, families, and other health care providers, both verbally and in writing. (Example: explain treatment procedures, teach patients and families, and document in charts.)
2. Effectively adapt communication for intended audience.
3. Interact, establish rapport with individuals, families, and groups from a variety of social emotional, cultural and intellectual backgrounds.
4. Assume the role of a health care team member.
5. Function effectively under supervision.

Sensory Capability:

1. Coordinate verbal and manual instruction.
2. Assess a patient from 10 feet away to observe posture and response to treatment.
3. Respond to a timer, alarm or cries for help.
4. Auditory, visual, and tactile ability sufficient to assess a patient status and perform treatments. (Example: color changes in skin, hear heart and lung sounds.)

Motor Capability:

1. Move from room to room and maneuver in small spaces.
2. Transfer patients who may require physical assistance.
3. Guard and assist patients with ambulation.
4. Perform exercise techniques, including applying resistance during exercise.

5. Lift and carry up to 50 pounds, and exert up to 100 pounds force or push/pull.
6. Squat, crawl, bend/stoop, reach above shoulder level, use standing balance, and climb stairs
7. Use hands repetitively; use manual dexterity.
8. Perform CPR.
9. Travel to and from academic and clinical sites.
10. Able to spend 75.0% to 90.0% of clinical time standing/walking.

Policy For Student Criminal Background Checks And Urine Drug Screening

A. Policy Statement

All students entering the nursing program are required to obtain a criminal background check and urine drug screen.

B. Purpose

The 2004 Manual for Hospitals published by the Joint Commission on Accreditation of hospitals and Healthcare Organizations (JCAHO), the major accreditation body for hospitals, requires that all staff members, student, faculty and volunteers meet standards relating to criminal background checks and freedom from drugs.

C. Policy

Overview: Students are responsible for costs associated with the criminal background check and drug screen. Students must further agree that all results are available to the nursing program and the clinical sites associated with the program. The program is responsible for ensuring that students comply with individual hospital policy regarding disclosure of results. Should a clinical agency refuse to place a student based on the outcome of either the background check or drug screen, the program has no responsibility for arranging an alternative clinical placement.

1. Criminal Background Check:

Upon acceptance in the nursing program, students must clear a criminal background check. Failure to complete this process will result in dismissal from the program. If the background check indicates criminal behavior, the student may be dismissed from the program.

2. Urine Drug Screen:

The nursing program maintains a no tolerance policy regarding substance abuse. All students must clear a urine drug test. Failure to undergo this test will result in dismissal from the program. If the drug screen comes back diluted the student will be allowed one (1) retest. If the student fails the second test, the student will be dismissed from the program.

Policy for Students Returning to the Program

A. Policy Statement:

The policy is intended to clarify the number of times a student can return to the EVC Nursing program. Students can request to return to the nursing program one (1) time following program separation due to a course failure or course withdrawal from any nursing major course.

B. Purpose: To establish guidelines for students requesting to return to the EVC Nursing Program

1.. Definition of Returning Student

A “returning student” is defined as a student who has at any time been enrolled in one (1) or more courses in the Ever-green Valley College Nursing Program. All students who have enrolled in an EVC nursing major course and attended class at least one (1) day will be considered an “enrolled” student.

2.. Exceptions

Please note the following exceptions.

1. Students who leave the program because of being called to active military duty are able to return to the program.

3. Procedure

1. Students eligible to return to the program must complete the “Request to Return to the Nursing Program” form.
2. Requests must be submitted by the posted due dates.
3. Students eligible to return must demonstrate written evidence of compliance with faculty recommendations for remediation. Faculty and Dean will evaluate each student’s request to return on an individual basis.
4. Students eligible to return will be selected on a space available basis according to the following priority:
 - i. Students continuing in the program
 - ii. Students returning from active military duty
 - iii. Students granted a medical or personal leave if the reasons for their medical or personal leave have been resolved
 - iv. Students who request to return to the nursing program one (1) time following program separation with evidence of following through on the recommended plan for academic remediation (if applicable).
 - v. LVNs entering the LVN to RN Bridge Program
 - vi. Students requesting to transfer from another nursing program who have a “C” or higher grade in every nursing major course and meet all eligibility requirements of the EVC Nursing Program (Transfer students who have been previously enrolled in the EVC Nursing Program and have two (2) course failures in the EVC Nursing Program are not eligible to apply for transfer back to the program.)
 - vii. Foreign educated nurses needing CA BRN remediation
 - viii. Students requesting to transfer from another nursing program who leave that program with a failing grade in a nursing major course and meet all eligibility requirements of the EVC Nursing Program (Transfer students who have been previously enrolled in the EVC Nursing

SURVEYING AND GEOMATICS

Evergreen Valley College offers the only Surveying and Geomatics program in the South Bay area. The program trains students with the necessary skills to become a land surveyor. It provides students with the formal theoretical and laboratory coursework necessary to prepare a person to take the professional Land Surveyors Examination and the Land Surveyors-in-Training examination.

The certificate will be awarded to those who satisfactorily complete the program with a grade of "C" or better.

TRANSFER STATUS

- CSU** = Course has been accepted by the CSU and will be on Baccalaureate list for Fall 2000
- UC** = Course has been accepted by the University of California System
- UC+** = UC will accept a total 6 units of these courses with some stipulations

Course Sequence: Capital letters following the course number indicate that two (A, B) or more semesters form a sequence. The A semester must be completed before the B, etc., unless specifically noted in the course description.

Course Number and Titles: Course is identified by a course number and brief title.

Course Description: A brief statement identifies the scope and purpose of the course, and in many instances, the students who should take it.

A course may not be repeated for credit unless it is stated at the end of the course description. A counselor may require the student to obtain the instructor's written consent before instructing the student to enroll in a course if it is to be repeated for credit.

Units: Identifies the number of units that are earned upon successful completion of the course, or courses in a sequence.

Grading: Indicates the type of grading available for that course. For example, . Grading: L means the course may be taken for letter grade only. All courses may be offered in the day, evening, and/or weekend sessions. The offering of any course described is contingent upon adequate enrollment.

COURSE PREREQUISITES AND COREQUISITES

Definitions

“Prerequisite” means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program.

“Corequisite” means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

Note: Prerequisites and Corequisites are listed under each course in the schedule of classes and catalog.

Prerequisite Challenge

A prerequisite or corequisite may be challenged for any of the following reasons:

1. The student has the knowledge or ability to succeed despite not meeting the prerequisite
2. The prerequisite has not been made reasonably available to the student
3. The prerequisite has not been established in accordance with the District’s process for establishing prerequisites.
4. The prerequisite is discriminatory or applied in a discriminatory manner
5. The prerequisite was established in violation of Title 5

Verification Of Equivalency

If the student believes that he/she has completed the prerequisite(s) or corequisite(s) for this course as listed in the schedule of classes or catalog based on previous coursework at another institution, he/she should have transcripts or other evidence of meeting the course prerequisite.

Challenge Process

If the student believes that he/she has completed the prerequisite(s) or corequisite(s) for this course as listed in the schedule of classes or catalog based on previous coursework or personal experience, he/she may do the following:

1. Pick up a Prerequisite Challenge Form at the Office of Admissions and Records, and complete the required information. Attach transcripts or other evidence of meeting the course prerequisite.
2. Turn in completed form to Admissions and Records and register for the class. This registration is temporary pending approval of the prerequisite challenge process.
3. See a Counselor or Instructor if additional information is needed.
4. If still unresolved student can meet with the Instructional Dean in the discipline, to present his/her case.

The College will provide a final response to the prerequisite challenge within 5 working days.

ADVISORIES ON RECOMMENDED PREPARATION (ADVISORY LEVELS)

Definition

“Advisory on recommended preparation” means a condition of enrollment that a student is advised, but not required to meet before, or in conjunction with, enrollment in a course or educational program.

Advisory Levels are typically met through completion of reading, writing, or math courses listed in the schedule of classes and catalog. Although these levels are advisory rather than mandatory, students are very strongly encouraged to adhere to them and to follow the advice of their counselors related to the advisory levels.

Location

Advisory Levels are listed under each course in the schedule and catalog.

OPEN CURRICULUM

An Open Curriculum class is a class that has no prerequisites of any kind. However, some courses, such as English 321 and Math 310, may require that placement test results be on file prior to the first day of class. Classes such as this with an additional requirement are marked with an * after the words “open curriculum.”

ADVISORY MATH LEVELS

Math levels are advisory only for courses outside of the math discipline.

Advisory Math Level 1: arithmetic skills including fractions, decimals, and percentages

List of courses that will provide this skill level:

1. 3 units of MATH 310 with a P grade or
2. BUS 001 or 060 or
3. ACCTG 101

Advisory Math Level 2: beginning algebraic skills

List of courses that will provide this skill level:

1. Math 011A or 011R or 011S with C grades or higher

Advisory Math Level 3: intermediate algebraic skills

List of courses that will provide this skills level:

1. MATH 013 with a C grade or higher or
2. BUS 060

Advisory Math Level 4: advanced algebraic and trigonometric skills (sometimes called pre-calculus)

COURSE NUMBERING

1-99

Courses numbered 1-99 generally qualify for the Associate in Arts and Associate in Science degrees and usually include courses that are transferable to meet requirements at four-year institutions.

94

Individualized Skills Laboratory in any discipline. This course provides a framework for any of the disciplines listed in the Catalog to offer transferable individualized instructional courses and modules which are designed to enrich or broaden the students' experiences beyond that which is available through the regular curriculum. Units are transferable as elective credit.

98

This number is assigned to Independent Directed Study courses in any of the disciplines listed in the catalog. Directed Study courses are approved by the curriculum committee for one of 2 purposes:

1. To allow a student to take an alternative class to fulfill a course requirement for a certificate, major, or associate degree.
2. To allow a student to be able to complete a certificate, major, or associate degree when the course is not being

offered during the current semester or is being offered at a time that the student cannot attend. Directed Study courses should be limited to 5 or fewer students. This course requires an individual contract between the student, instructor, and the discipline dean. Units are transferable as elective credit.

100-199

Courses numbered 100-199 also may qualify for the Associate in Arts and Associate in Science degrees, are acceptable for elective credit, and may have transfer value for major field requirements in particular baccalaureate programs.

194

Individualized Skills Laboratory in any discipline. This nontransferable course provides a framework for any discipline listed in the catalog to offer individualized instruction modules designed to enrich or broaden the students' experience beyond what is available through the regular curriculum.

200

Supervised Skills Lab in any discipline. Supplemental practice and/or instruction are offered for students in the specific discipline. Projects are assigned in classes of concurrent enrollment. The faculty members in charge direct general consultation and supervision. This is a no-credit course.

200-299

These are no-credit courses in which no letter grade is received. They may not be used to satisfy degree requirements of any type.

300-399

These are qualifying courses designed to prepare one for entry to basic college courses in the subject field. These courses carry no credit toward the Associate Degree requirement and may not be used to satisfy General Education, Associate Degree, or major requirements. They are not transferable to four-year institutions.

394

Individualized Skills Laboratory in any discipline. This nontransferable course provides a framework for any of the disciplines listed in the catalog to offer remedial-level individualized instructional modules that are designed to develop or support the students' experiences below what is available through the regular curriculum.

ART-013 - Three Dimensional Design Units: 3

This course is an introduction to the theories and applications of design in three-dimensional form in space. Students study the elements and principles of design, using a variety of tools, techniques, and mediums which may include wire, cardboard, clay, wood, plaster, and other materials at the instructor's discretion, in a studio lab setting. Concepts are introduced and clarified through instructor lecture and demonstrations. Field trips may be included. This course is 3 units, with two hours of lab for every hour of lecture. Three-Dimensional Design is a core foundation art course for AA degree and transfer.

ART-016 - Advanced Color Units: 2

This lecture and studio course is an advanced study of color and its application in the fields of Design and the Fine Arts. The psychological effects of color, creating illusions with color and the study of color in non-western and western traditions will be some of the topics explored. A professional portfolio will be created from studio projects enabling the student to become highly competitive in his/her field. Creativity will be encouraged and critical thinking skills and research will be stressed.

ART-025 - Expressive Drawing Units: 3

Expressive Drawing is a further study of drawing elements, principles and techniques with an emphasis on the expressive nature of drawing. Students will explore the process of turning marks on paper into the visualization of emotions, ideas and reactions. Students will use both outside references and work from their imaginations in a series of drawings developing personal imagery and content. A variety of traditional and non-traditional techniques will be explored, including achromatic and color media. In addition to the initial 3 units of credit, this course is repeatable three times for a total of 12 units. Prerequisite: ART 024.

ART-035 - Graphic Design I Units: 3

This course is a survey of graphic design fundamentals utilizing traditional media, techniques, and computers. Students are introduced to visual thinking and to the process of graphic design, a process which begins and ends with clear conceptual and aesthetic objectives. Balancing conceptual and technical aspects of design, students develop the skills needed to solve design problems and present solutions effectively in class projects. This course is recommended for graphic design, DTP, illustration students and those pursuing careers in multimedia and web design. This course is the same as BIS 35.

AUTO-118 - Fuel Systems/Emission Controls Units: 3

This course covers automotive fuel systems, including: tanks, pumps, lines, filters, idle and vacuum control devices, electronic fuel injection, and emission control devices. Emphasis will be placed on combustion chemistry and emission testing procedures, and the diagnosis and repair of fuel and emission control system components. Students will diagnose and repair hard start, no-start, poor performance, and emission failures on a range of vehicles using the latest test equipment and methods. This course provides significant preparation and experience for those pursuing licensing as CA emission technicians.

AUTO-119 - Introduction to Engine Performance Units: 2.5

This course is part of the Basic Skills track emphasizing engine systems relevant to performance and driveability. Using classroom theory, engine analyzers and test equipment will be utilized to diagnose modern automobile engine systems. Engine diagnostic strategies will be performed in the lab as they would be in industry.

Lecture Hours: 2 Lab Hours: 2 Repeatable: No Grading: L

AUTO-120 - Automatic Transmission Units: 2.5

This course will prepare students to diagnose and repair front wheel drive and rear wheel drive automatic transmission systems. Stall and pressure testing, torque converters, planetary, CVT, and helical gear systems, overhaul practices, valve body repair, and on-car service techniques will be covered in both theory and practical application. Computerized powertrain diagnosis and repair will also be explored. Additional electronic transmission diagnosis and repair techniques are studied in Auto 174, Body Chassis Electronics. Both courses are recommended preparation for the ASE Automatic Transmission Exam.

Lecture Hours: 1.5 Lab Hours: 3 Repeatable: No Grading: L

Prerequisite: AUTO 102 with C or better

Recommended: Completion of Auto 172 with a C or better grade.

AUTO-121 - Manual Transmission Units: 2

This course will prepare students to diagnose and repair front and rear wheel drive, manual transmission systems, clutches, drive lines, differentials, and CV axles. Planetary, helical, hypoid, bevel, and straight cut gear systems will be studied including ratio calculation and torque multiplication. Overhaul practices, including teardown, measurement, inspection, repair, and reassembly will be covered. Four wheel drive systems such as automatic locking hubs, transfer cases, and electronic shift on the fly are also studied.

Lecture Hours: 1 Lab Hours: 3 Repeatable: No Grading: L

Prerequisite: AUTO 102, with a grade of C or better.

Recommended: Completion of Auto 172, with grade of C or better.

AUTO-122 - Advanced Electrical Systems Units: 3

This is an advanced automotive electrical course stressing diagram-based diagnostic methods. Students will design and build functioning circuits and systems, as well as compute and measure all aspects of performance. Students will learn to diagnose and repair a wide variety of circuit, system, and component faults in general electrical, starting, charging, lighting, instrumentation, accessory, climate control, audio, navigation, and SRS systems. Critical thinking skills and use of specialized test equipment will be stressed to provide students with excellent and highly marketable diagnostic abilities.

AUTO-125 - Automotive Electronics Units: 2

This course explores the application of electronic components and systems within a modern vehicle. Students will learn basic semiconductor theory, and operation and testing of a wide variety of input and output devices. Also covered will be multiplex (vehicle intranet) systems, serial communications, and diagnostic practices.

Lecture Hours: 1.5 Lab Hours: 1.5 Repeatable: No Grading: L

AUTO-127 - Ignition Systems Units: 2

This course covers the theory, diagnosis and repair of modern automotive DI and EI ignition systems. Topics include: ignition system function, combustion requirements, primary system triggering, switching components and operation. Included are secondary ignition components and operation, ignition timing devices, electronic spark timing function and strategy, as well as distributorless ignition systems i.e. Waste Spark and Coil-on-plug. System testing methods, fault isolation techniques, DSO, GDMM, Oscilloscope testing, waveform interpretation, as well as maintenance/driveability fault corrections are also included.

AUTO-135 - Fundamentals of Air Conditioning Units: 2

This course will prepare students to diagnose and repair modern heating ventilation and air conditioning systems. Topics studied include systems inspection, diagnosis, and repair, leak testing, performance testing, mode control, refrigerant identification, recovery, flushing, evacuation, recharging, and safe handling procedures. Students will also learn to diagnose component malfunctions and related electrical systems. Automatic temperature control systems will also be explored. Auto 135 and 174 prepares students for the ASE Air Conditioning exam.

AUTO-138 - Occupational Work Experience Units: 1 - 8

Occupational Work Experience is designed for students who work or volunteer in a field related to their career major. Students are required to provide evidence that they are enrolled in automotive technology course(s). Students can earn one unit of credit for each 60 hours of unpaid volunteer time or 75 hours of paid work during the semester. Students can repeat Career/Occupational Work Experience, combined with General Work Experience, or alone, up to a maximum of 16 units. Internship/job placement is not guaranteed.

Lecture Hours: None Lab Hours: 1.81 Repeatable: 15 Grading: O

Corequisite: Be employed or a volunteer at an approved work-site for the minimum number of hours per unit as stipulated for paid and unpaid status.

AUTO-144 - BAR OBD2 Update Training Units: 1.5

This course covers the Second Generation of vehicle electronic engine control On Board Diagnostics, (OBD2). The course meets state of California requirements for "update" training for both Basic (EB) and Enhanced Area (EA) technicians seeking licensure after January 31, 2001. Students will learn about legislation, monitor strategy, diagnostic standards, failure criteria, OBD2 trip criteria, along with related OBD2 vehicle demonstrations. Meets California smog licensing requirements for OBD2 diagnostic standards.

Lecture Hours: 1.5 Lab Hours: None Repeatable: No Grading: L

AUTO-145 - Enhanced Emission Diagnostics Units: 2

This course covers advanced testing, diagnostic and repair procedures for automotive emission systems. The course meets State of California BAR licensing requirements for smog certification and licensure. Students will utilize diagnostic equipment including digital storage scopes and the BAR97 dynamometer to test, certify, and diagnose emission problems. Instruction will include five gas analysis, baseline techniques, loaded mode testing, advanced waveform patterns, NOx diagnosis, catalytic converter testing, and O2 sensor diagnosis.

Lecture Hours: 2 Lab Hours: 0.5 Repeatable: 3 Grading: L
Prerequisite: AUTO 141 with C or better or hold current CA Smog Technician License.

AUTO-146 - BAR-97 Transition Course/Loaded Mode Emission Testing Units: 0.5

This course covers advanced emissions testing procedures using a loaded mode dynamometer and five gas emissions analyzer. The course meets state of California requirements for Advanced Emission Specialist technicians desiring to operate a BAR-97 Emissions Inspection (EIS) System. Completion of this course provides an endorsement to an existing Advanced Emission Specialist license. The course covers testing procedures using the BAR-97 EIS, and NOX emissions diagnostic procedures. To pass course, students must successfully complete all laboratory assignments and pass a written examination (35+ of 50 Questions answered correctly).

AUTO-147 - BAR Update Training and Recertification Units: 1

This is a California Bureau of Auto Repair (BAR) Update training course. This course is required of all new and renewing technicians before they can qualify to take the State Smog Exam. This course consists of wideband lean air-fuel sensors, OBD2 data-stream analysis, and BAR updates. This class includes both lecture and required lab examinations. Attendees passing the final exam will be given a BAR course completion certificate to be used in applying for smog testing. This course does not replace any past or future BAR update courses.

Lecture Hours: 1 Lab Hours: 0.06 Repeatable: 3 Grading: L

Recommended: Auto 102 and/or prior engine performance training and/or experience. Recommended for current or prior Smog licensees or those seeking licensure.

AUTO-170 - Electrical Systems Units: 3

This course introduces students and entry level automotive technicians to the automotive electrical system. The course covers electrical theory, magnetism, Ohm's law, series and parallel circuits and system dynamics. Students next learn to calculate and measure voltage, resistance and current in theoretical and live circuits, build and test working models of typical automotive electrical systems using table top components and industry specific simulators, and practice diagnosis and repair procedures on a variety of vehicles. Students will also develop an understanding of modern electrical test equipment, such as DMMs, GDMs, and DSO's, and industry standard troubleshooting and repair procedures.

AUTO-171 - Engine Systems Units: 2.5

This is an intermediate level course that covers engine theory and repair procedures. This is a unique class, wherein the student will start an engine in the first class session. Throughout the course, the student will completely disassemble and study each component and the system it relates to. During the last few class meetings the student will have the engine properly assembled, running, and thoroughly tested. This course prepares students to pass the national Automotive Service Excellence (ASE) "Engine Repair" test given in the spring and fall of each year.

AUTO-181A - Introduction to Alternative Fuel and Hybrid/Electric Vehicles Units: 2

This course will examine a variety of alternative fuels and propulsion systems used in modern automotive vehicles. The advantages and limitations of alternative fuels used in internal combustion engines (ICE) will be discussed. The topics on alternative propulsion systems will include the basic theory of operation, construction, and safety. The unique dangers surrounding alternative fuel and propulsion vehicles will be explored, and how to minimize the risks. This course will also cover what is needed to operate safely and effectively around these vehicles. The program includes a quick guide comparison chart of the different hybrid electric automobiles.

BIOL-072 - Human Physiology Units: 5

This course begins with an introduction to cellular physiology and metabolism. The majority of the course involves the physiological processes of the human body systems including nervous, endocrine, muscular, urinary, respiratory, sensory, digestive, cardiovascular and reproductive. There is also discussion of disease and the loss of homeostasis in the body. This course is designed for college degrees in nursing, physical and occupational therapy, and certain science and preprofessional majors.

BIOL-080 - Biology Field Program Units: 1

The Biology Field Program introduces students to the human and natural histories of a variety of ecosystems including the California seacoast, coastal and Sierra Nevada ranges, and deserts and canyon lands of the southwest. Emphasis will be given to general ecological principles, the flora and fauna of the areas visited, and the tenets of leave-no-trace. Each offering of the course focuses on one of the above areas, and involves on-campus lectures and the equivalent of one week in the field. Participation in the course requires camping, some hiking, and automobile travel. This course may be repeated for credit up to four times. Additional fees are required.

BIS-138 - Work Experience Units: 1 - 8

Occupational Work Experience is designed for students who work or volunteer in a field related to their career major. Students are required to provide evidence that they are enrolled in a career program (e.g., education plan or coursework in a career/occupational subject area). Students can earn one unit of credit for each 60 hours of unpaid volunteer time or 75 hours of paid work during the semester. Students can repeat Career/Occupational Work Experience, combined with General Work Experience, or alone, up to a maximum of 16 units. Internship/job placement is not guaranteed.

Lecture Hours: None Lab Hours: 1.81 Repeatable: 15 Grading: O

Corequisite: Be employed or a volunteer at an approved work-site for the minimum number of hours per unit as stipulated for paid and unpaid status.

Chemistry**CHEM-001A - General Chemistry Units: 5**

This course is required for students majoring in Biology, Chemistry, Geology, Physics, Forestry, Pharmacy, Veterinary Medicine, Dentistry, and Medicine. Chem 1A also meets the one semester chemistry requirement for all engineering majors. This course covers basic chemical principles: atomic structure, bonding, periodicity, nomenclature, chemical reactions, stoichiometry, thermochemistry, physical states of matter, solutions, acid-base, and dynamic equilibrium. The role that chemistry plays in everyday life, industry, and human welfare is emphasized.

Lecture Hours: 3 Lab Hours: 6 Repeatable: No Grading: L

Prerequisite: CHEM 015 with C or better, and MATH 013 with C or better, or equivalent.

 CSU GE: B1,B3 District GE: BL IGETC: 5A

CHEM-001B - General Chemistry Units: 5

This course is a continuation of Chemistry 001A, the second semester of a one year college level general chemistry sequence. The content includes thermodynamics, chemical kinetics, chemical equilibrium, electrochemistry, coordination compounds, nuclear chemistry, and organic chemistry. The laboratory emphasizes qualitative and quantitative analyses of inorganic compounds and introduces electronic instrumentation. The course is required for students majoring in physical and biological sciences and pre-professional majors such as pre-medicine and dentistry. The course also completes the basic chemistry requirements for students majoring in chemical and materials engineering.

Lecture Hours: 3 Lab Hours: 6 Repeatable: No Grading: L

CHEM-012A - Organic Chemistry Units: 5

This is the first semester of a year-long comprehensive organic chemistry course with emphasis on structure, reaction mechanisms and their kinetics. Topics include nomenclature, stereochemistry, mechanisms, reactions, and spectroscopic studies of organic compounds. Problem-solving techniques will be used to elucidate mechanistic, structural and stereochemical features of reactions and molecules. Lecture and laboratory will cover synthesis, isolation, purification, elucidation and identification of organic structures, instrumental methods and data interpretation.

Lecture Hours: 3 Lab Hours: 6 Repeatable: No Grading: L

CHEM-012B - Organic Chemistry Units: 5

This is the second semester of a year-long organic chemistry course designed to follow Chemistry 012A. Topics include nomenclature, stereochemistry, mechanisms, reactions, and spectroscopic studies of aliphatic and aromatic alcohols, aldehydes, ketones, acids, and other classes of organic and biological compounds (such as amino acids, proteins, and nucleic acids). Problem-solving techniques will be used to elucidate mechanistic, structural, and stereochemical features in chemical reactions. Lectures and laboratory methods will focus on synthesis, isolation, purification, elucidation and identification of organic structures as well as instrumental methods and data interpretation.

Lecture Hours: 3 Lab Hours: 6 Repeatable: No Grading: L

CHEM-015 - Fundamentals of Chemistry Units: 4

Chemistry 015 covers the fundamentals of modern inorganic chemistry with emphasis on atomic structure, chemical bonding, chemical formulas, nomenclature, equations, stoichiometry, gas laws, solutions, and related topics. Chemistry 015 is intended primarily as a preparation for the Chemistry 001A and 001B sequence. The central nature of chemistry among other branches of science is stressed, and examples of the important role that chemistry plays in our lives are presented. The course also meets the general education requirements for a laboratory science.

Lecture Hours: 3 Lab Hours: 3 Repeatable: No Grading: L

Prerequisite: MATH 011A or MATH 011R or MATH 012 or MATH 011S; all with C or better or equivalent

Recommended: MATH 013 may be taken prior to or concurrent with CHEM 015.

CHEM-030A - Introduction to Chemistry Units: 3

This course covers the basic principles of chemistry and tends to be more descriptive rather than quantitative. Content includes: measurements; matter and energy; atomic structure, periodicity; chemical bonding and nomenclature; chemical reactions and equations; gases, solutions and colloids; oxygen, hydrogen and water; and acids, bases and salts. CHEM 030A is a prerequisite for microbiology and physiology and is designed to meet the chemistry requirements for nursing and other allied health majors. The course meets the General Education requirements for a laboratory science.

Lecture Hours: 2 Lab Hours: 3 Repeatable: No Grading: L

Prerequisite: MATH 011A or MATH 011R or MATH 011S or MATH 012, minimum grade C

Advisory Level: Read: 3 Write: 3 Math: None

CHEM-030B - Introduction to Chemistry Units: 3

This course covers the basic principles of introductory organic and biological chemistry. It is designed for allied health, and industrial technology majors. Content includes hydrocarbons, alcohols, ethers, carbonyl compounds, carboxylic acids, esters and amines; and an introduction to structures and properties of carbohydrates, lipids, and other biopolymers.

Lecture Hours: 2 Lab Hours: 3 Repeatable: No Grading: L

Prerequisite: CHEM 030A or CHEM 015 or CHEM 001A, with grade of C or better

CET-146 - CADD for Civil Engineering, Surveying and Land Development Units: 3

This is a course on computer-aided design and drafting for civil engineering, surveying and land development. The AutoDesk/Land Desktop software program will be utilized. Students will acquire the necessary computer skills to use the software for applications in civil engineering design and land development projects. Topics include basic drawing component management, parcel computations, terrain surface modeling and contours, alignments and stationing, cross sections, volume computation, and profiles. In addition, the course will discuss the creation of design templates and improvement plans in civil engineering land development projects.

Lecture Hours: 2 Lab Hours: 3 Repeatable: No Grading: L

CET-147 - Global Positioning System for Land Surveying Units: 3

Fundamentals of the global positioning system (GPS) and its applications in land surveying are introduced. The discussions include the three segments of GPS technology, i.e. the space segment that consists of a constellation of 24 satellites orbiting around the earth, the control segment that consists of five ground monitoring stations, and the user segment that consists of two categories of receivers. Among the topics studied are GPS observables, planning for a GPS field survey, GPS data processing, and GPS surveying techniques. Emphasis is given to practical applications of GPS technology in surveying.

COMS-045 - Small Group Communication Units: 3

In this course emphasis is on two perspectives within the group context: communication and decision making. Communication is the organizing means of the group; decision making is the purpose of the group. Concepts such as group process, leadership and status, social conflict and deviance, roles and rules, power, and decision-making will be investigated. Public speaking skills in group situations or as a group.

COMS-098 - Directed Study in Communication Studies Units: 0.5 - 9

Individual or small groups of students who would benefit from Independent Study under the direction of faculty members in specific or related disciplines may develop individualized learning contracts designed to enhance their individual instructional programs. The students and the faculty member in consultation with the Division Dean will determine appropriate learning objectives and activities as well as the number of units to be earned. Instructions and the Learning Contract forms are available in the Division office. Repeatable to a maximum of 9 units across all disciplines.

Computer Aided Design & Drafting**CADD-010 - Basic Drawing Units: 3**

This course is an entry level drafting course where the students will learn the basic elements of technical drafting. The students will learn how to apply standard concepts of graphic presentation (such as freehand sketching, emulative projection, sectioning, auxiliaries, dimensioning, and pictorial illustration) when drawing clear and accurate solutions to problems. In this course, the students will learn manual drafting techniques, and, an introduction to CADD will be included.

Computer and Information Technology

CIT-010 - Introduction to Computing and Information Technology Units: 3

This course covers the basic concepts and terminology of computers and information technology. Students will be introduced to computer hardware, software, data and procedures, as well as the impact and application of computers in business and the changes the computer has made on society as a whole. Software applications used in business such as word processing, electronic spreadsheets, database management systems, e-mail systems and graphic/presentation packages will be introduced. Students may develop and deliver presentations in teams.

CIT-020 - Program Design and Development Units: 3

This course is an introduction to computer programming and the fundamentals of software engineering. The focus is on problem solving and algorithm design within the context of the software development cycle, including analysis, design, coding and testing. Students will use systematic problem solving techniques to develop and test program specifications and detailed logic plans. Students will code their designs in a programming language that introduces and reinforces the concepts and techniques needed for object-oriented design solutions. Debugging and testing will be treated as extensions of the coding task.

CIT-041J - JavaScript/Dynamic HTML Units: 3

This course is intended for students with some knowledge of programming. Students learn to use JavaScript language to dynamically modify nearly all aspects of a web page, including images, links, text, and styles. Students also use JavaScript to validate forms, create data that persists across pages, and handle user input, including mouse and keyboard events. The course also introduces the standard Document Object Model that is used to represent web pages, and is also used by other technologies such as XML. Students study debugging techniques and best practices for writing code.

CIT-052 - UNIX/Linux Shell Programming Units: 3

This is a beginning course in UNIX Shell Programming using different shell programs available with the UNIX operating system. The course will include use of Bourne Shell and C-Shell Programming theory and concepts. These concepts include interpretation of different quote characters, shell variables, decision making commands and looping mechanisms. Students will also learn passing arguments to shell scripts, I/O redirection, terminal/file I/O, subshells and using special UNIX commands. Additionally, this course will include use of restricted shell "rsh" and introduction to Korn shell commands. Students are required to register in CIT 200 in order to complete supplementary exercises.

Lecture Hours: 2.5 Lab Hours: 1.5 Repeatable: No Grading: L

Corequisite: CIT 200

Recommended: Basic computer literacy, familiarity with UNIX/Linux systems such as taught in CIT 050.

CIT-060 - Introduction to Database Systems Units: 3

This course covers the basics of data modeling and database design. Students will learn a systematic approach to database design using entity-relationship models, normalization, and relational database design. The course also includes extensive up-to-date treatments of the standard database languages, SQL (Structured Query Language). The increasingly important areas of object-based and object-relational database management systems will also be addressed.

CIT-064A - Oracle Database Administration Units: 3

This course covers the key tasks and functions required of a database administrator in a production environment. Elementary Operating Systems concepts necessary for database administration will be introduced. GUI and command-line commands, such as file creation, file modification, directory creation, and text editor operations will be reviewed and utilized. Students will gain hands-on experience creating and starting up a database, managing data, expanding the size of the database, implementing basic security and integrity measures and granting data access privileges to individual users. Students are required to register in CIT 200 in order to complete supplemental coursework.

Lecture Hours: 2.5 Lab Hours: 1.5 Repeatable: No Grading: L

Prerequisite: CIT 061 or CIT 062

Corequisite: CIT 200

Recommended: It is strongly recommended that the student has either taken CIT 50, has knowledge of the UNIX operating system, or knows GUI and command-line commands, such as file creation, file modification, directory creation, and text editor operations.

CIT-064B - Advanced Oracle Database Administration Units: 3

This course covers the major tasks of a database administrator in maintaining a production environment and having the database accessed. GUI and command-line commands, such as file creation, file modification, directory creation, and text editor operations will be reviewed and utilized. Students will practice implementing backup and recovery strategies. With Oracle database on a network, students will implement basic connections between a client and a server using various naming methods. The students will configure and simulate middle tier systems, such as a Names server and Connection Manager. Students are required to register in CIT 200 in order to complete supplemental coursework.

Lecture Hours: 2.5 Lab Hours: 1.5 Repeatable: No Grading: L

Prerequisite: CIT 064A

Corequisite: CIT 200

CIT-065 - Oracle Performance Tuning Units: 3

This course demonstrates and explains a series of tuning steps which can be used to diagnose and improve the performance of the Oracle Server. The focus is on database rather than operating system performance issues. The course follows a structured tuning methodology. GUI and command-line commands, such as file creation, file modification, directory creation, and text editor operations will be reviewed and utilized. Students are required to register in CIT 200 in order to complete supplemental coursework.

Lecture Hours: 2.5 Lab Hours: 1.5 Repeatable: No Grading: L

Prerequisite: CIT 064 or CIT 064A

Corequisite: CIT 200

Recommended: It is strongly recommended that the student has either taken CIT 50, has knowledge of the UNIX operating system, or knows GUI and command-line commands, such as file creation, file modification, directory creation, and text editor operations.

CIT-082 - Security Management and Operations Units: 3

Security management entails the identification of an organization's information assets and the development, documentation, and implementation of policies, standards, procedures, and guidelines, such as Business Continuity Plans. Management tools with risk assessment/analysis, are used to identify threats, classify assets, and rate system vulnerabilities so that effective controls can be implemented. Concepts of security architecture will include principles, structures, and standards used to design, monitor, and secure operating systems, equipment, networks, and applications. Students are required to register in CIT 200. This course will include a discussion of the Code of Ethics for the Security Professions.

CIT-084 - Firewalls and Access Controls Units: 3

This course will examine how firewalls are used for information security. Students will implement firewalls and policies to secure networks. DMZs, proxy servers, and Virtual Private Networks (VPNs) will be discussed. Access controls are a collection of mechanisms that work together to create a security architecture to protect the assets of the information system. Physical security relates to the tangible, visible, and logical controls that an organization should implement to ensure that potential security breaches on the physical environment are minimized. Students are required to register in CIT 200. This course will include a discussion of the Code of Ethics for the Security Professions.

CIT-086 - Intrusion Detection, Platform and Applications Security Units: 3

This course will discuss intrusion detection systems and their use against unauthorized system entry. The student will use several tools for defending their systems. The course will discuss defensive methods used by persons to gain unauthorized entry. A comprehensive look into the vulnerabilities of various operating systems and application programs will be examined. A historic overview of Malware will be given. Operations of Malware programs as to recognition and defenses will be discussed. All computer lab work will be done during class hours. This course will include a discussion of the Code of Ethics for the Security Professions.

COMSC-076 - Computer Science II Units: 4

This course covers abstract data types and advanced programming techniques. Students will learn to reason mathematically about programs. The use of assertions and loop invariants in program construction and verification will be introduced. The principles of software engineering, including encapsulation, information hiding, modular programming and separate compilation, will be applied to large programming projects. Elementary data structures such as arrays and linked structures will be reviewed. The course will also cover more advanced data structures and algorithms, including stacks, queues, trees, graphs, strings, searching, sorting, and hashing.

EDIT-020 - Teaching with PowerPoint Units: 1 - 3

In this course educators learn to use the presentation software, PowerPoint, to present information with impact to teaching students. Educators will learn to use this tool to deliver educational contents, create multimedia for class reports and group projects and present them to the students via the Internet. This course will also teach educators to incorporate voice narration, use of spreadsheet and graphs to show results of surveys and questionnaires. This course can be taken from 1.0 to 3.0 units depending on the level of proficiency desired.

EDIT-021 - A Practical Guide for Educators Units: 1 - 3

This course teaches K-14 in-service educators how to customize and present a course for the web using Microsoft's FrontPage. Educators will learn how FrontPage can be used to create an online course environment and contents from their individual disciplines. By using the online environment, educators will create a course syllabus, calendar, quiz, exam, assignment submission form, and discussion board. This course can be taken from 1.0 - 3.0 units depending on the level of proficiency desired.

EDIT-022 - WebCT to Develop Online Courses Units: 1 - 3

This course teaches educators the skills and knowledge necessary to create effective online learning environments with WebCT. Educators will explore examples of WebCT content, learn to navigate the WebCT interface, add tools and content, and perform basic course management functions. The course also emphasizes customizing and managing a publisher-provided course. Participants will learn to customize their course, communicate with students, use evaluation tools, and manage student records. This course can be taken from 1.0 to 3.0 units depending on the level of proficiency desired.

EDIT-024 - Women in Technology Units: 3

Through a collaborative learning environment utilizing different application software, multimedia, web resources, and an online social network, students will explore the relationship between women and technology around the world, as well as the contributions women have made in technology. Students will identify effective strategies for extending access to technology for women in order to close the gender gap that maintains a male-dominated hold on advanced technology. They will also investigate the restrictions in technology education and technology careers for women.

ENGR-001 - Technology and Society Units: 3

This course will explore the interrelationships between technology and the social sciences. Specifically, the course will investigate the societal factors which impact technology (historical, political, economic, ethical and environmental), and the ways in which technology affects society (language, art, music, psychology and sociology). This course is appropriate for students in both technical and non-technical majors.

ENGR-018 - Engineering Design and Graphics Units: 3

This course covers the principles of design and its graphical presentation in engineering as well as computer-aided design (CAD) and programming. Major topics include the engineering design process, orthographical projection, multiview drawing, pictorial drawings, dimensioning and tolerancing, and VBA programming. Engineering graphical presentation is based on ANSI standard. Students will learn to use CAD software in producing engineering drawings.

ENGR-050 - Introduction to Computing Units: 3

Fundamentals of computer assisted problem solving, as it applies to the solution of engineering problems, are introduced in this course. The three major themes of this course are--algorithm development, efficient programming/modeling, and practical and user-friendly pre/post processing techniques. The C++ programming language is used to obtain solutions to various engineering problems. Object oriented programming using subjects such as classes, pointers, inheritances, dynamic allocation of memory space, and standard template libraries are emphasized.

ENGR-060 - Surveying Units: 3

This course introduces the students to the basic theory and practice of surveying or geomatics as related to engineering practices. Basic concepts, standards, errors and statistical handling are presented. Linear and angular measurements, profile leveling and traversing are discussed. The concepts of bearings and azimuths as well as related computations are explained. Theory, use and care of surveying instruments in establishing horizontal and vertical control are studied. In addition, students will gain practical experience through laboratory and field work.

ENGR-063 - GIS for Civil Engineering and Surveying Units: 3

This course introduces the fundamentals of Geographical Information System as related to civil engineering and surveying and how the Multipurpose Cadastre (MPC), Land Information System (LIS) and Geographical Information System (GIS) fit together. Geodetic reference frame, base map, cadastral overlay, and linkage mechanisms are also discussed. Data quality and accuracy, privacy, ethics, institutional, governmental and technological issues associated with GIS are explored. The Arc GIS software is taught and used in the course. GIS applications and existing case studies are presented. Federal Geographical Data Committee (FGDC) standards and future trends of GIS are addressed.

ENGR-069 - Statics Units: 3

This course covers the equilibrium characteristics of various structures that are subject to external forces. The effects of various types of forces on the equilibrium of objects are discussed through the application of vector mechanics and the laws of Newton. Topics studied include two and three dimensional rigid structures, free-body diagrams, the concept of centroids, distributed load analysis, moment of inertia analysis, friction and virtual work. Structures considered are primarily trusses, machines and frames.

ENGR-071 - Introduction to Circuit Analysis Units: 4

Analyses of DC and AC circuits are performed using Kirchhoff's voltage and current laws. Emphasis is given to resistive, capacitive, inductive, and amplifier circuits powered by independent and dependent sources. The transient nature of first order and second order circuits containing capacitors and inductors are studied. Thevenin's and Norton's theorems are applied to DC and AC circuits and properties of these circuits for maximum power transfer are determined. The concept of impedance is used to analyze AC circuits in the frequency domain as well as to perform power analysis.

English**ENGL-001A - English Composition Units: 3**

English 1A is the first course in a transfer level sequence (English 1A, 1B) designed to equip students with the skills necessary for writing college level compositions. The course emphasizes expository writing, critical reading, and research techniques. Students are required to produce a series of academic essays including a documented research paper in conventional format. Analysis of readings and the practice of writing processes create the bases for student essays.

All English 1A students will take a Department Final which will be holistically scored by at least two faculty members and will represent 20% of their course grade.

Lecture Hours: 3 Lab Hours: None Repeatable: No Grading: L

Prerequisite: Continuing students must complete ((ENGL 104 or ENGL 092 or ENGL 091A) and (ENGL 102 or ENGL 091B or READ 101 or READ 101S)) or ESL 091 or ESL 093; all with C or better. New students will be placed based on the results of assessment.

ENGL-001C - Critical Thinking/Composition Units: 3

This course presents the elements of critical reasoning and logic. Students will learn to identify the basic structures of arguments and the ways people use language to fortify or to falsify arguments. Students will analyze and demonstrate these techniques by writing and critiquing essays and using research strategies. This course is specifically designed to meet the IGETC critical thinking requirement.

ENGL-001D - Advanced College Reading Units: 3

In this transfer-level reading course, students will advance their reading effectiveness for academic, career, and personal growth. The course is designed to empower students to read difficult text at an in-depth level. Students will learn to summarize, to paraphrase, to understand descriptive and scientific language, to analyze writers' strategies, and to interpret abstract concepts. It will give them practice with a range of texts, including texts representing other college courses and primary source material relevant to the transfer major. This course can be taken after completion of English 102 and 104 or ESL 91; concurrently with English 001A; or after English 001A.

MATH-013 - Intermediate Algebra Units: 5

This course continues the Algebra sequence and is equivalent to the second year of the college preparatory algebra. It is required of students planning to transfer to CSU or UC systems. Intermediate Algebra reviews the first course in algebra and explores more deeply the real number system, properties of algebraic systems, absolute value in equations and inequalities, complex numbers, simultaneous solutions of sets of equations, properties of rational exponents and logarithms, roots and radicals, functions, and inverse functions, sequences and series. Content may include determinants, Cramer's rule, sequences and series(continued), or conic sections.

Lecture Hours: 5 Lab Hours: None Repeatable: No Grading: O

Prerequisite: MATH 011A or 011R or MATH 012 or MATH 011S or MATH 101 or ELECT 121; all with C or better or placement based on assessment.

MATH-014 - Geometry Units: 3

The course involves the study of plane geometric figures and relationships. This includes logical proofs, constructions, and numerical calculations. The approach is both logical and intuitive, leading to the ability to apply formulas and visualize in two and three dimensions. The course is required of students who plan to take precalculus and /or trigonometry. It is also highly recommended for anyone who has not had or wishes to review high school geometry.

MATH-052 - Mathematics for Elementary Education Units: 3

Mathematics 052 or its equivalent is required of prospective elementary teachers. It covers the structures of the real number system, elementary number theory, and manipulative techniques useful in presenting mathematical concepts to children. Students learn by lecture, problem solving, and participating in projects. An optional Math 052 laboratory is available.

Lecture Hours: 3 Lab Hours: None Repeatable: No Grading: L

MATH-063 - Elementary Statistics Units: 3

This course is an introduction to the study of statistics. It does not require a knowledge of calculus but does assume a familiarity with the basic concepts of intermediate algebra. Topics to be covered include methods of describing data, common sample statistics, probability theory, random variables, common statistical distributions, point and interval estimation, hypothesis testing, and regression and correlation. Additional topics may include goodness of fit, tests of independence, non-parametric methods, and analysis of variance. Students will be required to use a computer software package or a hand calculator to complete several laboratory projects.

MATH-073 - Multivariable Calculus Units: 5

Mathematics 73 completes the three semester calculus sequence begun with Mathematics 71 and Mathematics 72. Mathematics 73 is required of mathematics majors, computer science majors, engineering majors and some physical science majors. In this course the concepts of differential and integral calculus are extended to multivariable functions. The content includes vectors, lines, planes, space curves, partial derivatives, multiple integrals, vector fields, line integrals, surface integrals, and vector calculus.

MATH-078 - Differential Equations Units: 3

This is a course on ordinary differential equations and their applications. Methods are developed for solving first order equations, linear equations of arbitrary orders, and linear systems. Students are introduced to Laplace transforms, as well as some theoretical aspects of differential equations such as existence and uniqueness of solutions, the phase plane, and stability of equilibrium solutions for autonomous equations. Note: Some UC campuses combine differential equations with linear algebra and give transfer credit for Math 78 only when it is transferred together with Math 79. Some CSU campuses offer differential equations as an upper division course and give content credit only for Math 78.

MUSIC-010A - Theory and Aural Skills Units: 4

This course is the first of a sequence designed to equip the student with the skills necessary to comprehend fully the sound and meaning of music through visual and aural analysis. The student will learn the construction principles and aesthetic qualities of major, minor, and modal scales, as well as those of major, minor, augmented, and diminished triads. The functional capacities of scale tones, the traditional use of primary triads, the principles of chord voicing and voice leading, and aspects of rhythms, and timing will be examined in a variety of contexts. The works of Bach, Mozart, and others will form the basis of investigation and discussion. The student will develop a total approach to musical interpretation and appreciation through the projects that involve listening, analyzing, composing, singing, and in-class presentations.

MUSIC-091 - Music Appreciation: Western Civilization Units: 3

This course provides the opportunity for students with no previous experience in music performance or listening to learn an appreciation of the music of western cultures through the development of aural listening skills. The first portion of the course concentrates on the development of a musical vocabulary, and the aural identification and recognition of the basic elements of music both individually and compositely. The remaining portion of the course emphasizes the ability to recognize style in relationship to time periods, countries, groups of composers and individual composers. This is accomplished through the study of specific compositions representing the major forms and composers of each period. Also included in each unit of study is a discussion of the influence of government, philosophy, art, and religion on musical composition.

Physical Science

PHYSC-012 - Earth Science Units: 3

Earth Science is an introductory course in the four main areas of earth sciences: geology, oceanography, meteorology, and astronomy. The course content is delivered primarily through laboratory activities, hands-on experiments, and short lectures. Emphasis is on geology: mineral and rock identification, erosion, igneous activity, plate tectonics, and mountain building. Students will tumble and polish rocks. The oceanography section will cover the continental margins and ocean floor, while the meteorology section will focus on the Earth's dynamic atmosphere and gas content. The astronomy section will present an inventory of the solar system and of our own galaxy.

PHYS-004A - General Physics Units: 5

This course is the first in the physics sequence for majors in physics, chemistry, engineering, mathematics or other physical sciences. The general principles of mechanics are introduced at an elementary but calculus-based level. Specific topics include kinematics, Newton's laws of motion, work and energy, momentum, rotation, and simple harmonic motion, universal gravitation and fluids. Practical applications of these principles are discussed. A problem solving approach is used emphasizing both conceptual understanding and basic mathematical techniques.

AWARDS OF DISTINCTION

Honors At Graduation

Students graduating with cumulative Grade Point Averages (GPA) between 3.5 and 4.0 are eligible to receive a gold chord to be worn at Commencement. The following awards of distinction are designated in the Commencement Program:

* CUM LAUDE.....	GPA	3.5- 3.74
** MAGNA CUM LAUDE.....	GPA	3.75-3.99
*** SUMMA CUM LAUDE.....	GPA	4.0

GRADES

Grades are issued by instructors at the end of each semester for each class. All grades are final and will not be changed unless any of the following can be demonstrated:

Grade Changes/Challenges

- Once awarded, grades are final and cannot be changed except in extenuating circumstances (per Education Code 76224a). Grades will not be changed except in cases involving a) mistake, b) fraud, c) bad faith, or d) incompetency.
- Requests for grade changes must be made within two years of receiving the grade, and will not be permitted after that time period.

Definition of Letter Grades and Symbols

Letter grades and symbols shall be assigned to students to indicate proficiency or grasp of course material according to the following criteria:

Grade "A" – Distinguished

1. The student has mastered the content of the course, is able to apply information learned to new situations, and is able to relate it to other knowledge.
2. The student consistently distinguishes self in examinations, reports, projects, and class participation.
3. The student shows independent thinking in assignments and class discussion.
4. Work is consistently in proper form, shows evidence of careful research, and is submitted punctually.
5. Where achievement in the course involves development of hand or body skills, the student consistently demonstrates superior skills, ability, and performance.
6. The student complies with class attendance regulations.

Grade "B" – Above Average

1. The student consistently shows mastery of the course content, and usually is able to apply it to new situations or to relate it to other knowledge.

2. The student is consistently above average in examinations, reports, projects, and class participation.
3. Work is in proper form, shows evidence of research, and is submitted punctually.
4. Where achievement in the course involves development of hand or body skills, the student consistently demonstrates above-average skills, ability, and performance.
5. The student complies with class attendance regulations.

Grade “C” – Average

1. The student shows evidence of a reasonable comprehension of the subject matter of the course and has an average mastery of the content. The student’s competence in the content is sufficient to indicate progression to the next course in the same field.
2. Assignments are completed in good form and on time.
3. If the subject carries transfer credit, the student has indicated sufficient competence in the content to continue in the subject field upon transfer.
4. The student consistently makes average scores on examinations, projects, and reports.
5. Where achievement in the course involves development of hand or body skills, the student consistently demonstrates average skills, ability, and performance.
6. The student complies with class attendance regulations.

Grade “D” – Below Average / Minimum Passing

1. The student falls below the average in examinations, projects, and reports, and shows substandard competence in the assigned subject matters of the course, indicating probable difficulty in completing the next course in the same field.
2. Assignments are completed in imperfect form, are late, or are of inconsistent quality.
3. Where achievement in the course involves development of hand or body skills, the student consistently demonstrates usable but below-average skills, ability, and performance.
4. The student complies with class attendance regulations.
5. Grade “D” may permit passing to the next course, depending upon course discipline prerequisites.
6. In Optional Pass/No Pass courses the grade of “D” converts to “NP”.

Grade “F” – Failing Grade/No Credit Earned

1. The student makes unsatisfactory grades in examinations, projects, and reports.
2. The student does not show evidence of competence in the subject matter.
3. Assignments may be omitted or are incomplete.

4. Where achievement in the course involves development of hand or body skills, the student consistently demonstrates unsatisfactory skills, ability, and performance.
5. The student does not comply with class attendance regulations.
6. The student is suspended from a course or the College.
7. The “F” grade is used in computing the standards of probation and dismissal.

Grade “P” – Passing Credit Earned

A “P” grade is equivalent to a “C” or better grade. “P” is offered for two purposes: (1) to provide an opportunity for students to pursue areas outside their fields of major interest and to encourage general education, and/or (2) to indicate a successful completion of developmental courses. (Optional) Grade “P” can be converted to an “A” or “B” or “C” grade.

(Mandatory) Grade “P” may be used to progress to the next higher level only in designated development courses.

The “P” grade is not used to calculate academic probation or dismissal.

Grade “NP” – Less Than Satisfactory/No Credit Earned

1. Grade “NP” is used in pass/no pass classes only.
2. The student makes unsatisfactory grades in examinations, projects, and reports.
3. The student does not show evidence of competence in the subject matter.
4. Assignments may be omitted or are incomplete.
5. Where achievement in the course involves development of hand or body skills, the student consistently demonstrates unsatisfactory skills, ability and performance.
6. The student does not comply with class attendance regulations.
7. In optional (Category 1) Pass/No Pass classes a “D” or “F” grade will convert to and “NP” grade.
8. The “NP” grade is used in computing the standards of probation and dismissal.

Symbol “W” – Withdrawal

1. No notation (“W” or other) shall be made on the permanent record of the student who withdraws from a course or the College during the first four weeks, or 30% of a term, whichever is less.
2. Withdrawal between the end of the 4th week and the 14th week or 75% of the term of instruction shall be recorded as a “W” on the student’s permanent record.
3. The permanent record of a student who remains in class beyond the above time limit will show a letter grade other than a “W” grade, unless there are extenuating circumstances. Extenuating circumstances are defined as verifiable cases of accident, illness, or other circumstances beyond the control of the student.
4. “W” shall not be used in calculating grade point

average, but excessive “W”s shall be used in calculation of “Progress Probation and Dismissal.”

Symbol “MW” – Military Withdrawal

1. Military withdrawal occurs when a student who is a member of the US military service receives orders necessitating a withdrawal from classes. Upon verification of such orders, the withdrawal symbol of MW shall be assigned.
2. In stead of an “MW” symbol, a student may directly petition the faculty member for an incomplete (I) grade. If granted, the student will receive an IMW. This grade will default to MW as opposed to the standard letter grades if the student fails to ever complete the class.
3. In the case of a student who is an active or inactive member of the military services and who receives orders compelling a withdrawal from courses, the District shall upon petition of the affected student refund the entire enrollment fee for courses in which academic credit is not awarded.
4. Military Withdrawals shall not be counted in “satisfactory academic progress probation and dismissal calculations.

Symbol “FW” – Unofficial Withdrawal

1. Unofficial withdrawal occurs when students withdraw without permission and without having achieved a final passing grade.

Symbol “I” – Incomplete

The “I” grade may be given only upon written agreement between the student and the instructor. Incomplete academic work for unforeseeable, emergency, and justifiable reasons at the end of the term may result in an “I” symbol being entered in the student’s record. In a written record on an “Incomplete” form, the instructor shall state the conditions for removal of the “I” and the grade to be assigned in lieu of its removal. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed. Students requesting an Incomplete must have completed at least 75% of the term and be in good academic standing.

1. The “I” may be made up no later than one year following the end of the term in which it was assigned.
2. The student may not clear the Incomplete by reenrolling in the course.
3. The symbol “I” is assigned no grade points in computing the grade point average.
4. The “I” is used in calculating “Progress Probation and Dismissal.”

Symbol “IP” – In Progress

The “IP” symbol shall be used to denote that the class extends beyond the normal end of the academic term. It indicates that work is “in progress.” The “IP” shall not be used in calculating grade point average. Only the Office of Admissions and Records can assign “IP”.

Symbol “RD” – Report Delayed

The “RD” symbol can be assigned only by the Office of Records and Admissions. It is used when there is a delay in reporting the grade. This symbol is not used in the calculation of Probation or Dismissal.

Grade Points and Grade Point Average (GPA)

Letter grades and symbols are assigned grade points according to the following system:

A = 4.0	P = 0.0
B = 3.0	NP = 0.0
C = 2.0	W = 0.0
D = 1.0	RD = 0.0
F = 0.0	IP = 0.0
MW = 0.0	

Grade point average is computed by the following formula:
 Grade Point Average = $\frac{\text{Total Grade Points Earned}}{\text{Total Semester Units Attempted}}$

Grade criteria for individual courses are found in the Grades section of the Course Syllabus provided by the instructor on the first day of class.

AUDITING

District policy does not allow auditing and/or sitting in classes without being registered in those classes.

UNITS

A unit is defined as the course credit equal to approximately one attendance hour per week of lecture-recitation, seminar, or other approved course activity throughout a semester. A unit of credit may also be granted for approximately three hours per week of laboratory. The following terms are synonymous: unit, semester unit, semester hour, credit, and credit hour.

PASS/NO PASS GRADING

Students may take some courses on an optional pass/no pass. These are found in the course section of the catalog and have an “O” in the grade designation. A P/NP petition must be submitted to Admissions and Records by published deadlines in the Schedule of Classes. The P grade shall be defined as completion of the course requirements.

Credits earned on a Pass (P) or No Pass (NP) basis:

- May be counted toward satisfactory completion of the Associate degree.
- Are not used in computing the grade point average.
- Will be used in calculating Progress, Probation, or Dismissal.
- May not convert to a letter grade by examination.
- May not be converted to a letter grade once 5 weeks, or 30% of the semester has elapsed.

NOTE: Once this request is made, the student may not request that the P/NP be converted to letter grade at a later date. Choosing P/NP may affect transfer or Honors at graduation eligibility in the future. Students should see a Counselor or the Transfer Center Coordinator for more information.

Pre-collegiate and Basic Skills Courses

All pre-college level courses are graded only on a “P” and “NP” basis. A grade of “P” is entered on the official record for successfully completed courses. If the course work is unsatisfactory, a grade of “NP” is entered. Neither the grade of “P” nor “NP” is considered in computing grade point average.

“P/NP” grades may not be converted to letter grades. Units earned for pre-college level courses are not to be used to satisfy General Education, Associate Degree, or Major requirements, and they are not transferable to a four-year institution.

For specific information about the meaning of the “P” and “NP” grades see the Grades section of this catalog.

Limits on Pre-collegiate Basic Skills Units

Students may not enroll in more than 30 semester units of basic skills courses as restricted by Title V, section 55756(b). The following students are exempted from the limitation on remedial coursework:

1. Students enrolled in one or more courses of English as a Second Language (ESL).
2. Students identified by the district as having a learning disability.
3. Students who show significant, measurable progress toward the development of skills appropriate to their enrollment in college-level courses. Such students need to petition for a waiver of the limitation on remedial coursework with the Counseling Administrator on the campus.

Pre-collegiate/Basic Skills Courses:
ENGL 310, 310L, 321, 321L, 322, 322L, 330, 341, 394
GUIDE 104, 108, 394
II 380, 394
MATH 310, 311, 394

ATTENDANCE

Students are expected to attend all sessions of each class. Instructors may drop students from class if they do not attend the first class meeting. Absences may lead to disqualification from a course in which the instructor requires attendance and maintains an attendance record. No student shall be dropped from a course whose absences are fewer than the number of times the class meets in one week. A student who simply stops attending without formally dropping may receive an unsatisfactory grade and may be required to repay financial aid funding.

Students who are dropped but feel that extenuating circumstances justify their absences may petition for readmission to the course. Petition For Readmission forms are available in the Office of Admission and Records.

CLASS CONFLICTS

Students may register for two or more classes which conflict in day and time only with written authorization of the instructors involved and approval of the Dean of Enrollment Services.

COURSE REPETITION POLICY

Students may repeat any course, two times only, for which they have received a “D” or “F” grade at EVC or SJCC.

Courses repeated for a better grade after 2000 will automatically replace the original non-passing grade in the student’s units completed and GPA calculation. (For original courses taken prior to 2000, students should complete an Academic Renewal petition). The change, noted as Academic Renewal (AR), is posted on the Evergreen Valley College transcript. The original non-passing grade will still appear on the transcript, but no longer be calculated in the GPA.

When students must repeat a course for a third time in order to proceed to the next level course, (where a minimum grade of “C” is required), the second non-passing grade (AR) and the third passing grade will be averaged into the student’s GPA. Students repeating a course for the third time will need to see a counselor and petition the Vice President of Student Affairs.

ACADEMIC LEAVE (LEAVE OF ABSENCE)

Academic Leave provides students with an opportunity to pursue activities related to their academic program otherwise unavailable at EVC. It is also intended for students who, for personal or medical reasons beyond their control, must have a break in attendance.

The application for an Academic Leave of Absence is available in the Office of Admissions and Records. It requires the Dean of Enrollment Services approval, and must clearly state the basis for and duration of the requested leave. Documentation is required to substantiate a leave for personal or medical reasons. There must be a reasonable expectation that the student will return from the Academic Leave.

Leave may be granted for two consecutive semesters, not to exceed a total of three consecutive semesters. In cases of extreme hardship, the Dean of Enrollment Services may grant extensions.

Students who receive Federal Financial Aid must qualify for an Approved Financial Aid Leave of Absence, which includes the following restrictions:

- Leave may not exceed a total of 180 days in any 12-month period.
- The institution will not assess any additional charges nor may the student’s financial need increase, and therefore, the student is not eligible to receive any additional Federal Student Aid.
- A student returning from an approved leave must continue their academic program at the same point in the academic program that he or she began the leave, unless the student was enrolled in a clock-hour or non-term, credit-hour program.
- Students who fail to return after their approved leave will have their last date of attendance recorded as the Withdrawal Date. In the case of Title IV loan recipients, this could affect the loan repayment terms, including the expiration of the student’s grace period.

Upon approval of the application for Academic Leave of Absence, the student's transcript at the college will be appropriately annotated to reflect the leave for the granted period (AL). Students who fail to return after their approved leave will have their last day of attendance recorded as the Withdrawal Date. (See the Office of Financial Aid for more information.) Once withdrawn, students must reapply to the college if they wish to return.

STUDENT RECORDS

Official academic records are kept and maintained in the Office of Admissions and Records. These records consist of a complete listing of all course work attempted at the College: the student's academic transcript record, assessment scores, and transcripts from other schools and colleges. Financial aid transcripts and records of students receiving financial aid are kept and maintained by the Financial Aid Office.

Private Records related to students with physical and learning disabilities are kept and maintained by the Disabled Students Program.

Private records related to students receiving health services are kept and maintained by the Health Services Center.

Private Records related to student behavior leading to disciplinary action are kept and maintained by the Office of the Vice-President, Student Affairs.

All student records are confidential and protected by the Family Educational Rights and Privacy Act (FERPA).

STUDENT ACCESS TO RECORDS

Students have the right to access their records and may challenge any records they find to be inaccurate. For more information on accessing records and the process for changing record inaccuracies, please see the Federal Education Rights and Privacy Act section of this catalog.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

Once a student reaches the age of 18, the college considers him/her an adult, and the parents' rights transfer to the student.

- Parents of students under the age of 18, or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then

has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, **without consent**, to the following parties or under the following conditions:
 - School officials with legitimate educational interest.
 - Other schools to which a student is transferring.
 - Specified officials for audit or evaluation purposes.
 - Appropriate parties in connection with financial aid awarded to a student.
 - Organizations conducting certain studies for or on behalf of the school.
 - Accrediting organizations.
 - To comply with a judicial order or lawfully issued subpoena.
 - Appropriate officials in cases of health and safety emergencies.
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. When applying to EVC, students may request, in writing, that their directory information be withheld.

ACADEMIC PROBATION, DISMISSAL AND REINSTATEMENT

The probation procedure notifies students that their academic performance is below minimum college standards. It is intended to encourage students to take the necessary action to be successful. The process may include a reassessment of educational, vocational, and personal goals. It is essential that the student meet with a counselor.

Academic Probation

A student who has attempted a total of 12 semester units of letter grades (A, B, C, D and F), as shown by the permanent record, will be placed on Academic Probation if the student has earned a cumulative grade point average below 2.0.

Progress Probation

A student who has enrolled in a total of 12 semester units, as shown by the permanent transcript, will be placed on Progress Probation when the percentage of all units in which the student has enrolled and for which entries of "I," "W," and "NP" are recorded reaches or exceeds fifty percent (50%).

Academic Dismissal

A student who is on Academic Probation twice will be academically dismissed from the College if the student earns, in letter grade classes (A, B, C, D and F), a grade point average of less than 2.0 in the next two terms of enrollment.

Progress Dismissal

A student who is on Progress Probation twice will be academically dismissed if at the end of the second subsequent term of enrollment, the number of "I," "W," and "NP" reaches or exceeds 50% of all entries.

Reinstatement After Dismissal

A student must petition for reinstatement following dismissal and must make an appointment with a counselor. Petitions for Reinstatement are available in the Counseling Office.

The petition must contain:

1. An explanation of the situation that resulted in dismissal.
2. A plan for future success.
3. A proposed list of classes for the coming semester.
4. A clear justification for re-admission.

STUDENT LEARNING OUTCOMES

Learning can take place in many different ways, not just by taking a class and being tested. Student Learning Outcomes (SLOs) are measurable and produce data used to assess what is learned by students within a given class, program or service. All courses, services, and programs are using SLOs to help evaluate, and if needed modify, how learning and services are delivered to best meet student needs.

OFFICE OF STUDENT LIFE

Philosophy

Involvement is the key to your success at Evergreen Valley College! The Office of Student Life seeks to create a nurturing campus environment by enhancing your co-curricular experiences, which will increase your likelihood to succeed. This office plays an integral role in student retention by offering students a place to meet new people, gain leadership skills, and have fun. The Office of Student Life serves as the hub of campus events and activities and strives to collaborate with other campus departments, programs, and organizations to meet the various needs of our diverse student population. By visiting the Office of Student Life, you can learn how to join Associated Student Government or one of the many other student organizations that currently exist at EVC.

We encourage you to drop by the Office of Student Life which is located on the 2nd floor of the Gullo Student Center. Ask any Student Life staff member how to get involved, join student government, a student club, or just get campus information. Whether you wish to be a spectator, a participant, or a leader, we can assist you in your journey at EVC.

Student Activities

Student Activities are guided by the belief that college learning extends beyond the classroom. Leadership and co-curricular events and activities provide a “laboratory” for learning within a collaborative environment. Student activities augment classroom instruction by fostering unique and expanded educational and cultural experiences. These experiences prepare students for future civic and social responsibilities through community service, learning, and leadership development experiences. They also foster personal growth and facilitate interaction between students, faculty, and administrators from varied backgrounds in diverse settings through organization of social and recreational activities.

Understanding that the definition of student activities includes co-curricular as well as social and cultural activities, a wide range of diverse activities is encouraged and sponsored by the students, faculty, and administration. Many student activities are supported by the Associated Students in cooperation with various campus organizations. Programs are funded through the \$5 per semester AS Activities/Membership fee.

How can students get involved in Student Life at EVC?

- Attend campus events and activities during the year
 - Week of Welcome
 - EVC Kicks It Outside Student Information Day
 - AS Club Rush (student club information/recruitment)
 - Support events during the year such as Latino Heritage Month, Black History, Women’s History, Asian Heritage, Tet celebrations, and Cinco de Mayo festivities

- Join the Associated Students; participate in campus government
- Join a student organization or start your own
- Plan campus events and activities for students
- Become an EVC Student Ambassador

Students interested in the many activities, organizations, and clubs available at EVC should contact the Office of Student Life located in G-205 or by phone at (408) 274-7900 ext. 6768. Information is also available online at http://www.evc.edu/student_life/

Associated Students Government of Evergreen Valley College

The Associated Students Government of Evergreen Valley College (ASG), with offices located in Gullo II (G2-110), holds open meetings weekly to address issues that affect the entire student body, develops policies that impact and promote student life, and funds student-focused events and activities. Elections are held annually every spring semester, and officers serve for the following academic year. Appointments for various ASEVC positions occur throughout the academic year.

Students interested in Student Government opportunities and activities, should contact the ASG Office in G2-110, or phone (408) 274-7900 ext. 6694. Information is also available online at http://www.evc.edu/associated_students/

Services

- Coordinating campus-wide (cultural, educational, recreational and social) events & activities for students.
- Gullo Student Center reservations and managing use of facilities.
- Off-campus vendors and information tables.
- Approval for posting of flyers on campus.

The Gullo Student Centers

Located In Gullo I:

- Fresh and Natural Food Court (grill, pizza, deli sandwiches, hot entrees, espresso bar, salad bar, fresh fruit & pastries).
- EVC Campus Store (textbooks, supplies, magazines, paper-backs, gift items, candy, computer software, clothing).

The Campus Store is proud to serve students, faculty and staff. We carry course materials, school supplies, logo products, backpacks, greeting cards, candy, and gifts. We are located upstairs in the Gullo Student Center (G-201).

We are committed to keeping the cost of textbooks down by making available as many used books as possible. Our textbook buyback program enables students to recycle their books and to receive cash back on the spot. We pay the highest dollar value during finals week - up to 50% of new book price. We buy back every new and used college textbook for which there is a resale market. To qualify for buyback, a book must be the correct edition, in good condition with all the original pages and components,

and have limited highlighting and writing. Please check individual stores for details.

Our goal is to help students succeed. For more information, call (408) 223-6765; recording ext. 6465; 408) 531-0418 TDD; or visit the campus store website at <http://campusstore.evc.edu>

- ATM Machine (Santa Clara County Federal Credit Union) is located on the lower level in the southeast corner of the cafeteria. ATM is for withdrawals only.
- Game Room (G-111) contains video arcade games, an air hockey table, a foosball table, a jukebox, and coin change machine.
- Pool Table Room (G-112) has a pool table, bar table and chairs for student use.
- Student Lounge (second floor) with Big Screen TV for viewing broadcast television.
- Cyber Lounge (G -201) houses I-Mac computers for Internet access.
- Vending Machines and Microwave (G-106) are available for students.

Located In Gullo II:

- Associated Students Office (G2-110).
- Conference and meeting rooms.

For more information about the Gullo Center hours of operation, and available services check the website at <http://www.evc.edu/gsc/>.

CHILD DEVELOPMENT CENTER

The Evergreen Valley College Child Development Center is an on-campus laboratory school that provides a high quality, developmentally appropriate toddler and preschool program for young children, who are between the ages of 22 months to 5 years. Our teachers facilitate learning in the areas of early literacy, math, science, writing, art, music, independence, social competence, multicultural appreciation, and physical/ motor skill competence while preparing children for success in kindergarten. The Evergreen Valley College Child Development Center is also a laboratory school where students in the Early Childhood Education program at SJCC conduct observations, student-teach, and receive mentorship and guidance from our excellent team of certificated teachers.

Excellence in Teaching

All children receive a high-quality education because they are taught by a professional, experienced, and talented team of teachers. Our teachers hold professional credentials in Early Childhood Education and have many years of teaching experience in the ECE profession. They are dedicated to providing a safe, educational, fun, and caring environment for all children.

Eligibility

Single parents must be enrolled at either EVC or SJCC. In two-parent families, both parents must be students, OR one parent must be a student and the other parent must be employed or incapacitated. All students must be enrolled in a minimum of 9 units of daytime, weekday classes.

Cost

Low-income students may be eligible for a state-funded subsidy in which the State of California pays for all or some of the costs. Fees are charged on a sliding scale as determined by the California Department of Education and are calculated based on the family's gross monthly income. Higher-income students and staff may inquire about our full tuition rates by calling the center at (408) 270-6452.

How to Apply

After you have registered for at least 9 units of daytime, weekday classes, please stop by the center to fill out an application in person.

Location: The Child Development Center is in a chocolate-colored building, located in the student parking lot, on the Yerba Buena Road side of the campus. For hours of operation and more information call (408) 270-6452, or visit us online at <http://www.evc.edu/cdc/>.

COUNSELING AND GUIDANCE

Academic counseling and guidance services are available to all Evergreen Valley College students and prospective students. Our counselors assist students with exploring career, educational, and personal goals. Counselors work jointly with students to develop a student educational plan (SEP) to fulfill the course requirements to meet the student's goals. University transfer, occupational study, basic skills development, professional and personal enrichment are all included in academic counseling services.

In addition to providing counseling services, our faculty teaches guidance courses to assist students with college orientation, career exploration, study skill success, and the like. These classes are listed in the catalog and schedule under the heading Guidance.

Day and evening counseling services are available on both an appointment and a walk-in basis. For office hours, more information and/or to schedule a counseling appointment, contact the EVC Counseling Department, located in the Student Services Building, Room SC-256, at (408) 270-6475, or visit us online at: <http://www.evc.edu/counseling/>

DISABILITIES SUPPORT PROGRAM (DSP)

The Disabilities Support Program (DSP) provides support services and instructional programs for students with disabilities who are attending Evergreen Valley College.

A variety of services are available including academic and vocational counseling, interpreting or captioning services (for students who are deaf), mobility assistance, provision of print materials in alternate formats (for students with visual impairments or learning disabilities), tutorial assistance, and individual adaptive assistance as needed.

Specialized courses offered through the DSP include classes for students with learning disabilities, speech/language impairments, visual limitations, hearing impairments, and mobility limitations. Specific courses in adaptive physical education (APE), assistive computer technology, and learning strategies are offered to accommodate students with various disabilities.

Services offered through the Disabilities Support Program comply with Section 504 and 508 of the Federal Rehabilitation Act of 1973 and its amendment of 1998, Title V of the State of California Education Code, and the Americans with Disabilities Act of 1990.

High Tech Center for Students with Disabilities

The High Tech Center, located in the DSP, is available for students who are unable to access the screen, keyboard, or word processing in traditional computer classes. Training is provided in assistive hardware/software to meet the unique needs of students with low vision, orthopedic or learning disabilities, hearing loss, or cognitive disabilities acquired from brain injuries. Students can utilize software designed for cognitive retraining, basic skills development, and problem solving improvement.

For office hours, more information, or a counseling appointment, visit the Disabilities Support Program office in the Student Services Center, Room SC-120, or call (408) 270-6447 (voice) or (408) 238-8722 (TTY). Information is also available online at <http://www.evc.edu/dsp/>.

EXTENDED OPPORTUNITY PROGRAM AND SERVICES (EOPS)

The Extended Opportunity Program and Services (EOPS), offers financial assistance and academic support for obtaining a college education. EOPS is a California funded student support program designed specifically for students facing financial and educational challenges. The mission of EOPS is to provide financial and academic services to eligible students seeking a vocational certificate, associate degree or transfer opportunity to a traditional college or university.

The EOPS program has counselors, outreach specialist, administrative support, student workers and a program director dedicated to the overall success of students coming from diverse cultural, social, educational and economic backgrounds. EOPS welcomes students from all stages of life and perspectives. The program is here to assist in the success of EOPS students.

The EOPS Office is located in the Student Service Center, (SC118). Our Office hours are listed on page 136 of this schedule. Our telephone number is 408/270-6455 or visit the website at www.evc.edu/eops for application information.

To be eligible you must be:

- A California resident as determined by the Evergreen Valley College Admissions and Records Office.
- Qualify for the Board of Governors Fee Waiver, (BOGFW) Part A or B. Visit the Financial Aid Office to complete and submit the form.
- Completed less than 70 units of college-degree applicable credits (including all prior college work).
- Enroll in a minimum of 12 course units per semester.*

*Exceptions as approved by the Disabilities Support Program

Cooperative Agencies Resources for Education (CARE) Program

Assistance for Single Parents?

(CARE) is a California-funded program designed to help EOPS students who are single parents. In conjunction with the Santa Clara County Department of Social Services and other community agencies, the CARE program offers over and above services to single parents pursuing higher education.

The CARE Program provides students with grants, school supplies, child care information, transportation assistance, and food vouchers. These services are in addition to the services provided to EOPS students

To be eligible for CARE services you must;

- Meet all EOPS requirements
- Be a parent and at least 18 years of age
- Be a single head of household
- Have at least one dependent child under the age of 14
- Receiving Temporary Assistance for Needy Families (TANF), Benefits

A CARE application is required with an EOPS application.

CARE applications are available in the EOPS Main Office, located in the Mauro Chavez Student Service Center. Please call 408/27-6429 for additional information, or access our website at www.evc.edu/eops

STUDENT SUPPORT SERVICES (FASTRACK) PROGRAM

Student Support Services (SSS) TRIO program designed to assist first-generation (those whose parents did not complete college), low income, disabled students, and former foster youth as they prepare to obtain a two-year degree and/or transfer to a four-year university. The program provides educational planning, career planning, guidance course for program participants, workshops, counseling, cultural enrichment activities, scholarships and tutoring, university visits, transfer preparedness, and referrals to on-campus and community resources.

Counseling

The SSS program offers a wide variety of counseling services to students enrolled in the program. Because the maximum student-to-counselor ratio is 160 students to 1 counselor, compared to 1,000:1 for general campus counseling, the SSS counselor is able to provide more personalized attention and customized counseling services for every student enrolled in the program. Services include academic planning, academic progress reporting, personal counseling, transfer information, career assessment and planning, financial aid counseling, and scholarship information.

Educational Planning and Career Planning

With the help of a program counselor, students are able to plan academic and/or career goals and to complete an individualized Education Plan. This plan serves as a “roadmap” to detail the classes the student will need to meet his/her educational goals. The Educational Plan is designed to ensure that those goals are met in an organized and timely manner.

Workshops

The SSS program offers various workshops designed for student personal growth and academic development. These workshops provide information in areas such as financial aid, transfer requirements, study skills, test taking techniques, time management, money management, writing skills improvement, and math problem solving strategies.

Tutoring

The SSS program offers tutoring services in various subjects in cooperation with the EVC Tutoring Center and SSS Math Faculty members. These services provide additional support to students who are experiencing difficulty in academic courses.

Cultural Enrichment Activities

Through the SSS program, students have the opportunity to visit four-year universities and museums, as well as attend theater productions and musical performances. These activities allow students to be exposed to activities that will help them to experience transfer possibilities, broaden their horizons, strengthen their social skills, and develop an appreciation for the arts and culture.

Eligibility Requirements

For an EVC student to receive services from the SSS Program, he/she must meet the federal eligibility requirements outlined by the U.S. Department of Education. Applicants must:

- Be a first generation college student.
- Have a maximum individual taxable income of \$15,600 (add \$5,400 for each additional family member in the 48 contiguous states; \$6,750 for Alaska; \$6,210 for Hawaii)*.
- Is an emancipated foster youth
- And/or have a learning or physical disability.

Applicants under the age of 24 with no dependents must supply parents’ income information.

Students also should be eligible to take English 102/104 or ESL 92/103 and Math 11 A/12. Applications may be obtained in the SSS Office.

*This maximum figure may increase in the 2008-2009 academic year.

Location

SSS is located in SC-110, in the lower lever of the Student Center. For office hours and information, call (408) 274-7900, ext. 6547, or visit us online at <http://www.evc.edu/fastrack/>.

HEALTH SERVICES

The Health Clinic offers services for treatment of minor illnesses and emergency medical care as needed. Illness or accidents incurred on campus should be reported immediately to Campus Police who will contact Student Health Services. Student Health Services are not available during summer or winter session.

All services are completely confidential.

Services Available

- Treatment for chronic and minor illnesses
- Immunizations and TB skin testing
- Pregnancy tests
- Some low-cost medications
- Medical emergency care when needed
- Referrals to community health agencies

Student Health Services do not cover the following:

- Ambulance, family coverage, fees involving off-campus care, hospitalizations, laboratory cost, ongoing medical care, and pharmacy cost, or X-ray cost.

Effective Spring 2009 the BOGFW will no longer cover the health fee. Current health fee is \$17.00, but it is subject to change. Health fees are mandatory with the following exceptions:

- Concurrently enrolled high school students with an approved R-40 and/or R-42 form on file
- Indentured apprentices fulfilling related instruction requirements (proper documentation required)
- Students who are dependent exclusively upon prayer for healing, in accordance with teachings of a bona fide religious sect, denomination, or organization (proper documentation required)
- Students enrolled only for classes meeting off-campus
- Students taking Friday evening, Saturday or Sunday classes only
- Students taking short-term classes which meet on campus seven times or less

Requests for waiver or refund of Health Fee are made at the Office of Admissions & Records. These requests should be made at the beginning of each semester.

Accident Insurance Program

The Community College District also provides to students, children of students, visitors, and athletes accident insurance while on campus. Coverage is related to accidents under the following circumstances:

- Students – while attending regularly scheduled classes on the campus, college-sponsored activities, including club activities, and while traveling under college supervision to and from college-sponsored events.
- Student Athletes – while participating in or attending any regularly scheduled practice or competition supervised by an authorized representative of the College, or while traveling directly to and from practice or competition with other members as a group, provided such travel is supervised by an authorized representative of the College.
- Children of Students – while in or about the child care facility on the College campus, and while attending “Mommy and Me” classes provided by the College with their student parent, if applicable.

- Official Visitors – who have been formally invited to the campus or who are on campus to conduct research or to address the faculty and/or students. Vendors and non-student spectators, regardless of activity, are not official visitors

This information is provided as a guide, and neither replaces nor supersedes the actual provisions of the insurance program.

Financial and Legal Limitations

Although the College provides health services for enrolled students, it is in no way financially responsible for the total medical care of the student nor is it legally liable for accidents occurring on campus.

Location

Student Health Services is located in SC-124, on the lower floor of the Student Services Center. For office hours, more information or to make an appointment, please call (408) 270-6480. Information is also available on our website at http://www.evc.edu/health_services/

EVC JOB PLACEMENT CENTER

Job placement services are available to all students enrolled at Evergreen Valley College. The Cooperative Education Work Experience/Job Placement Coordinator will assist students who are seeking full-time, permanent, employment opportunities related to their vocational academic major, or assist with identifying part-time employment to assist with finances while attending college.

Local employers, as well as other various companies, are aware of our job placement services and are continuously seeking to provide employment opportunities to Evergreen Valley College students.

In addition, our office provides information regarding the current labor market and job search techniques and will assist students with preparing or enhancing a résumé on an appointment basis.

For office hours and information regarding these opportunities, contact the Cooperative Education/Job Placement Coordinator, at (408) 274-7900 ext. 6857, stop by the office located in Student Services Center SC-214, or visit online: http://www.evc.edu/transfer_center/

LEARNING RESOURCE CENTER

The centralized Learning Resource Center (LRC) provides a variety of learning resources for students. These include Library Services, Individualized Instructional Lab, and Campus Tutoring Services.

The mission of the Learning Resource Center (LRC) is to enable students to improve their academic performance and enhance their educational experience by engaging in student-centered learning activities. These include topical workshops, study groups, discipline-based seminars, tutorial sessions, and interactive subject area computer programs.

Students can work at their own pace using computerized instructional material in the faculty supervised Computer Lab. Students have an opportunity to interact with their instructors as well as in small study groups. In an atmosphere carefully structured to be conducive to learning and to meet individual student's academic goals, the student can take advantage of a myriad of instructional activities and learning tools.

The Learning Resource Center is located on the lower level of the Library Technology Building (LE-200). For operating hours and more information, call (408) 270-6333.

LIBRARY SERVICES

The Library is located on the third floor of the Library/Educational Technology Building. It is a place to study and do research. The Electronic Research Area has computers with access to several full-text databases and the Internet, enhancing an excellent collection of books, magazines, audiocassettes, videos, DVD's and music CDs. The online catalog is a database of all materials available in both the Evergreen Valley College and San José City College Libraries.

Additional services and resources include assistive technologies, laptop computers, free (unsecured) wireless access to the Internet, study rooms for groups, research guides, and ongoing cultural/art displays.

Loan rules vary by type of material. Students must obtain an EVC Student ID card from Admissions and Records to check out Library materials or to use computers in the Electronic Research Area.

Many classes come to the Library each semester for workshops tailored to the needs of particular assignments. Interested faculty should call or visit the Reference Desk to make appointments for class visits and to find Library resources in their disciplines.

A 3-unit online course, Electronic Research and the Internet (LIB 015), teaches students information literacy and how to conduct research using current information technologies.

Copy machines and print cards are available for a small fee. Small group rooms are available free of charge in the Library. Reference librarians and library technicians are ready to help. For hours of operation and more information please call (408) 270-6433, or visit our website at <http://www.evc.edu/library/>.

INDIVIDUALIZED INSTRUCTION PROGRAM

The Individualized Instruction Program was developed to augment and supplement classroom instruction. Students meet with an instructor to determine individualized course objectives and learning activities. Later, the students work at their own pace using computerized instructional material in the faculty supervised Computer Lab. Students have an opportunity to interact with their instructors as well as in small study groups. In an atmosphere carefully organized to be conducive to learning and to individual students' academic goals, the students can take advantage of self-paced computer modules developed with two primary focuses:

1. To teach computer skills such as keyboarding, word processing, spreadsheets, database, graphics, desktop publishing, Internet basics, and the Macintosh operating system
2. To supplement classroom instruction in various subject areas, such as math and grammar.

The list of courses is frequently updated to provide individualized instruction and self-paced learning in most current technologies and other subject areas.

The Individualized Instruction Program is located on the lower level of the Library Technology Building (LE-200). For operating hours and more information, call 274-7900 x6333.

CAMPUS TUTORING PROGRAM

Tutorial services are provided to students by qualified student tutors in various academic areas. Tutors support the students' regular instructional programs through individual and small-group tutoring. Tutoring is also provided on a drop-in basis. The Tutoring Centers have been established to provide support, motivation, and encouragement for students. To receive tutoring services, a student must register for an II 210 Supervised Tutoring section in either center. This is a noncredit course, free to students registered at Evergreen Valley College.

Students who are interested in becoming tutors should be enrolled at the college for at least six units (three of which may be at San José City College), have a "B" or better grade in the course that they want to tutor, successfully complete the individualized Tutor Training Seminar (II 90), and be recommended by an instructor. Tutors who complete training receive a certificate from the College Reading and Learning Association.

Location

The Campus Tutoring Center is located in the Library Technology Building (LE-200). For center hours or more information please call (408)274-7900 ext. 6802, or visit our website at http://www.evc.edu/tutoring_center/

The Math and Science Resource Center is located in the Acacia Building Room AD-141. For center hours or more information please phone (408) 274-7900, ext. 6883, or visit online at <http://www.evc.edu/mse/mathCenter.htm>

TRANSFER/CAREER/CO-OP EDUCATION CENTER

The Transfer/Career/Co-op Ed Center provides transfer, career, and cooperative education work experience services. This important resource center is staffed by a Transfer counselor/coordinator, Cooperative Education Work Experience Coordinator and a transfer program specialist that are committed to working with students on long range goals as they prepare to transition from Evergreen Valley College to a four year college institution or directly into a career field.

Transfer Services:

The successful transfer of EVC students to a wide variety of in-state and out-of-state colleges and universities is a high priority for the college. The Transfer Center is committed to providing services which directly assist potential transfer

students in preparing for upper division work at a four-year college or university. Outreach efforts are made to identify and encourage students who have chosen or who may choose transfer as their educational goal. The EVC Transfer Center also works closely with many four-year institutions to facilitate the transfer process. Transfer services include:

- Academic preparation of an educational plan that leads to successful transfer
- Advising sessions with UC, CSU, and Private University Representatives
- Transfer workshops - TAA, TAG, Online Applications, UC & CSU Information, Personal Statement, WST, and others
- Transfer Day – Fall Semester (September)
- Assistance with Transfer admissions procedures and academic planning.
- Preparation of Transfer Admission Agreements/ Guarantees (TAA/TAG). To various UC, CSU and Private 4-year colleges and universities.
- Campus tours and Field trips to Universities.
- Seminars - Presentations from alumni, specialized topics relating to transferring, UC, CSU, and Private University highlights and others.
- Transfer Students Recognition Reception.
- Transfer Center Open House – First Month of Fall (September) & Spring (February).

Resources Available in the Center:

- College/university catalogs
- Applications for admission assistance
- Course schedules
- Articulation agreements
- Scholarship information
- Career and Transfer Reference books
- Computer software programs
- Computers
- ASSIST.org (computerized student-transfer information system)
- Transfer informational brochures

The Bridge to Transfer Program (BTP)

In partnership with Cal SOAP and UC college representatives, BTP works in collaboration with high school students who are interested in transferring to a university but may not be ready for admission to a four year institution. The student's educational progress is monitored by the Transfer Counselor/ Coordinator in the Transfer Center to ensure that they understand the transfer requirements, complete appropriate course work, prepare a Transfer Admissions Agreement/ Guarantees (TAA/TAG) and seek out scholarships, financial aid, and other support services available for transfer students.

Cooperative Education Work Experience and Career Services:

The Cooperative Education Work Experience program is a cooperative effort by the college and the community to

provide opportunities for students to discover their interests and aptitudes. The program serves to develop attitudes, work habits, and understanding of the world of work. The curriculum taught will assist the student in becoming a successful employee. Study and work are integrated, making both more relevant and rewarding.

The Cooperative Education Work Experience Program (Co-op Ed) is designed to help students expand their career options and develop new job skills. General Work Experience allows students to work and earn college credit. Students can earn 3 units of credit for a maximum of six units of credit. Occupation Work Experience allows students to earn college credit in their field of study by providing evidence that they are enrolled in a vocational program. Students can earn up to 8 units per semester to a maximum total of 16 units. In order to participate in the program students must have an internship or employment opportunity approved by program coordinator. Career and Work Experience services include:

- Assistance and support for students participating in the work experience program
- Internships and Employment Opportunities (Placement is not guaranteed)
- Online career assessment through Eureka
- Eureka Searches (computerized career information)
- Career Guidance workshops on Resume Writing, Interviewing Skills, How to Get a Job, Changing Careers
- Career advisement and referrals to alumni or friends of Evergreen Valley College who are established in their careers
- Career Fair
- Employability Workshops and Seminars

Location

Second Floor - Dr. Mauro Chavez Student Service Center Building, SC-214. For office hours and more information call (408) 270-6470.

Visit online at http://www.evc.edu/work_experience/

VETERANS AFFAIRS

Evergreen Valley College is approved to enroll veterans by The Council for Private Postsecondary and Vocational Education. Eligible veterans may receive benefits while pursuing a college degree or certificate. Veterans may verify their eligibility by calling the San Francisco Veterans Administration at (800) 827-1000. Veterans and dependents may apply for educational benefits by contacting the Veterans Coordinator in the Office of Admissions and Records, or by calling, (408) 270-6430. After meeting with the Veterans Coordinator, please schedule an appointment to see a VA counselor at (408) 270-6474. A counselor will assist the Veteran to develop an education plan that meets the Veteran's goals, and complies with Veterans Affairs guidelines.

In compliance with the Code of Federal Regulations Section 21.4253 (d)(4) a veteran or eligible person receiving GI Bill Educational Benefits and placed on academic probation for unsatisfactory progress shall have their benefits terminated if

his or her grade point average remains below 2.0 at the end of two terms on probation. Benefits may be reinstated when the student's progress is satisfactory (i.e. grade point average is 2.0 or above)

Effective, January 1, 2008 members of the armed forces in active duty and former members separated from active duty within the last two years, are granted priority registration, along with EOP&S students and students with disabilities.

SPECIAL ACADEMIC PROGRAMS

Accelerated Degree Program

The Accelerated Degree Program allows working adults to get their degree at or near their place of employment. It is designed so students can complete an Associate in Arts degree in the shortest amount of time while continuing their careers. Classes start frequently, and students do not need to wait for a semester to begin.

The Accelerated Degree Program is a concentrated, focused program with classes scheduled two evenings per week or on Saturdays in 6- and 8-week blocks. Students concentrate on one course at a time, and can finish the program in 2-1/2 years if they are eligible at the English 001A level. The Accelerated Degree Program is open to everyone; it provides quality education in a fast-paced, organized, conveniently structured environment.

For office hours and information, call the Accelerated Degree Office (S130) at (408) 270-6434, the Accelerated Degree Counselor (408) 274-7900 ext. 6629, or (408) 274-7900 ext. 6475 (the Counseling Office). Visit our website at <http://www.evc.edu/adp/>

AFFIRM Program

The AFFIRM (Academic Force for Inspiration, Retention and Matriculation) Program's philosophy is that the classroom experience must be rewarding to students, and that they should be exposed to and/or involved in a variety of specialized learning strategies in supportive learning environments. The major focus of the AFFIRM Program is to assist students in developing positive self-images as successful college students while providing them with the opportunity to acquire a solid foundation of basic skills in a supportive environment.

The AFFIRM program is an academic program and offers Basic skills courses that include English 330, 104, 001A, Math 311 and 011A. Transfer level courses include Guidance 095, 193, and 080, Chemistry 030A, and Political Science 001. All courses offered will enhance success and progress towards the desired goal.

The AFFIRM Program, although specifically designed for African-American students, also serves all students who desire the nurturing services that are offered by the program, regardless of race.

The overall goal of the AFFIRM Program is to provide academic and personal assistance that will significantly increase graduation and transfer rates of all students in the program.

AFFIRM Program Admissions Criteria

Students who are admitted to the AFFIRM Program must be at the English 322/330 level (Reading and Writing Level 1); at-level placements can be determined through the placement test scores and/or a writing sample. The AFFIRM counselors are responsible for screening students who enroll in the AFFIRM Program. Students who are not at the English 322/330 levels will be placed in other appropriate classes, and will be eligible to use all other AFFIRM services, such as counseling, tutoring, book loans, scholarships, etc.

Support Services

1. Academic Counseling

A counselor is assigned to work specifically with all AFFIRM students. Academic counseling makes it possible for each student to discuss and explore options about their future goals and to develop an educational plan that maps the route by listing courses in sequence that will assist them to attain their goals.

2. Tutoring

Students receive one-on-one assistance with their course work with experienced tutors. This service provides students with the encouragement and support needed to succeed; it has significantly contributed to the increased retention rate of AFFIRM students.

3. Scholarships and book loans

These are made available to assist as many students as possible. The three AFFIRM scholarships are awarded in Spring semester only. The AFFIRM Program also offers book loans for both Spring and Fall semesters.

For office hours and information, call the AFFIRM Program (SC-206) at (408) 274-7900 ext. 6853, or visit online at <http://www.evc.edu/affirm/>

ASPIRE Program

The ASPIRE (Asian/Pacific Islander Resources for Excellence) Program is designed to enhance the academic and personal success of Asian/Pacific Islander students, utilizing the commitment and skills of faculty, staff, and mentors. The program welcomes all students who may benefit from the nurturing services that this program offers.

The ASPIRE Program offers courses in Communication Studies, English, Ethnic Studies, Math, and Political Science. Success in these courses will provide the foundation for student achievement of academic and career goals. These courses employ culture-specific course materials and learning strategies.

The key support components of the ASPIRE program are culturally sensitive tutoring, counseling, mentoring, and scholarship opportunities. ASPIRE tutoring helps students succeed in ASPIRE courses and in other college courses.

ASPIRE tutors are trained and supervised by program faculty and staff to provide instructional assistance consistent with program principles and methodologies. ASPIRE counseling incorporates culture-specific strategies to provide academic, career, and personal counseling. The counselor works with program faculty and staff to develop and implement strategies

to maximize student success. ASPIRE campus and community mentors provide students with important advice and guidance. They serve as role models and provide links between the academic and the community/work world. ASPIRE also sponsors several scholarships to help students attain their academic goals.

For office hours and additional information, contact the ASPIRE Program Specialist, in Acacia 5-204, by phone at (408) 274-7900 ext. 6227, or visit our website at <http://www.evc.edu/aspire/>

Distance Education Program

The Distance Education Program at Evergreen Valley College offers a variety of college credit courses for students interested in learning on an independent basis. The program includes both Telecourses and Online courses.

A Telecourse is an integrated learning system that uses telecommunications to teach, inform, and provide students with a comprehensive learning experience. Adults can earn college credit at home or at work by enrolling in one of the Distance Education Telecourses offered by EVC. Telecourses are produced by colleges and universities experienced in education technology and instruction design. Students meet on campus to take exams, and attend review/study sessions.

Online courses offer independent learning, which is truly space and time independent. These courses use the internet and other online technologies to deliver instruction. They are ideal for working adults or anyone who cannot attend classes on campus on a regular basis.

Hybrid courses offer both in class and online delivery of instruction. It is ideal for students who need the structured classroom interaction while not having to attend class by using online technologies.

Distance Education courses are available in a variety of disciplines including business, science, computer science, intercultural studies, foreign language, and social science. They are equivalent to on-campus courses, and a majority of the courses meet General Education and transfer requirements. (See the section "Distance Education Programs" in the Schedule of Classes for a listing of available courses and enrollment procedures.)

Distance Education courses are designed for those who are unable to attend campus classes on a regular basis, prefer independent learning, or would like to take a course at their convenience. Distance Education courses are ideal for persons working toward a college degree, continuing education students, and business professionals who want to brush up professional skills. Students who are usually successful in the Distance Education Program enjoy learning independently, are highly motivated, and possess good study skills.

The Distance Education Program Office is located in the Library Educational Technology Building, room LE- 208. For office hours and more information, call (408) 270-6422, see our Web page at <http://www.evc.edu/de/>

ENLACE Program

The Enlace Program is designed to help Latino/a students succeed. The goals of Enlace are:

- To enable Latino/a students to successfully complete the Enlace English, Math, Science, and Guidance courses.
- To increase the number of Latino/a students who graduate with an Associate of Arts or Associate of Science degree.
- To increase the number of Latino/a students who transfer to four-year colleges and universities.

Latino/a community professionals contribute to the program as mentors; serving as role models; sharing their personal academic, and career experiences; and providing guidance and motivation for the students.

The Enlace Counselor meets with Enlace students to set career goals, take appropriate courses, and prepare to graduate and/or transfer.

Three student organizations help students succeed academically, contribute to the community, and develop leadership skills: the Enlace Student Association (ESA), the Enlace Honors Society (EHS), and SACNAS (Society for the Advancement of Chicanos and Native Americans in the Sciences).

The Enlace office is located in Roble 5-134. For office hours and more information, contact the Enlace Program Specialist at (408) 274-7900, ext. 6598, or visit our website at <http://www.evc.edu/enlace/>

Honors Program

The Evergreen Valley College Honors Program serves high achieving students in all majors and interests on our campus by:

- Offering a list of designated Honors Courses each semester.
- Allowing Honors Credit for other academic courses by way of individual class contracts with the instructor, which must be approved by the coordinator.
- Awarding of yearly scholarships to active Honors students.
- Providing specialized counseling.
- Providing priority registration privileges which allow active, qualified Honors students to register early.
- Acknowledging Honors work both on student's transcripts and at Graduation.
- Inviting all Honors students to participate in campus events, and to use the Honors office for homework, meetings, and other gatherings.

New and incoming students must accrue 12 units of college credit at Evergreen Valley College and achieve a GPA of at least 3.25 before they qualify for the Honors Program. Applications are processed by checking the student's GPA, then informing the student by mail or email of acceptance.

Within one semester following admittance, each Honors student must submit to the Honors Program Office at least one signed contract from an Evergreen Valley College instructor. The contract must contain a minimum of two of the Honors course criteria, be approved as meeting program standards, be academic in nature and from a transfer level class, and be completed with a grade submitted by the end of the semester. The contract submitted to the Honor Program Office must stipulate the course, the number of units, the instructor, and the Honors project the student will complete in order to remain an Honors student in good standing and an active member of the Honors program, which allows the students to be eligible for priority registration.

Please consider this opportunity if you are a serious student who wants to stand out as exceptional; this continuous academic support during your undergraduate education can make a difference now and when you transfer.

Handouts and information are always available in the office, and the hours of staffing are posted. For more information, contact the Program Coordinator at (408) 274-7900, ext. 6566, visit the office in RE 206, or see our website at <http://www.evc.edu/honors/>

Service Learning Program

Building Future Leaders and Strengthening Communities Through Service

Service Learning connects academic instruction with community service through reflection and critical analysis. At EVC service experiences are carefully designed so as to enhance the learning objectives of each class, meet real community needs, encourage cross-cultural awareness and promote civic responsibility.

EVC Service Learning Program offers students the opportunity to connect classroom instruction with real life experience through community service. Students can substitute quizzes, midterms, research papers, and other assignments by electing to study in the community. Students who elect a service learning assignment will be asked to reflect, discuss, and write about their service experience and how the service relates to what they are studying in their class. This hands-on approach provides students with opportunities to explore different careers, increase self-confidence, enhance résumé and employment opportunities, as well as transfer and scholarship applications. At the completion of the course, students receive a certificate signed by the college president.

Find out how you can make a difference in your life, your studies, and your community.

The Service Learning office is located in Roble D-216. For office hours and more information please call (408) 223-6770, e-mail at evcservicelearning@evc.edu, or visit our Web site at http://www.evc.edu/service_learning/

WIN Program (Workforce Initiative Network)

San José/Evergreen Community College District's **Workforce Initiative Network (WIN) Program** is an umbrella for several programs, including: CalWORKs, Foster and Kinship Care

Education Program, Independent Living Program, and Keys to Success.

The WIN office is located in SC-201. For office hours and information call (408) 274-7900 ext. 6589 or see online at <http://www.evc.edu/win/>

CalWORKs Program

The CalWORKs (California Work Opportunities & Responsibility to Kids) provides services to parents receiving TANF (Temporary Aid to Needy Families) in conjunction with the County of Santa Clara. The CalWORKs Program offers accelerated vocational training and degree programs for students.

The WIN Program provides students an opportunity to obtain an education and earn a vocational certificate or degree in a variety of high demand fields. Quality instruction combined with "hands on" work experience and service learning prepares students to successfully compete for rewarding employment. The vocational training and degree programs are linked to career ladders that provide students the opportunity to continue their educational and professional goals while employed. The WIN Program serves CalWORKs and Keys to Success students.

The CalWORKs Program has a Work/Study component that allows students to work on- or off-campus without a deduction in their cash aid. Students gain valuable and rewarding experience in their chosen field through the Work/Study Program. A WIN Program Job Developer also works directly with each student to determine job readiness, skills, and interests to match current openings. Additionally, we provide résumé assistance and interviewing skills to ensure that our students are prepared for the workforce.

To assist CalWORKs students in their studies, the program provides dedicated EVC educational counselors, job placement officers, work experience coordinators, and program assistants who work together to make each student's school to work transition a rewarding experience. Through funding from the County of Santa Clara, CalWORKs students receive: child care support services, transportation, books, supplies, and other school-related expenses. This program also links with financial aid, admissions and records, tutoring, and other community and campus related services. CalWORKs Office is located in room SC-201 For more information call (408) 274-7900 ext. 6589, or visit our website at <http://www.evc.edu/win/>

Foster and Kinship Care Education Program (FKCE)

The FKCE program provides parenting and child development training for kinship care-givers. Kinship caregivers are those who care for and parent foster youth. In collaboration with many community based organizations, the FKCE Program ensures that kinship caregivers have the tools and training necessary to successfully parent foster youth. The FKCE Program works together with the County of Santa Clara to ensure that all licensing requirements are met.

The FKCE program is located in the Student Services Center, SC110. For more information, call 408.270.6499 or visit www.evc.edu/FKCE

**Youth Empowerment Strategies for Success (YESS)
(Formerly ILP)**

The YESS program at Evergreen Valley College provides educational, daily living, financial literacy, career planning skills, and on-campus support and resources to foster and probation youth who have been living in out-of-home care (foster homes, kinship families, group homes, or residential placement).

The Evergreen Valley College YESS Program is committed to prepare and support our foster youth in their transition to self-sufficiency by giving them the necessary academic preparation, career planning, and life skills to become successful adults.

The YESS program is located in the Student Services Center, SC110. For more information, call 408.2706499 or visit www.evc.edu/YESS

The Keys to Success Program provides learning disability testing and certification for CalWORKs clients. Included in the program is a three week workshop where clients develop the insight, self-awareness, and understanding of how their learning disabilities may affect their lives. Compensatory strategies will be provided to assist them to deal most effectively with life's challenges.

The Keys to Success Program gives comprehensive written evaluations that outline test results. A student then has an understanding of their learning disability's strengths and weaknesses in a vocational or educational environment. Based on that information, specific training implications and accommodations can be made for each referred student. The office is located at 1879 Senter Road, San José. For office hours and more information please call (408)793-8622.

ACADEMIC FREEDOM POLICY

Institutions of higher learning exist for the common good and not to further the interest of either the individual instructor or the institution as a whole. The common good depends on the free search for truth and its free expression; to this end, faculty and students hold the right of full freedom of inquiry and expression.

Academic freedom is essential to these purposes and applies to both teaching and research. Freedom is fundamental to the protection of the rights of the teacher in teaching and of the student in learning.

Academic freedom cannot be separated from academic and professional responsibility.

The instructor has the right to study and investigate, interpret findings, and express conclusions based on these findings to students. The instructor has the responsibility to be thorough in investigations and to draw conclusions supported by research. Because human knowledge is limited and changeable, the instructor may present views that are controversial and evaluate opinions held by others while respecting the right of free expression.

The student may express and defend views to question or differ without suffering repression or scholastic penalty. The student has the same responsibility as instructors — to seek and weigh evidence, express supportable conclusions, identify bias, and evaluate opinions held by others while respecting the right of free expression.

ACADEMIC SENATE

The Academic Senate at Evergreen Valley College is a faculty forum for academic issues. It plays a key role in the college's quadripartite governance structure. The Academic Senate is represented at all Board of Trustees meetings, and its members serve on numerous campus committees, which it either initiates or to which it provides faculty representation.

As the faculty's official representative, and in accordance with Assembly Bill 1725, the Academic Senate is involved in all academic matters affecting instruction. In this regard, the Senate is an important part of the governance structure of the college and an equally important source of information to the campus and outside community.

By representing the widest possible cross section of the faculty, the Academic Senate is an important source for information and opinion gathering. The Academic Senate wants to be informed of all academic problems, concerns, projects, proposals, and activities throughout the campus. Academic Senate meetings are scheduled to coincide with the Board of Trustees meetings twice a month (normally, the first and third Tuesdays of the month, 3-5 p.m.).

Academic Senate office is located in A3-205; hours are Monday through Thursday, 9 a.m. to 5 p.m., and Fridays, 9 a.m. to 4 p.m. Telephone (408) 274-7900, ext. 6533.

CLASSIFIED SENATE

The purpose of the Evergreen Valley College/District Office (EVC/DO) Classified Senate is to participate in the quadripartite system of governance by serving the interests, needs, and viewpoints of all classified staff at Evergreen Valley College. All classified staff are eligible to serve as members of the Senate. Participation is voluntary, and there are no mandatory dues.

The Classified Senate consists of 12 members elected by classified staff from four occupational groups, plus two former members (the Senate Past-President and the California School Employees Association Vice President for EVC/DO). Some of the goals and objectives of the Classified Senate are to:

- Actively participate in the District and Evergreen Valley College governance structure.
- Provide a centralized means of communication between classified staff and the rest of the campus community.
- Articulate the professionalism of the classified staff so that it is properly recognized and valued.
- Provide an opportunity to develop individual leadership among the classified staff, as well as to increase the professional standards of its members.
- Promote and support activities that develop or increase the skills, productivity, and professionalism of the classified staff.

The EVC/DO Classified Senate meets twice monthly during the regular school year, when necessary special meetings may be held.

**STUDENT-RIGHT-TO-KNOW
COMPLETION AND TRANSFER RATES**

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the District and Evergreen Valley College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2005, a cohort (group) of all certificate, degree, and transfer-seeking first-time students was tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at EVC, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the Fall 2005 cohort defined above, 19.21% completed a certificate, or a degree program or became "transfer-prepared" during the three-year period from Fall 2005 through Spring 2008. Students who are "transfer-prepared" have completed at least 60 transferable units with a GPA of 2.0 or better.

Based upon the Fall 2005 cohort defined above, 13.97% transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming "transfer-prepared" during a five semester period from Spring 2006 through Spring 2008.

Information is available online at <http://www.evc.edu/rightToKnow.htm>.

DRUG-FREE WORK PLACE POLICY

In accordance with the Drug-Free Workplace and the Drug-Free Schools and Communities Acts, it is the policy of the San José/Evergreen Community College District to provide a drug-free campus community and workplace. The unlawful manufacture, possession, distribution, or use of a controlled substance is prohibited on the campuses and District facilities. Violation of this standard may result in dismissal under the applicable regulations of Title V of the California Code of Regulations and will be subject to civil and criminal penalties.

For more explicit information on this policy and its sanctions, contact:

District Human Resources Director
San José/ Evergreen Community College District Offices
(408) 270-6406

EVC Dean of Counseling and Matriculation
(408) 274-7900, ext. 6638

ALCOHOL AND DRUG ABUSE PREVENTION PROGRAM

The Alcohol and Drug Abuse Prevention Program at EVC is designed to foster campus and community safety, and help nurture students' academic and social development. The Drug and Alcohol Advisory Committee (DAAC) is a multidisciplinary team that works in providing a comprehensive alcohol and other drug abuse prevention program through:

- Faculty, staff, and student training workshops.
- Public education through the dissemination of information on alcohol and other drugs through the campus newspaper, distribution of literature, pamphlets, availability of a Resource List of on campus as well as community resources, and special community events such as health fairs held in Fall and Spring semesters.
- Personal counseling services for assessment and early intervention.
- Referrals for treatment options for students with alcohol and other drug problems.
- Curriculum infusion.

Students who need information on alcohol and other drugs are encouraged to visit Student Health Services located at SC 124 (see Student Health Services).

NON-SMOKING POLICY

Evergreen Valley College is a smoke free campus. Smoking is permitted in the designated areas within the parking lots only.

STATEMENT OF NONDISCRIMINATION

It is the policy of the San José/Evergreen Community College District to provide an educational and employment environment in which no person shall be unlawfully denied in whole or in part full and equal access to, the benefits of, or be subjected to discrimination in any program or activity of the District. This policy prohibits discrimination on the basis of legally protected categories which include ethnic group identification, race, color, language, accent, immigration

status, ancestry, national origin, age, sex, religion, sexual orientation, gender identity, marital status, medical condition, veteran status, physical or mental disability, or on the basis of these perceived characteristics or based on association with a person or group with one or more of these actual or perceived characteristics. Conduct need not arise to the level of a violation of law in order to violate this policy.

Zero Tolerance

It is the highest priority of the San José/Evergreen Community College District to maintain a working and learning environment for every student, District employee and campus visitor that is free from discrimination and harassment. Every District employee and student should be treated with dignity and respect. To achieve this goal the District will have zero tolerance against behavior that amounts to discrimination or harassment. Zero tolerance means that in all instances where discrimination or harassment is found, corrective action will be taken in accordance with state law, the District's collective bargaining agreements and policies. All supervisory personnel will be responsible for maintaining an environment that is free of prohibited discrimination and harassment.

Discrimination

Discrimination is defined as unfavorable or unfair treatment, or preferential treatment of a person or class of persons, or treatment that has an adverse impact on persons or class of persons, on the basis of any of the above referenced legally protected categories. This policy pertains to all board actions, to all employment practices, to all student related matters, and to the community's ability to access the District's programs, services and use of campus facilities.

Harassment

Harassment is a form of discrimination and is therefore also prohibited. Harassment means verbal, written, graphic or physical conduct relating to an individual's membership in any of the above referenced legally protected categories that has the purpose or effect of:

- a) Creating an intimidating, hostile or offensive working or learning environment; or,
- b) Substantially or unreasonably interfering with an individual's work or academic performance; or,
- c) Otherwise adversely affecting an individual's employment or academic opportunities.

Harassment can include any unwelcome verbal, written or physical conduct, which offends, denigrates, or belittles any individual because of any of the characteristics described above. Such conduct includes, but is not limited to unsolicited derogatory remarks, jokes, demeaning comments or behavior, slurs, mimicking, name calling, graffiti, gestures, physical contact, stalking, threatening, bullying, extorting or the display or circulation of offensive written materials or pictures.

Discipline

Any individual who is found to have engaged in discriminatory or harassing behavior will be subject to appropriate corrective and/or disciplinary action.

Complaint Process

The District shall maintain a discrimination complaint procedure for employees, students and campus visitors who believe they have been discriminated against or have suffered some form of harassment.

Confidentiality

The District recognizes that confidentiality is important to all parties involved in a discrimination or harassment investigation. Confidentiality will be maintained to the extent possible.

Retaliation Prohibited

The District will not tolerate retaliation against any individual for initiation, pursuit or assistance with a lawful complaint of discrimination or harassment.

Where To File An Informal Harassment Or Discrimination Complaint

Informal complaints may be filed by contacting the designated District and/or Campus Officers, who may accept informal complaints from any location within the San José/Evergreen Community College District.

Designated Campus Officers:

Sexual harassment, gender discrimination, and disability discrimination:

Vice-President of Student Affairs SC 205 (408) 223-6738

Discrimination and harassment complaints involving students:
Dean of Counseling, SC 230A, (408) 274- 7900 ext.6491

All discrimination and harassment complaints:
Director of Diversity, SJECCD Office, Room 9, (408) 274-7900 ext. 6798

Designated District Officer:

Associate Vice Chancellor of Human Resources: Sexual Harassment and discrimination complaints.

How To File A Formal Harassment Or Discrimination Complaint:

Complaints of sexual harassment or discrimination on the basis of race, color, national origin, ethnic group identification, age, gender, transgender, immigration status, language, accent, religion, sexual orientation, marital status, veteran status, medical condition, physical or mental disability filed against an employee of the District should be directed to the Associate Vice Chancellor of Human Resources or the Diversity Office.

A copy of these procedures, and the District's Unlawful Discrimination Complaint Forms, are available in the District Human Resources Office, the District Chancellor's Office, the President's Office at each campus, the Office of the President of the Associated Student Body, the Diversity Director's Office, and the Disabled Student's program at either campus.

An individual may also file a complaint of unlawful discrimination with the Equal Employment Opportunity Commission, 96 N. Third St. Suite 200, San José, CA 95112, or the Department of Fair Employment and Housing, 111 N. Market St. Ste. 810, San José CA 95113 or the Office of Civil

Rights of the U.S. Department of Education, 50 United Nations Plaza, Rm. 239, San Francisco, CA 94102 at the time of filing a complaint or during, or after use of the District harassment or discrimination complaint process.

Completed complaint forms are to be given to appropriate department supervisor and one copy mailed or taken to:

Diversity Office
San José/Evergreen Community College District
4750 San Felipe Rd,
San José, CA 95135

POLICY ON CONSENSUAL RELATIONSHIPS

The District prohibits its employees from engaging in sexual relationships with individuals employed by the District and with whom they have a direct supervisory relationship. Examples include, but are not limited to: managers, supervisors, and their subordinates. Because of the differential in the level of authority, such relationships could lead to charges of coerced submission or sexual harassment, even if there was apparent consent.

In addition, the District prohibits instructors from engaging in consensual sexual relationships with students who are enrolled in a class that they are currently teaching and counselors from engaging in consensual sexual relationships with students whom they are currently counseling.

A manager's, faculty member's, or supervisor's liability protection under California statute will not protect the individual in subsequent litigation arising from the relationship's effect on the student or employee.

Persons who believe that they have been victims of harassment/discrimination may file a complaint under the District's Procedure for Resolution of Discrimination/Harassment Complaints with the College Title IX Officer or the District Office of Human Resources

STANDARDS OF STUDENT CONDUCT

Students and visitors to San José City College and Evergreen Valley Community College are expected to adhere to academic and behavioral Standards of Student Conduct and Academic standards which include honesty, satisfactory academic performance, and regular attendance.

By following these standards, students will conduct themselves in a manner that fosters a positive learning and working environment for students and staff, maintains order on the campus, and protects the rights of the individual and the interests of the District. Violation of these standards on District-owned or controlled property, or at a District-sponsored activity, could result in the consequences outlined in this section. Decisions will be made based on factual information in accordance with due process procedures as outlined by the college and the California Education Code.

Academic Standards and Consequences

Academic Integrity
Evergreen Valley College values academic integrity.

Students are expected to complete and submit their own work. These values ensure that every student is graded fairly. Academic dishonesty is unethical and does not support student learning.

Violations of standards include the following:

- Altering grades.
- Altering or forging college documents, records, or identification.
- Copying from someone's test or allowing someone to copy your test.
- Copying from an author's work without giving credit (plagiarism).
- Doing an assignment (e.g., a term paper or essay) for another student or asking, paying, bribing, or blackmailing someone to do an assignment for you.
- Sitting in for someone in class, or on a test, or having someone sit in class for you, if not authorized by the instructor.
- Submitting work previously presented in another class if not authorized by the instructor.
- During an exam, using or consulting other test or course material not authorized by the instructor.
- Possession of an examination or materials not authorized by the instructor.

Consequences may include one or more of the following actions by appropriate college officials:

- Receiving a failing grade on the test, paper, or exam.
- Course grade lowered, possibly resulting in course failure.
- Verbal or written reprimand/warning.
- Suspension for a longer specified time.
- Expulsion from college.

Behavioral Standards and Consequences

Evergreen Valley College is committed to fostering a safe, positive, learning environment where students can pursue their educational goals and participate in college-sponsored activities that promote intellectual growth and personal development. To this end, students are provided protection and due process of their individual rights against unfair or improper actions by any member of the district community.

Students are expected to adhere to State and Federal laws, and to the rules and regulations of the District, and of the College. Violations may result in disciplinary action against the student.

Violations include but are not limited to the following:

- Applying undue pressure on an instructor to alter a grade.
- Threat or act of physical harm directed against a student, visitor, or college employee.
- Willful damage to, or theft of, district property.
- Threat or act of stalking, sexual assault, or rape (report will be sent to the District Attorney for further

legal action).

- Possession of a knife, gun, rifle, or an object used as a weapon to threaten bodily harm (report will be sent to the District Attorney for further legal action).
- Use of fraudulent identification.
- Unauthorized possession, duplication, or use of keys to any district premises, or unauthorized entry to or use of college or district premises.
- Unauthorized copying or an attempt to copy, computer software; an unauthorized entry or attempt to enter a system; or intentionally introducing a virus.
- Unlawful possession, sale, use of, or being under the apparent influence of illegal drugs or alcohol.
- Willful defiance of college officials, faculty, staff, or police officers who are giving lawful direction.
- Disorderly, lewd, indecent, or obscene conduct or expressions (including willful profanity and/or vulgarity with intention to threaten, intimidate, or offend).
- Gambling (money or its equivalent exchanged and not part of an approved campus activity/event).
- Harassment or discrimination based on gender, race, religion, culture, disability, sexual orientation, or age.
- Bomb or terrorist threat (report will be sent to the District Attorney for further legal action).
- Failure to comply with the terms of any disciplinary sanction imposed in accordance with the Code of Student Conduct.

Consequences may include one or more of the following actions:

- Verbal Reprimand/Warning: Verbally reprimanding students for inappropriate behavior and warning that the continuation of the conduct will cause disciplinary action.
- Suspension: Exclusion from classes, privileges, activities, or the college for a specified period of time, noted in student’s file (instructors may suspend a student for the remainder of a class period and the next class period; Administrators or President may suspend a student for a longer specified time).
- Expulsion: Termination of student’s right and privileges noted in student’s file.

Due Process Procedures

Any district official who suspends a student for more than one entire class or day of instruction must provide his or her immediate supervisor and the College President a written report that includes:

- The name of violating student.
- A statement of the alleged violation(s) with date, time, and place.
- Names of witnesses (if any).
- Sanction(s) to be imposed.

Within three working days of receiving the report, the President or designee must notify the student by certified

mail of the following:

- Reason or reasons for suspension or dismissal.
- Length of suspension or dismissal.
- Conditions for removal of suspension or dismissal.
- The right to appeal the suspension or dismissal through the college grievance process.

When it appears likely that the grievance process will proceed for a period beyond that of the suspension, the student may request immediate reinstatement from the instructor or District official who imposed the suspension. If agreement cannot be reached to reinstate the student during the review process, the student may petition the President for reinstatement. The President may reinstate the student until the review process is completed by informing all involved parties in writing of the reason for reinstatement.

If the grievance process finds in the student’s favor, the student shall be held harmless and will be allowed to make up missed work.

The President shall report all suspension of students to the District Chancellor.

Instructors shall be encouraged to clearly establish and uniformly enforce rules for proper classroom demeanor.

STUDENT GRIEVANCE

Definition

Student grievances are limited to the following areas:

1. Prejudicial or capricious action in the evaluation of a student’s academic performance (see “Grades”).
2. Act or threat of intimidation or harassment.
3. Act or threat of physical aggression.
4. Arbitrary action or imposition of sanctions without proper regard to academic due process as specified in college procedures.
5. Violation of student rights described in College Rules and Regulations or the District Standards of Student Conduct.
6. A violation of students’ rights as stipulated in the California Education Code, Title IX, or Section 504 of the Rehabilitation Act of 1973, or any other applicable Federal and State Regulations.

A student may institute grievances against another student, a classified employee, a faculty member, or an administrator. However, grievances between students are directed to and resolved by the Dean of Counseling and Matriculation. For more information, call (408) 274-7900, ext. 6638.

Student Grievance Procedures

First Level:

1. The student should have an informal meeting with the faculty or staff member to discuss the difficulty and show an effort to come to a resolution.
2. If the issue is not resolved, the grievance may move to the next level.

Second Level:

1. The student should inform the Dean of the faculty or staff member.
2. The Dean will investigate the matter which may include a meeting with the student and faculty or staff member.
3. Once the investigation is complete, the Dean will issue a decision.

If the student is not satisfied with the decision, the grievance may move to level three.

Third Level:

1. The student may appeal to the Vice President of Academic Affairs for instruction and classroom issues, or the Vice President of Student Affairs for other issues.
2. The Vice President will investigate the grievance and issue a decision.
3. If the student is not satisfied with the decision of the Vice Presidents and wishes his/her issue to go the Grievance Board, the Vice President of Student Affairs will convene the Board within 10 days of his/her decision.

Student Grievance Review Board**Purpose**

The Student Grievance Review Board allows a hearing for those students who believe that they have been unjustifiably penalized or suffered grievous personal abuse by actions of any member of the certificated or classified staff of San José/ Evergreen Community College District.

Membership

The Review Board consists of two faculty members appointed by the Academic Senate or two classified employees appointed by the CSEA, an administrator appointed by the College President, one counselor appointed by the Dean of Counseling and Matriculation, and two students appointed by the Associated Student Body President. A person shall serve as a member of the Review Board until such time as he/she resigns or is removed by the respective appointing authority.

The College President shall appoint the chairperson of the Student Grievance Review Board.

Whenever a classified employee is involved, the two members of the classified staff shall be substituted for the faculty members to the membership of the Review Board. In the event a substitution of members must be made because of a known conflict of interest, the President or elected representative of that section of the Review Board shall appoint a substitute.

The Review Board shall establish its own procedures and have the authority to require those present to conduct themselves in accordance with the dignity of the proceedings and the right to place reasonable restrictions of time and relevancy upon parties and witnesses. The Review Board may call witnesses.

Student and Staff Rights

When a student or staff member appears before the Review Board, he/she shall have the right to:

1. Present, hear, or question adverse witnesses pro and con.

2. The Review Board shall consider no evidence unless both parties are given the opportunity to challenge the evidence.

Only evidence introduced before the Review Board shall be used in determining the Board's recommendation. Members of the Review Board may not bring any matters of personal knowledge before the Board.

Subsequent to the filing of the request for hearing, no information pertinent to the proceedings shall be released until the filing of the formal report of the hearing.

Student Grievance Review Board Procedures:

The Student Grievance Board will meet at the appointed time. The student can invite anyone else to the hearing. The faculty or staff member can invite anyone else to the hearing.

1. In the event that either party is unable to attend the scheduled hearing, due only to a justified emergency, the hearing shall be rescheduled within 10 working days at a time agreeable to all parties. If the student does not appear for the hearing and does not have an excused absence approved by the Hearing Board, the grievance shall be canceled. If the faculty/staff member does not appear and does not have an excused absence approved by the Hearing Board, the Review Board shall proceed with the hearing.
2. The recommendation of the Review Board shall be determined by a majority vote.
3. The Review Board shall forward its findings and recommendations to all involved parties and the College President for appropriate action.
4. If either the student or the staff member involved is not satisfied with the decision or action of the Review Board, an appeal may be made to the College President for his/her consideration. This appeal will take the form of a written memorandum outlining the nature of the basis for the dissatisfaction with the decision or action. Once the College President has reviewed this memorandum and the written communication from the Review Board, the President will schedule a private meeting with all parties, individually or jointly, to discuss the matter.
5. The College President, on consultation with the Review Board, may uphold, reverse, or modify the recommendation. The decision will be forwarded to the involved parties in writing, with copies to members of the Review Board.
6. If the student or the staff member is not satisfied with the final college-level disposition of the case, that person may appeal directly to the Governing Board of the District.

Recommendation of Review Board

The Review Board recommends to the College President that the student not suffer academic penalty if he/she has been required to be absent from class or classes for hearings, and that the instructors be so notified. This protection shall also apply to students who serve as Board members or who are required to serve in other capacities. This provision in no way excludes the obligation of the student to meet course requirements.

While the results of the hearing are pending, the student's right to be on campus will not be suspended unless, in the judgment of the College President or an appointed representative, the student's own safety, the safety and well-being of other students or college personnel, or the protection of college property are threatened. The student's instructors shall be notified immediately of any changes in the student's status.

Subsequent to the filing of the request for hearing, no information pertinent to the proceedings shall be released until the filing of the formal report of the hearing.

For further information, call the Vice President of Student Affairs at (408) 223-6749 located in SC-205.

SAN JOSÉ EVERGREEN COMMUNITY COLLEGE DISTRICT PUBLIC SAFETY

The San José/Evergreen Community College District maintains a campus Police Department staffed with highly trained officers to help protect the safety and ensure security of students, staff, their property, and the property of the District. District police officers, committed to standards of professional excellence, are required to meet the selection and training requirements of the California Peace Officer Standards and Training Commission. Officers receive the same training and carry the same authority in or near the college campuses as city police officers and county deputy sheriffs.

The District Police Department operates under the direction of a vice chancellor and a chief of police, and offers a wide range of services to the campus community. Services include providing and presenting current crime prevention information, patrolling the college campuses and parking lots, proactive crime suppression, investigating all offenses that occur on the campuses, and informing campus users of the occurrence of crimes specified by federal statute. Officers are authorized to arrest or cite law violators.

Crime Reporting Procedures

Offenses, accidents, and all emergencies that occur on campus should be reported immediately to the District Police at the number listed below:

Evergreen Valley College Police Station
 Central Utilities Building
 (408) 270-6468

Red emergency call-boxes are available at various locations for anyone who needs to contact the District Police. Emergency call boxes are marked by blue signs and blue lights for easy visibility.

Office Hours

Evergreen Valley College

Monday through Saturday 7 a.m. – 11 p.m.
 Sunday 7a.m. – 3 p.m.
 Holidays 8 a.m. – 4 p.m.

After hours, all campus emergencies should be reported by dialing **911** on a public telephone. Coins are not required when placing 911 calls. Office phones normally used as FAX

lines may also be used for placing emergency 911 calls. Other telephones in District and College offices and facilities require that one dial **"9" then 911** for emergency service.

If for some reason **9-911** should fail to work, dial the City of San José Emergency Services number **(408) 277-5454**.

Facility Security

When classes are in session, most campus facilities are unlocked from 6:30 a.m. to 10:30 p.m. on weekdays. However, during the hours of 10:30 p.m. to 6:30 a.m., buildings are locked for service by the custodial staff. Facilities are normally locked at 10:30 p.m. on Friday until 6:30 a.m. on Monday, unless special arrangements are made for weekend use. Arrangements must be communicated to the District Police.

Campus Crime and Security Report

The Student Right-to-Know and Campus Security Act of 1990 requires all colleges to publish an annual Campus Crime and Security Report and to make this report available by September 1 of each year to all current students, employees, and prospective employees. The reports will report/disclose information on campus-based crimes and campus safety policies and procedures.

A complete copy of the Campus Crime Report can be obtained from the EVC Campus Police website at <http://www.sjeccd.org/HTML/District/DistPolice/Policehome.html>. The report contains additional crime statistics on major offenses reported over the past two years. The college will provide a complete paper copy upon request.

PARKING INFORMATION

Student Semester Parking permits are valid at both campuses and may be purchased in the Campus Store. They are static-cling and transferable so that students who carpool or regularly drive different cars to campus, may transfer the permit from car to car.

All automobiles must have the valid permit placed on the lower left-hand corner of the front windshield and be parked "nosein".

All motorcycles must have a current permit affixed to the right front fork and must be parked in designated motorcycle stalls. Motorcycles may not park in regular vehicle stalls.

Restrictions

- Daily and semester permits are NOT valid in metered or other time-limit zones.
- Students must park in lots designated for students.
- Staff must park in one of the lots designated for staff parking, or pay the required fee to park in a student lot.
- If there is a verifiable parking problem, the staff member must call District Police immediately.

Disabled Person Parking Spaces

Use of disabled person parking spaces requires the display of a valid blue or red placard issued by the State Department of Motor Vehicles. District staff, student, or daily permits are no longer required in addition to the DMV handicapped placard in order to park in handicapped spaces. Possession and display of handicapped placards on vehicles does not permit parking on red, green, and fire hydrant zones and areas designated as "No parking".

NOTE: Students should lock their vehicles at all times. The District is not responsible for damage or loss to student vehicles.

Citation payment

Payment for parking violation citations must be mailed to the address on the envelope, or may be paid online at www.ptsonline.org. Online payment requires a valid credit card, and the citation number. Payments will NOT be accepted at the Campus Police Station. Individuals wishing to contest parking citations may obtain forms at the Campus Police Station. These forms must be completed and mailed to the address within 21 days from the citations' issue date otherwise the violation fee may be subject to an increase. Individuals contesting citations need not pay the initial violation fee until they receive a result of their contest.

For information on Parking Fees, see the Student Fees section of Chapter 2.

CHAPTER 9: COLLEGE PERSONNEL

FACULTY AND ADMINISTRATORS

Adams-Stryker, Joel (2003)
