September 25th, 2026 10:00 to 11:30 AM

Mishra Room in the Library Building

Purpose: The purpose of the Student Learning Outcome Assessment Committee (SLOAC) is to oversee and guide the college process for writing/incorporating SLOs and assessment across the curriculum and programs. The committee shapes the college's approach to assessment by providing a common assessment language through SLO Assessment Plans and the standardized assessment reporting templates. The committee strives to support a campus culture of assessment by encouraging assessment dialogue and sharing best practices to improve student learning and integrate results into college planning.
