

Student Learning Outcomes and Assessment Committee (SLOAC)

September 25th, 2026 10:00 to 11:30 AM

Mishra Room in the Library Building

Purpose: The purpose of the Student Learning Outcome Assessment Committee (SLOAC) is to oversee and guide the college process for writing/incorporating SLOs and assessment across the curriculum and programs. The committee shapes the college's approach to assessment by providing a common assessment language through SLO Assessment Plans and the standardized assessment reporting templates. The committee strives to support a campus culture of assessment by encouraging assessment dialogue and sharing best practices to improve student learning and integrate results into college planning.

SLOAC has a Canvas shell now! Instructional videos and PDFs are all available here. You can self-enroll using this url: <https://sjeccd.instructure.com/enroll/LJ44NA>

Agenda

I. CALL TO ORDER 10:02 am

II. ADOPTION OF AGENDA Alison (1st), Simon (2nd)

III. PUBLIC COMMENTS (LIMIT TO 3 MINUTES)

- Rahmon – Dean Gutierrez shared Vision Resource Center assessment workshop resources with the Rahmon and Grace. Links will be sent out to the committee, and recordings/materials may be added to the SLOAC Canvas shell for future reference.
- Grace – recommends that Rahmon and the committee should be part of the Insights implementation.

IV. MEETING MINUTES: Minutes from September 11, Alison (1st), Elaine (2nd), unanimously approved.

V. INFORMATION/DISCUSSION ITEMS:

- Transitioning to a New System Timeline Updates
 - After discussion with VPAA no final decisions have been made; the projected rollout timeline may be delayed due to EVC IT capacity constraints. SLOAC's focus will remain on improving assessment processes currently within its control.
 - Rahmon will serve on the implementation team in an advisory/feedback role and will monitor updates as more information becomes available.

- Rahmon is in class during trainings and trying to obtain recordings and materials from implementation meetings to share with the committee for future reference.
- Updates to SLO assessment shell
 - Previous SLO assessment shell revisions were approved and are now live in CurriQunet.
 - Additional enhancement requests approved on September 11 have been submitted through a new ticket. The committee will review future revisions as development progresses.
- Continuing UDL-integration Conversation
 - A ticket was submitted to add UDL-related questions to the assessment reporting process in sandbox. Proposed additions include:
 - Faculty identification of UDL implementation status.
 - Follow-up prompts describing UDL practices used or planned.
 - The committee recommended providing examples, resources, and supporting documentation to help faculty understand UDL expectations.
 - Collaboration with campus UDL resources will be explored, such as where links would be housed and kept current.

VI. Action Items

- Yearlong Committee Goals. The following goals were approved, Alison (1st), Mike (2nd), unanimously approved.
 - Review/redesign the PLO assessment process.
 - Improve the SLOAC Canvas shell and website resources.
 - Review handbook policies and procedures, including special situations (retirements, sabbaticals, aging reports).
 - Continue UDL integration into the assessment process.
 - Improving SLO completion rates will remain an area of monitoring but was not selected as a primary goal.

VII. Other Updates:

- SLOAC Canvas page.
 - Too many links with no wayfinding.
 - Rahmon uploaded the 8 videos from last semester and will add labels.
 - Agreed that old Agendas do not need to be kept, Donna will work to move minutes into archive folder on SLOAC webpage.
 - Committee to review the main and module tabs and provide feedback on what is useful for faculty.
- SLO Submissions
 - Due Oct. 1; divisions reminded to submit.
 - Most SLO assessments received have been reviewed; feedback provided as needed.
 - Video feedback has improved clarity and responsiveness along with faculty appreciation.
- Insights Training – Robert shared slides and folder with training videos
 - Reviewed tentative Coursedog rollout timeline (spring 2027).

- Identified need for improved campus communication and broader training participation.
- Moni is seeking clarification on District/IT timeline on both Coursedog and eLumen timelines.
 - Moni will meet with Grace, Rahmon and Robert after receiving clarification.
 - Note: the current Insights in Self Service is a data warehouse and not part of this product.
- Committee members are encouraged to share updates and training resources with their divisions.
- A backward timeline is needed, with a pause on CurriQunet in December (for new curriculum).
- January PDD should include campus-wide training.
- First year funding will come from AB 1111.
