## What is community college?

The community colleges of Santa Clara County are publicly supported and local oriented colleges that offer career training programs in more than 80 fields including business, industrial trades, the arts, health sciences, and public services. Community colleges are designed for every type of student with:

- Programs for transfer to a four-year college
- Career/technical education
- Continuing education for cultural growth, life enrichment and skills improvement

#### Is community college right for me?

- Have you selected a career that is obtainable with a two-year Associates Degree or Certificate of Specialization? The programs listed in this brochure can be completed in approximately two years or less.
- Are you undecided on a career goal? You may spend thousands of dollars at other institutions or programs to explore different majors. Complete your lower division general education at a community college for a fraction of the cost.
- Do you need to work full time while in school? Take classes day or evening, online or even on a Saturday!

#### Who can attend community college?

- Anyone over the age of 18
- Concurrently enrolled high school students

### **Support Services**

- Career planning
- Job placement assistance
- Internships
- Educational and personal counseling
- Workshops
- Tutoring
- AND MANY MORE!

#### **Enrollment Steps**

- 1. Apply for admission at the community college of your choice. Apply on line at <a href="CCCApply.org">CCCApply.org</a> Online applications can have a 36-48 hour turn-around time after being received.
- Apply for financial aid at <u>fafsa.gov</u> (Free Application for Federal Student Aid) or the Dream Act (AB540) at <u>caldreamact.org</u>

Contact the financial aid office at the campus and ask about *Cash for College events* (where you can receive one-on-one assistance with filling out the FAFSA or Dream Act application), information on scholarships and all things financial aid. Ask about PROMISE Programs, First Two Free programs and fee waivers offered at all community colleges.

#### 3. Sign up and attend orientation

A one semester educational plan must be completed at orientation. Call the Counseling office at the campus to schedule your orientation.

\*You are exempt from orientation if you have an AA/AS degree or higher. For more information on exemptions please contact the Counseling office at the campus.

#### 4. Turn in documents for assessment

To assist students with placement into English and math courses, colleges use multiple measures including but not limited to the following;

High school transcripts

#### Optional:

- SAT/ACT Scores
- AP Scores
- *IEP/504 Plan Recommendations*
- 5. Schedule an appt. with a counselor at the community college for an educational plan
- 6. Register for Classes
