

ASPIRE +PLUS PRESENTS

BUILDING A RESUME THAT STANDS OUT FOR ANY INDUSTRY

WHAT WE'LL COVER

1. What hiring managers are really looking for
2. Examples of what effective resumes look like
3. Strategies on your resumes that lead to interviews

We will also be covering cultural messages people may have received growing up that hinder or propel careers. Standing out is something that is frowned upon in many Asian American, Native Hawaiian & Pacific Islander (AANHPI) communities. We will discuss how standing out effectively leads to academic, career, and personal success.
